Culvert repair near Warral Road, Duri

Community Notification

November 2026

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

UGLRL will carry out maintenance work on the railway track near Warral Road, Duri, in November 2026.

What work are we doing?

We will carry out culvert maintenance to improve the safety and reliability of the rail network.

Work includes:

- establishing a temporary work site
- carrying out structural repairs
- using equipment and machinery, including light and heavy vehicles and hand and power tools.

When and where we'll be working

We will be working near Warral Road, Duri from **Tuesday 17 November to Thursday 19 November 2026.**

Work will take place between **6am to 6pm** each day.

A map showing the work location is provided over the page.

What will this mean for you?

During the work, you may notice:

- additional workers and vehicles in the area
- noise from machinery and equipment.

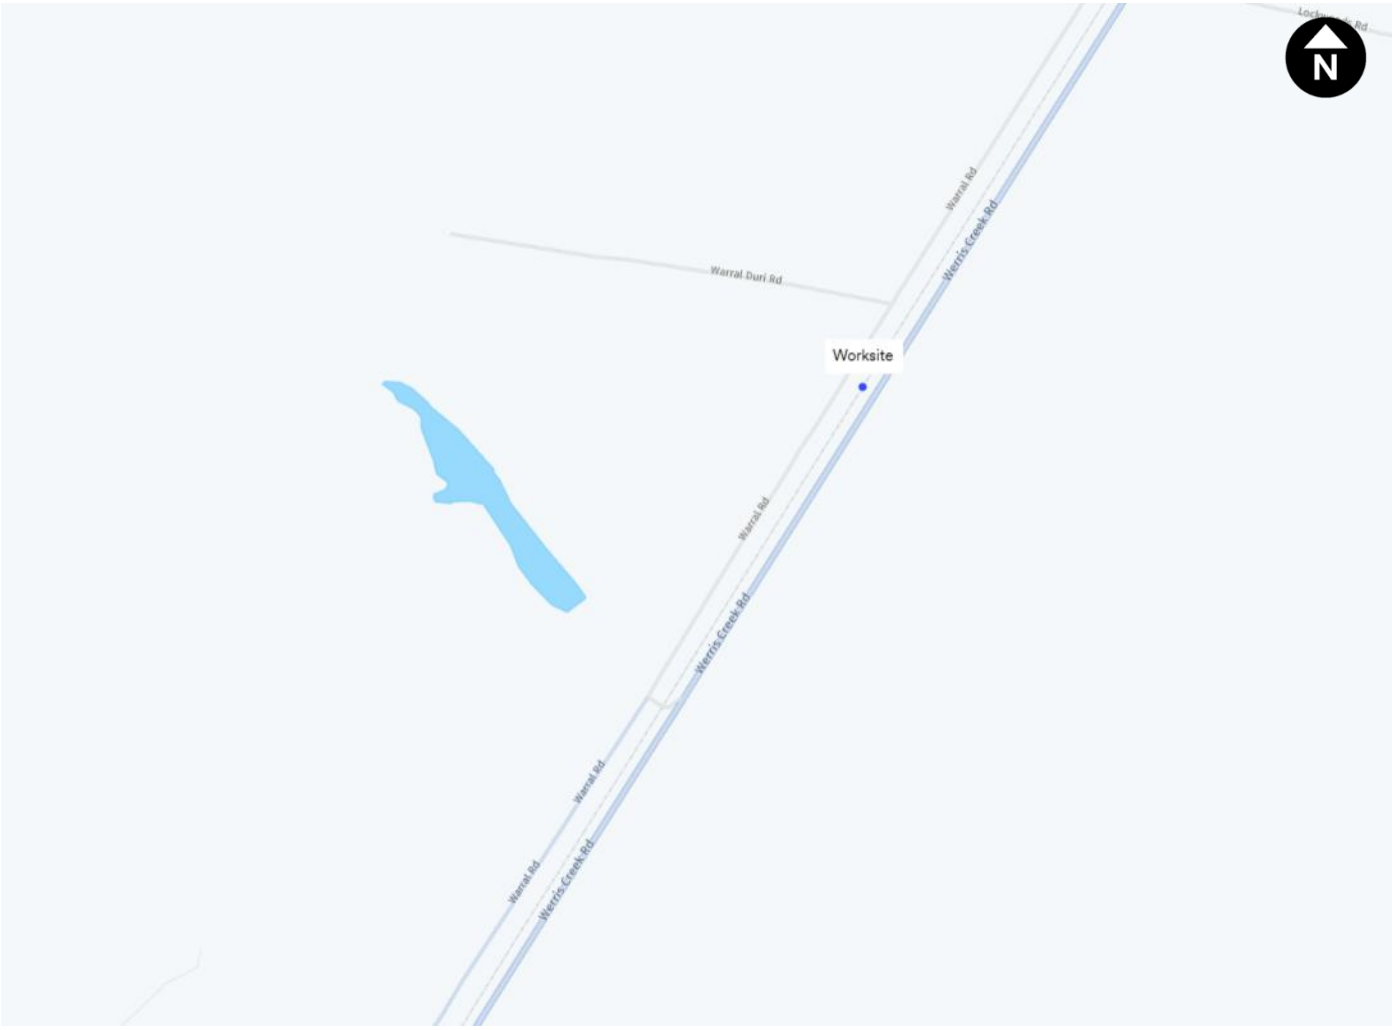
Managing our impacts

UGLRL will take reasonable steps to minimise impacts on the community and environment during the work. This includes:

- reducing noise as much as possible
- managing vehicle movements within the work area
- using fencing to maintain safety and security.

Location of work area

The blue dot indicates the work site location near Warral Road, Duri.



Further information

Working closely with the local community is a priority for UGLRL. If you have any questions or are likely to be impacted by this work, please contact the Project Infoline and quote the location: **DURI.**
