

Enjoy Hot Cocoa

After playing outside in the cold, it is always nice to come inside and enjoy a warm cup of hot cocoa, best with marshmallows, and if you like, add a candy cane!

Make Flavored Snow Ice

Gather up clean snow and top it with flavored syrups. x Keekee's favorite is to top snow with maple syrup! Have an adult help make home made syrups with simple syrup and powdered drink mix.

Fun things to do when it is snowy outside.

Stay Inside

Sometimes, it is too snowy and cold, and the best thing to do is stay inside, watch the snow fall, color, or enjoy reading a book!

Lie down in the snow and wave your arms and legs on the snow. Get up and see your outline looks like an angel.

Make Snow Angels

Build a Snowman

Keekee loves making a snow-man, a snow-woman, or a snow-cat! Have fun, and be creative.

Go Somewhere Warm

If your family decides they have had enough of the cold, there are plenty of warm places around the world where you can enjoy fun in the warm sun.

Go Ice Skating
