Single Carrier Property Panel

WTW Production Solutions

Program highlights

The WTW Middle Market Broking team and National Property Practice team are pleased to offer a unique and innovative Panel solution for all single placement property risks in a very wide range of industries.

This Panel provides pre-negotiated minimum coverage requirements that have been carefully selected to reduce broker errors and omissions going forward.

Key benefits

- **Contract certainty** through pre-negotiated minimum coverage requirements, inclusive of unique coverage enhancements;
  - No Coinsurance/No Margin Clause
  - $100M for Boiler & Machinery
  - $25M for Flood and EQ
  - $10M individual sub-limits for Vacancy, Debris Removal, Civil Authority/Ingress-Egress;
  - $5M for EDP Equipment, EDP Media, Extra Expense & Service Interruption;
  - Increased leverage with carrier partners to drive better outcomes for clients.
- **Guaranteed increased commission** on all commission-based placements;
- **Broad carrier appetite** for target industry, single carrier placements with premium starting at $100,000 and up

A unique and innovative Panel solution for all single placement property risks in a very wide range of industries.

Eligibility

- The only industries that ARE NOT eligible:
  - Mining
  - Petrochemical
  - Energy (not including renewable energy)
- NOT eligible if 100% of exposure is located in CA or FL or if more than 40% of TIV is classified as habitational frame
- **No restriction based on size of client** as long as it is a **single placement structure** with premium greater than $100,000
- Starting AOP deductible at $50K but willing to go lower on certain best in class risks
- Submission, statement of values and loss history are required

When to use?

All single carrier placements where we can improve coverage terms including:

- All (new and renewal) single-carrier, unsupported Property placements not currently with Panel carriers
- All single carrier placements with Panel carriers without Panel terms applied
