YOUR AAA MEMBERSHIP

It's important to have choices, so we created different levels of membership to fit your lifestyle. You can select the benefit level best suited to your personal needs.

All Memberships

The number of Emergency Roadside Service Service Calls you are entitled to depends on the type of membership you have. The following are considered Service Calls: towing calls (whether a tow is needed or not); bicycle calls; battery service calls; vehicle lockout service; tire change, emergency gas delivery and extrication service. Auto Glass service is not considered a Service Call. NOTE: Service Calls may not be transferred, rolled over, or used by an Associate Member on the membership. Each Member's calls are allocated to that Member only.

Membership Year: Your AAA membership is an annual membership. Paying your annual renewal dues extends your membership for another year. Paying your renewal dues after your current membership expiration date does not change the month and day of your renewal expiration.*

A seven (7) day Emergency Roadside Service waiting period applies to:

- 1 Nonmembers who purchase a Plus, Plus RV, Premier or Premier RV membership (Classic membership Emergency Roadside Service benefits can be received during the seven (7) day waiting period),*
- 2 Existing Members who upgrade to Plus, Plus RV, Premier or Premier RV membership (Members receive the Emergency Roadside Service benefits associated with their membership level prior to upgrading during the seven (7) day waiting period),*
- 3 Associate Members added to an existing Plus, Plus RV, Premier or Premier RV membership (Associate Members can receive Classic membership Emergency Roadside Service benefits during the seven (7) day waiting period),*
- 4 Plus, Plus RV, Premier and Premier RV memberships reinstated more than 60 days past membership expiration. (Classic membership Emergency Roadside Service benefits can be received during the seven (7) day waiting period).*

Classic Membership

Our Classic Membership provides the basic benefits that AAA Members have come to rely on. As both a driver and a passenger, you have 24/7 access to our renowned Emergency Roadside Service program: towing, lock-out service, out of fuel delivery, jump starts, and more.¹ And help for a breakdown isn't limited to the vehicle you are driving or riding in—AAA will provide Emergency Roadside Service for your bicycle, too. Each Member on the membership is entitled to four (4) Emergency Roadside Service calls per membership year. You also receive free identity theft monitoring when you enroll in ProtectMyID®. Take advantage of perks like digital AAA TripTiks® routes; United States, Canada, Mexico, and Caribbean maps, as well

as online mapping at AAAMaps.com; digital AAA TourBooks®; hotel and motel savings; and worldwide vacation planning and reservations.

Classic Motorcycle Coverage

Extend AAA Classic Emergency Roadside Service coverage for motorcycles by purchasing the additional Motorcycle rider.²

Plus Membership

In addition to all the benefits of Classic Membership, Plus Members get expanded towing coverage¹ up to 100 miles, free gas and delivery if you run out, and additional lockout service and extrication coverage. Each Member on the membership is entitled to four (4) Emergency Roadside Service calls per membership year. You'll also enjoy greater reimbursements, like Trip Interruption Expense Reimbursement, and more, making AAA Plus coverage ideal for those who spend more time behind the wheel. A seven (7) day Emergency Roadside Service waiting period applies to ALL Plus Membership upgrades.

Premier Membership

AAA Premier Membership offers a distinctively different membership experience, providing the most extensive coverage and personalized services available to AAA Members. You're afforded all of the benefits of Plus Membership and also receive exclusive roadside benefits: One 200 mile tow per household and Home Lockout services. Each Member on the membership is entitled to five (5) Emergency Roadside Service calls per membership year. Get exclusive free passport photos, 24-Hour Travel Assistance, Concierge Service, Travel Accident Insurance, Vehicle Return Coverage, and more.¹ A seven (7) day Emergency Roadside Service waiting period applies to ALL Premier Membership upgrades.

*See Terms and Conditions.

1 Restrictions Apply. See "Learn More" section for details.

2 Motorcycle & RV Coverage

AAA Plus RV and Premier RV Members in OK and SD with active status as of 9/16/17 have the RV coverage included at no extra charge for as long as they maintain their memberships. Additional RV coverage dues apply to OK and SD Members who join, rejoin, or upgrade to Plus RV or Premier RV membership after 9/16/17.

AAA Classic Members in OK and SD with active membership status as of 9/16/17 have motorcycle coverage included at no extra charge for as long as they maintain their memberships. Additional Motorcycle coverage dues apply for OK and SD Members who join or rejoin after 9/16/17.

