Are you planning a Ruby Bridges Walk to School Day?

RUBY BRIDGES WALK TO SCHOOL DAY
in proud partnership with AAA

November 14 is Ruby Bridges Walk to School Day, a movement started by a class of AAA School Safety Patrollers after learning about Ruby's brave, history-making walk to school in 1960. This student-led initiative empowers children to make positive changes by encouraging them to come together-to listen, learn, and ultimately, champion one another.
