Emergency repairs and closure

Monkerai Road Overbridge

November 2026

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

WHAT WORK ARE WE DOING?

UGL Regional Linx (UGLRL) will carry out **emergency repairs to the Monkerai Road overbridge** from Tuesday 10 November to Friday 13 November 2026.

The work involves **replacing defective timber girders to keep the bridge safe for road users.**

WHEN AND WHERE WE WILL BE WORKING

Work will be carried out from Tuesday 10 November to Friday 13 November 2026, between 7am and 5pm.

During these hours:

- **7am to 9am: Bridge open with Stop/Go traffic control**
- **9am to 330pm: Bridge fully closed, detours apply**
- **330pm to 5pm: Bridge open with Stop/Go traffic control**
- WHAT WILL THIS MEAN FOR YOU?

The bridge will be **fully closed between 9am and 3:30pm each day**. During the full closure, motorists will need to use one of the detour routes shown on the map below.

Please allow extra travel time and plan your journey before the full closure begins at 9am.

We expect to complete the work by 5pm on Friday 13 November, when the bridge will reopen to all traffic.

MANAGING OUR IMPACTS

UGLRL will minimise impacts on the community and environment by:

- providing respite periods where possible
- turning off machinery when it is not in use
- asking workers to keep noise to a minimum
- keeping the community informed about the bridge closure.

MORE INFORMATION

If you have questions about the work, detour routes or access during the bridge closure, please contact the UGLRL Communications Team:

WORKSITE LOCATION AND DETOURS

The blue dot on the map shows the worksite at Monkerai Road, Monkerai.

While the bridge is **fully closed between 9am and 330pm**, two detour routes will be available:

- **Red route:** a 57-kilometre detour via Monkerai Road, Bucketts Way and Stroud Hill Road, with an estimated travel time of one hour.
- **Purple route:** a 47-kilometre detour via Monkerai Road, Main Creek Road, Skimmings Gap Road, Wanget Road, Wanget Trig Road, Chichester Dam Road, Hooke Street and Stroud Hill Road, with an estimated travel time of 57 minutes.