YOUR AAA MEMBERSHIP

Your Premier Membership includes access to the best AAA has to offer—such as the convenience of a single toll-free number to call. Rather than dialing different numbers for different services, you only need to remember one to contact us: 888-222-9688. This special Premier Member Services toll-free number gives you single-point access to all AAA products and services, including Emergency Roadside Service, 24 hours a day, 7 days a week.

RV Coverage

Plus and Premier Members can add RV coverage for an additional cost to provide Emergency Roadside Service for motor homes, campers, motorcycles, and boat trailers.

Associate Membership

Make sure all drivers in your household—spouse, teen drivers, children away at college or in the military—enjoy the same benefits that you do. Add them as Associate Members and gain peace of mind knowing they have AAA coverage, too. Associate Members are persons residing in the same household as the Primary Member and dependent children away at school shall be eligible to become Associate Members. Associate Members must be of legal driving age whether licensed or not. The Associate Membership is valid only so long as the person remains a resident of the household of the Primary Member. Associate Members shall be entitled to all membership services offered by the Club.

Note: Members on a single membership cannot carry different levels of coverage (i.e. if Primary Member is a Classic Member then all Members on that Membership must be Classic Members.)

AUTOMOTIVE

For over 100 years, we've been the name that millions of Members trust with the vehicles they rely on. Wherever you are on the road of life—nobody understands driving and drivers better than AAA.

EMERGENCY ROADSIDE SERVICE

YOUR AUTO CLUB MEMBERSHIP CARD IS YOUR KEY TO SERVICE

To receive Emergency Roadside Service, you must present your membership card to the service provider upon arrival. A driver's license or other form of matching photo identification also will be required.

Service is available only to the person named on the membership card, who is the driver of or a passenger in the vehicle at the time of the covered breakdown. Memberships

are not transferable and membership service is not provided to nonmembers. Members cannot transfer or sell their membership or any service call to any other person. Other Members of your household who want Emergency Roadside Service must have their own membership cards, in their own names, to obtain service.

Unless a valid membership card and photo identification are presented at the time of service, you will be expected to pay for the covered service provided at commercial rates.

Emergency Roadside Services

AAA membership is a motorist's trusted ally. It covers you whether you're the driver or passenger in a car. To get Emergency Roadside Service, you need to be with the vehicle at the time of breakdown and service. When the AAA representative arrives you will need to show us your AAA membership card and your driver's license or government-approved ID. Your membership benefits, like Emergency Roadside Service, cannot be used by any other person.

AAA offers a comprehensive suite of emergency roadside benefits available 24 hours a day, 7 days a week, 365 days a year.¹ When you're on the go, we can help you with jump starts and battery service, tire changes, emergency gas delivery, lockout service, mechanical first aid, and towing. And in most cases, we'll get you back on the road.

Towing

You never know when you'll need help—until you need it. Just give us a call or use the AAA Mobile® app and we'll be there. One of our professional, courteous drivers will come to your aid and tow you to the destination of your choice.*

Mobile Battery Service*

Whether you're on the road or you never got out of your driveway, AAA will come to you. We'll diagnose and attempt to jump-start your dead battery, or provide towing service to your destination of choice.

If diagnostics show your battery has failed, we can offer a replacement on the spot. Our expert technicians will perform a convenient, no-cost diagnostic test and evaluation of your

battery at the scene, and install your new battery at your request.** Battery service is not available in all areas and is not a 24-hour service. See "Learn More" section for more information.

**High-quality batteries are available for purchase at exclusive Member-only prices and include a [3-year free limited*](#) replacement nationwide warranty. Difficult battery installations may incur additional service charges.

NOTICE REGARDING BATTERY CALLS: Since battery testing and replacement is considered to be a service call, if you have exceeded the number of service calls allotted for your membership level, charges incurred for the service call are considered as being applicable to the battery service call. (The charge for the non-covered service call excludes the price of any battery replacement, if applicable).

Fuel Delivery

AAA will bring you enough gas to get you to the closest open service station.*

Lockout Service*

We've all been there. Locked out. Miles from home. Call AAA and we'll send someone to get you back in the driver's seat and on your way.

Extrication

Sometimes life gives you lemons. And sometimes life leaves you stuck in a ditch. So when you're stuck, call AAA. We'll dispatch a service truck and driver to get you on your way again ASAP.

