Sutter Health

Sutter Health **Virtual Ground Rounds**

Evolving Strategies for Pectus Excavatum Management

Wednesday, June 10, 2026 12-1pm

Teimour Nasirov, M.D., MBA
Sutter Medical Group

Target Audience
All healthcare providers are welcome.

Learning Objectives
- Review current indications and developing surgical strategies for pediatric and adult pectus excavatum.
- Discuss differences between children and adults for evaluation, repair and operative considerations.
- Assess surgical techniques, including Nuss procedure modifications, to improve outcomes and recovery.
- Consider clinical outcomes and lessons to guide optimal patient selection and surgical planning.
