Unit Sizes

Standard and Custom Door Sizes

Note:
A-Series Inswing Doors are available in standard sizes (see standard size charts, page 12). Replacement parts for some standard doors can be ordered using the numbers listed in this catalog. Many replacement parts for standard doors are made to order. These items are ordered using the Product ID found on the identification label and a description of the part needed. See **Service Guide 9051877**.
A-Series Inswing Doors are also available in custom sizes in 1/8″ increments between the smallest and the largest standard sizes. Most replacement parts for custom-sized doors are made to order and can be ordered with the Product ID found on the identification label and a description of the part needed. See **Service Guide 9051877**.

A Series Product Label

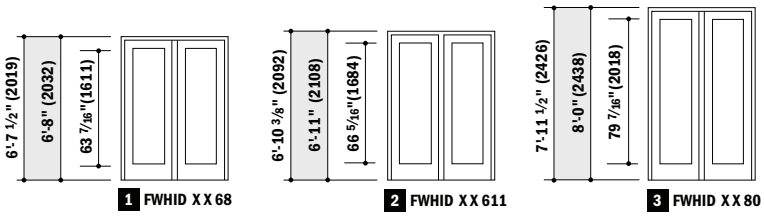
Note:
Every A-Series Inswing Door will have an identification label **or** glass etching containing a unique Product ID. The Product ID on A-Series Inswing Doors will be located at the top of the door frame or etched into the glass. See **Service Guide 9051877**. The Product ID may be up to 14 digits long (excluding hyphens), depending on the age of the unit. Replacement parts will also get their own unique Product ID. When ordering replacement parts, providing the Product ID ensures that replacement parts match the specifications.

Unit Sizes

Unit Size Chart - Single Panel

Note:
Unit Dimension refers to overall outside-to-outside frame. Unobstructed Glass refers to visible glass dimensions. Numbers in parentheses are metric measurements. See **Measuring Visible Glass Video**.

THREE BASIC UNIT HEIGHTS



CUSTOM SIZES

Custom unit sizes available in 1/8" increments between the smallest and largest standard patio door sizes.

Some restrictions apply. Contact your Andersen supplier for availability.

Panel Astragal - Passive

Note:
Replacement astragal for standard and custom-sized doors is made to order. The astragal is applied to the passive panel. An astragal for an AP unit is different than an astragal for a PA unit.
See **Service Guide 0005379**.

Exterior color options:
White, Terratone®, Sandtone, Forest Green, Canvas, Prairie Grass, Cocoa Bean, Dove Gray, Red Rock, Dark Bronze or Black.

Interior species/finish/color options:
Pine, Maple, Oak, Mahogany, Douglas Fir, Cherry, Pine, Clear Coat, Cinnamon, Mocha, Honey, Russet, Espresso, White, Birch Bark, Primed, Sandtone, Canvas, Dark Bronze or Black.

To order, state:

1. **Description of Part (Panel Astragal AP Unit or Panel Astragal PA Unit)**
2. **Quantity**
3. **Product ID (from product label, see page 11)**
4. **Options Desired (if different than original product)**

A-Series Hinged Door Stationary/Sidelight Panel

Panels - Stationary / Sidelight

Stationary / Sidelight Panel Size Table

Note:
This product is not intended to be reglazed. Panels with defective glass should be replaced.

Overall Stationary Panel is measured outside edge to outside edge of frame.
Unobstructed Glass is dimension from outside edge to outside edge of visible glass only.
Actual Glass is dimension of outside edge to outside edge of glass, including glass that is not visible.

Guide to door types:
A: active panel; **P:** passive panel; **S:** stationary panel

Note:
Made of Nylon.
Tribeca handles made prior to November 2020 use this bushing. If replacing this vintage of bushing you will need to order the current trim set screw pack (includes bushing), handle and escutcheon plate.

Tribeca handles made November 2020 - present use bushing included in current trim set screw pack page 100

A-Series Stormwatch® Protection (Coastal Product)

Note:
Andersen® products with Stormwatch® protection are designed for use in coastal areas. They feature design pressure upgrades, glass options, and structural enhancements. The parts listed in this section are exclusive to the Stormwatch® line.

Parts shared with standard doors are listed in the standard product pages of the section.

Panels - Active

Active Panels / Single (Impact Resistant)

Note:

Notes

Service Replacement

Service Replacement Only Parts

Service Replacement Only Parts

Note:
This section is specifically designed for parts that should only be ordered if a Territory Service Manager/Service Provider Company has requested them to be ordered or if the customer agrees to also pay for a non-warranty repair/replace service job (subject to availability) for these parts to be installed. We do not recommend anyone other than a trained AW employee or Service Provider install these parts due to the complexity of installation, modifications required for installation and/or requirement of special tools.