* Restrictions apply. See "Learn More" section for details.

AUTO COVERAGE

We make getting on the road much easier, from finding the vehicle that fits your needs to finding the loan that's right for you.

Auto Buying

Our hassle-free Auto Buying Service features competitive Member prices for most new and used vehicles at participating dealers. And we've already done the negotiating for you. All you have to do is select the vehicle you want. Get the discounted price you'll pay at the dealership online.

You can also research current price information for new and used cars at AAA.com/AutoBuying

Vehicle Protection Plan

Once your car is out of warranty, repairs can be costly. AAA's Vehicle Protection Plan is an extended auto warranty program that covers mechanical problems and repairs, saving you money in the event of breakdown or failure.

DRIVER TOOLS

We're here to help you enjoy the journey—and arrive at your destination safely.

TripTik

Need directions? Call or visit a AAA Store for a TripTik® or maps. Download the AAA TripTik® app for your smartphone, or go to AAA.com and use our TripTik Travel Planner. You can even check construction spots and driving regulations.

Driver Education & Training

We offer a variety of driver training solutions that promote safe and responsible driving. We've carefully developed training courses for new drivers, those with decades of experience, and everyone in between. So whether you're new behind the wheel or getting a new car, AAA can teach you all you need to know to stay safe on the road.

REPAIR & MAINTENANCE

The best way to avoid mechanical problems is to prevent them. Our AAA car care and Approved Auto Repair facilities are conveniently located near you.

Car Care Centers

AAA owned and operated car care centers help you get in and get back on the road as quickly and safely as possible. Our ASE-certified technicians use state-of-the-art tools and equipment to perform diagnostics, routine maintenance and repairs, inspections and registration renewals (at select locations), and unscheduled repairs. AAA Members can also take advantage of weekly offers on tires, fluids, and more, and save 10% on labor repair charges. Our car care centers also offer travel planning, insurance, digital AAA TourBooks®, maps, and savings on attraction and movie ticket sales.

Approved Auto Repair Shops

We have nearly 7,000 AAA-affiliated Auto Repair shops across North America that offer services you can trust—quality repairs and maintenance to keep your car on the road. Members can receive a 10% discount on repair labor.¹

For vehicle repair advice, Approved Auto Repair specialists are available to speak to Members during normal business hours. Member calls received "after hours" will be returned by an Approved Auto Repair specialist the next business day.

¹ May be subject to a cap; ask the Approved Auto Repair shop for details.

PREMIER MEMBERSHIP AUTOMOTIVE BENEFITS

On-your-way Service

Premier Members are entitled to reimbursement up to \$55 for alternative transportation (e.g., taxi cab, ride share services) or one (1) free rental day on a Hertz car rental¹ (up to a full size) per Member per year if your car is towed by AAA and cannot be repaired in the same day.

1 If Premier Members arrange for alternative transportation on their own, or choose to use public transportation, they can receive reimbursement as long as AAA provided the tow.

Premier Members can be reimbursed for alternative transportation expenses, as long as they have not exceeded their five service calls per Member during a membership year.

To receive reimbursement, Premier Members must submit a reimbursement form with the original receipt for the alternative transportation. Forms are available at AAA offices, online, or by mail from Premier Member Services (call Premier Member Services: 888-222-9688).

All Hertz/AAA Program discounts, rates and benefits apply to this rental. This benefit applies to the rental of a compact through full-size vehicle at participating Hertz locations in the U.S., Canada, and Puerto Rico, subject to availability. Standard rental/qualifications regarding age, driver, credit qualifications, and daily rate requirements apply. The car must be returned to the location of rental. Taxes, fees, optional service charges (i.e., refueling) are not subject to discount and are the responsibility of the renter. This benefit may not be used with tour rates or insurance replacement rates.

Premier Towing & Service Calls

Premier Members can get one free tow up to 200 miles per household per membership year. In addition to the one 200-mile per household tow, each Premier Member is entitled to four (4) service calls towing up to 100-miles per membership year (up to five service calls per Member per membership year²). Those five service calls could be five 100-mile tows. With any Premier membership tow, AAA will cover all tolls to and from the tow destination.

2 All Emergency Roadside Service benefits apply to your existing covered vehicles. All other Emergency Roadside Service benefits under Premier membership can apply to recreational vehicles and motorcycles provided the Member also has Plus RV membership.

