Bombala Station footbridge closure

Community Notification

November 2026

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

UGLRL will commence scheduled repairs to the footbridge at Bombala Station in November 2026.

What work are we doing?

UGLRL will be carrying out repairs to the footbridge to ensure that access remains safe and reliable for the community.

Work includes:

- setting up a temporary worksite
- replacing damaged timber steps
- securing handrails
- restoring the area when work is finished.

When and where we'll be working

We will be working near High Street, Bombala, from **Tuesday 17 November** to **Tuesday 24 November 2026**, weather permitting.

The footbridge will be closed during this time with a pedestrian detour in place via High Street and Mahratta Street.

The detour is about 900 metres and will add up to 12 minutes to the walk.

Working hours are **7am to 5pm**, Monday to Friday and **8am to 5pm on** Saturday and Sunday.

What will this mean for you?

You may notice:

- the footbridge closure with pedestrian detours in place
- increased numbers of workers and vehicles in the area
- noise from machinery and equipment.

Managing our impacts

We will take steps to minimise impacts to the community and environment.

This includes:

- reducing our noise as much as possible

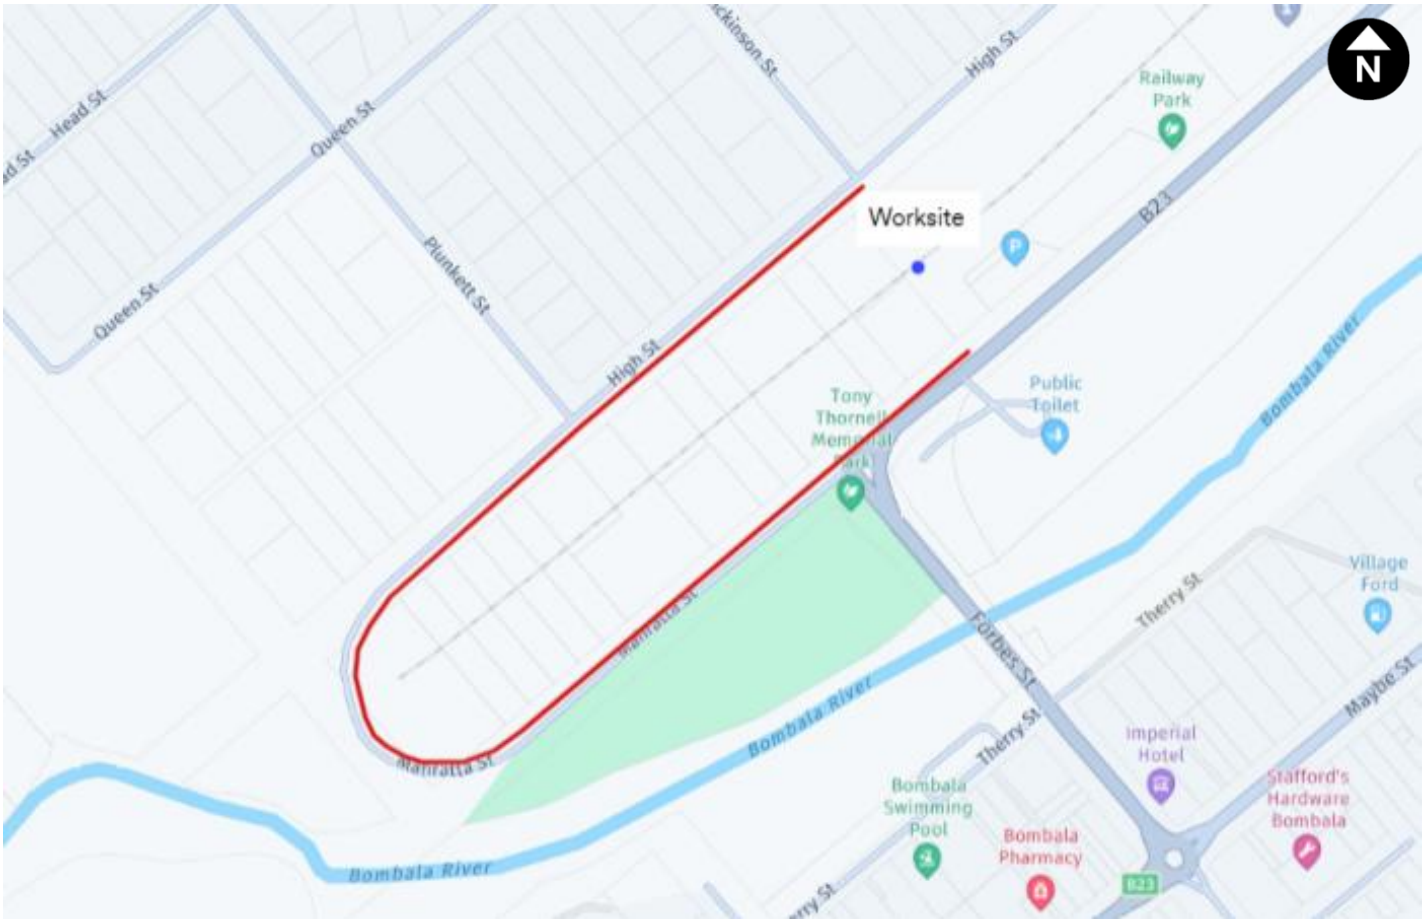
restoring the area when work is complete

Have an enquiry? Please email us at enquiry@uglregionallinx.com.au

Location of work area

The blue dot shows the work area.

The red line shows the 900-metre pedestrian detour via High Street and Mahratta Street, with an additional travel time of up to 12 minutes.



Further information

Working closely with the local community is a priority for UGLRL. If you have any questions or are likely to be impacted by this work, please contact the Project Infoline and provide the location: **BOMBALA**.
