

Your growth drives our success.

WellSpan has learning
opportunities for every step
of your career journey.

Developing Your Skills

If you're already on your path toward healthcare, our programs combine experienced faculty, hands-on training and accredited curriculums to prepare you for a successful career.

- **Nursing Education:** Become a nurse in as little as two years through Jersey College's School of Nursing at WellSpan Health.
- **Nurse Extern Program:** Essential clinical hours and specialized training presents a real-world, hands-on approach for nursing students.
- **Medical and Dental Student Programs:** Clinical rotations, internships, externships and clerkships offer foundational experience in direct patient care.
- **Graduate Medical Education:** Residency and fellowship training to further hone your skills in specialized care.
- **APP Student Programs:** For nurses looking to take the next step as a nurse practitioner or physician assistant.
- **Job Shadowing:** See professionals in action in settings including laboratory, imaging, nursing and rehabilitation medicine.
- **Internships:** Unpaid internships not only enhance learning, but also count toward your earned credit hours.

Supporting the WellSpan Team

Whether you're on the front lines of healthcare at WellSpan or supporting behind the scenes, we're dedicated to providing the resources and opportunities you need to succeed and make a meaningful impact in our community.

As a WellSpan team member, you can take advantage of professional development programs and supports, including our New Leader Community, Leadership Academy, sessions for connection and peer learning, coursework, tuition support and forgivable loans, and access to our unique, WellSpan-exclusive training programs.

- **Medical Lab Scientist:** A 12-month program combining classroom and clinical learning.
- **Medical Assistant:** Tuition and books are covered in this 9.5-month program.
- **Phlebotomist:** Prepare for certification exams on this great entry point into healthcare.
- **Surgical Technologist:** Become a Certified Surgical Technologist in 7 months.

Nurturing the Next Generation

Want to test drive a healthcare career?
We've got you covered.

- **Job Shadowing:** Experience day-to-day operations in healthcare settings and explore potential career paths.
- **Volunteering:** Whatever your interests and talents, you can make a difference in the communities we serve.