If any Service Calls, or the 200-mile tow, are not used during a membership year, they cannot be accumulated and carried over to the next membership year. For any towing miles in excess of 100 or 200 miles, as the case may be, Members will pay for the excess mileage based on current AAA towing rates per mile. Members can “save” their 200-mile tow at any time during a membership year by paying the current AAA towing rates per mile on tows over 100 miles.

Premier Battery Replacement Benefit

Premier Members with the Battery Replacement benefit are eligible for a AAA Battery replacement at no cost to the Member, limited to one (1) battery per household per membership year, if a AAA Mobile Battery Service test during a roadside service call indicates a replacement is needed.³

3 There is an initial seven (7) day waiting period associated with the Premier Battery Replacement benefit. This includes existing Members who upgrade from Classic and Plus membership to Premier membership with Battery Replacement Benefit and Premier Members who add the Battery Replacement Benefit to their membership. The Battery Replacement Benefit is limited to one (1) battery per household per membership year if a AAA Mobile Battery Service test during a roadside service call indicates a replacement is needed.

NOTE REGARDING BATTERY CALLS: Since battery testing is considered to be a service call, a Member exceeding their allotment of service calls will incur a charge for battery testing by virtue of the excess service call fee being applied.

The service technician deployed, in coordination with AAA, shall have sole discretion as to whether a replacement battery is necessary. In rare instances, some vehicle models may incur a charge for installation if battery installation is considered to be a “difficult install”—for example, this includes, but is not limited to, certain makes/models where the battery is located in the fender or is otherwise not readily accessible. Difficult install charges are not covered by your membership. Battery components, such as cables, are not included in the price. If cables or components other than the battery itself need to be repaired/replaced, additional charges may apply. Mobile Battery Service is available from 6 a.m. to 11 p.m. in most areas. Stock is limited to conventional lead-acid batteries and Absorbent Glass Mat (AGM), with coverage available for most vehicles. Batteries for hybrid vehicles are limited to select makes/models. VEHICLES WHICH ARE NOT REGULARLY DRIVEN MUST HAVE THE BATTERY MAINTAINED ON A BATTERY TENDER OR TRICKLE CHARGER TO KEEP THE BATTERY FROM DISCHARGING.

In some instances, where the original equipment is not available, a similar alternate battery may be offered in substitution. Should service or a substitution not be available, you may submit your request for reimbursement consideration up to \$125. You must make every effort to contact AAA to request battery replacement service through AAA Emergency Roadside Service prior to proceeding with a replacement on your own. AAA reserves the right to decline reimbursement if proper process is not followed. Reimbursement requests must be submitted with the original receipt within 60 days of battery replacement. Does not apply to RV, motorcycle, or other specialty batteries.

This benefit is applicable to Premier Members who joined or upgraded after 9/16/17. Premier Members who joined or upgraded prior to 9/16/17 can call 888-222-9688 to confirm their membership includes this benefit.

PREMIER MEMBERSHIP AUTOMOTIVE BENEFITS

Free Battery Replacement benefit does not apply to RV coverage.

Effective August 1, 2021, AGM (Absorbent Glass Mat) are covered for Premier Members with the Battery Replacement Benefit rider. All applicable Battery Replacement Benefit guidelines remain in effect. If the AGM battery is not available on the battery truck or battery service is not available in the Member's service area, Premier Members with the Battery Replacement Benefit will be eligible to be reimbursed up to \$200 by submitting a reimbursement form to Member Relations. Reimbursement may be less in cases where the Member did not call us for battery service and purchased an AGM battery on their own. (Lead acid battery reimbursement of up to \$125 will remain the same). Proof of a failed battery test along with a purchase receipt is needed for all battery reimbursements.

Effective January 4, 2022, the Premier Battery Replacement benefit will not be available to nonmembers when they join AAA.

Effective at renewal beginning June 1, 2026, the Premier Battery Replacement benefit will no longer be available. Existing customers will receive a renewal offer at the Premier membership level and the Battery Replacement Benefit dues will not be included in the dues charged.

Rescue Consultants Service

When a Premier Member's vehicle is broken down, AAA representatives will be available via the Premier Member Services toll-free number to provide repair advice, arrange alternative transportation, assist in contacting family members, and help locate nearby ATMs, restaurants, and lodging, if necessary.

