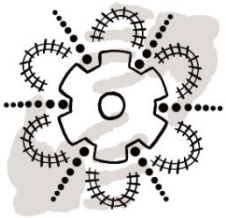
Track maintenance near Huntley Road, Huntley



Community Notification

November 2026

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

UGLRL will carry out maintenance work near Huntley Road, Huntley, in November 2026.

What work are we doing?

We will carryout track reconditioning, track renewal, rail installation, rail alignment and tamping to improve the safety and stability of the rail corridor.

Work includes but is not limited to:

- removing and replacing existing rail, sleepers and ballast
- installing new rail and track components
- aligning, levelling and tamping to the track
- Using heavy machinery including tampers, excavators and hi-rail vehicles
- Delivery and removal of materials, plant and equipment
- Site establishment and temporary access arrangements
- General maintenance and finishing work to ensure the track is fit for service.

When and where we'll be working

We will be working near Huntley Road, Huntley from Monday 9 November to Friday 4 December 2026.

Working hours are **7am** to **6pm Monday** to **Friday.**

A continuous shift from **11pm** on **Wednesday 25 November 2026** to **2am on Monday, 30 November 2026.**

Please refer to map over the page to see the location of the work.

What will this mean for you?

You may notice:

- increased numbers of workers and vehicles in the area
- noise from machinery and equipment during the day and night
- lighting towers operating at night in the rail corridor to safely illuminate the work site. Lighting will be directed towards the track and work areas.

Managing our impacts

UGLRL will take all reasonable and necessary steps to minimise community and environmental impacts during the work. This includes:

- fencing for safety and security
- reducing our noise as much as possible
- for night works there will be targeted lighting to minimise light spill and disturbance to nearby residents.