Emergency Home Lockout Service

In addition to vehicle lockout service, Premier Members who accidentally lock themselves out of their home (or lose or have their house keys stolen) can now contact AAA. We'll advise you of locksmith availability.* You can be reimbursed up to \$150 for the expense of having a locksmith help you gain entry into your home.⁴

**Emergency home lockout service is a contracted service not performed by AAA and is subject to limitations.*

Effective January 4, 2022, the Premier Battery Replacement benefit will not be available to nonmembers when they join AAA.

⁴ *Members can be reimbursed for one (1) home lockout service call per membership year per membership household. This service, however, only applies to a Member's primary residence.*

AAA will reimburse the Member up to \$150 for the locksmith's Service Call fee. To be eligible for reimbursement, the Member must first place a Service Call to AAA, even if the Member contacts a locksmith directly.

Home lockout service does not count as one of the five Emergency Roadside Service Service Calls Premier Members are allowed each membership year.

Costs to replace locks, including parts and labor, are not covered.

Privacy Policy: [Our Privacy Policy](#), governs the processing of all personal data collected from you in connection with your purchase of products or services through AAA Club Alliance Inc. including but not limited to your use of AAA Club Alliance Inc.'s website and the Digital Membership.

Membership

- 1. Membership Dues:** AAA records memberships on a monthly basis. For example, if a Member joins on January 3, the membership will not expire until February 1st of the following year.
- 2. Join Offer Details:** Do not apply to current members and are not available in all markets. Standard rates apply for Membership dues upon renewal.
- 3. Membership Renewal:** When a membership is renewed within 59 days of the membership expiration, the original membership join date and expiration date are unchanged and the Member's years of membership tenure continue to accrue. Note also that annual membership dues will be due one year from the original expiration date, which will be less than twelve months from the late payment date. When a membership is renewed 60 days or more following the expiration date, those Members will receive a new join date, a new annual expiration date and any accrued membership tenure will be lost. All renewal bills and membership renewal communications will be sent to the Primary Member.
- 4. Automatic Renewal:** Automatic Renewal gives you peace of mind knowing you won't have any lapse in your coverage—because you never know when you'll need us. We will notify you in advance when and the amount of dues we will charge your card. To sign up for Automatic Renewal, you must provide a valid bank account for ACH, Paypal/Venmo information, credit or debit card number; Visa, MasterCard, American Express, or Discover; and the card expiration date. AAA will automatically charge your annual membership fee for your authorized payment method approximately 35 days prior to your membership renewal date each year. You may cancel this arrangement at any time online, with a letter or by phone call to AAA. All Automatic Renewal enrollment requests must be made at least five (5) business days prior to the date of your scheduled membership dues charge. Requests made less than five (5) business days prior to your scheduled membership dues charge may not be honored for that renewal period, but will be honored for all future renewals.

To update your payment options, you may sign in to MyAAA, go to the top left and click/tap your name, and select "Billing" from the dropdown menu, or visit a retail location or call the number listed below. AAA reserves the right to recharge your authorized payment method each day for up to 7 consecutive business days after the initial attempt. Recharge efforts will only be attempted if the authority

to recharge is not withdrawn, your initial payment is declined for any reason, and your membership remains unpaid. AAA is not responsible for any overdraft fees that may occur as a result of these attempted charges.

- 5. Enrollment Fee:** AAA may charge a non-refundable Enrollment Fee for joining the Club.
- 6. Membership Policy within first 7 days of New Membership if no ERS service has been used:** There is a limited Membership refund policy. If, at any time during the first seven days of your new membership including any upgrades and added Associate Members, you decide AAA isn't right for you and you have not used ERS service, simply cancel. We'll refund the unused portion of your paid membership dues. No other refunds will be granted. Membership Refund Policy for Renewing Memberships and New Memberships after first 7 days of Membership dues payments including renewals, upgrades, and added Associate Members will not be refunded once applied to your membership; however, your membership will remain in force until it expires. Overpayments will be applied to your next membership renewal or on a request basis will be 100% refunded. Visit [AAA.com/Refund](#) for more information.
- 7. Digital Membership:** These terms and conditions ("Terms") apply to the purchase of a Digital Membership with AAA Club Alliance Inc. These Terms are subject to change by AAA Club Alliance Inc. Service may be suspended or denied if Member makes verbal or physical threats, whether in person or virtually, or frivolous litigation.

4.5. Payment: AAA Service Providers will accept cash, personal check, electronic ACH, or debit/credit card payment of additional fees and services.
