The Chronic Disease Management Programme (CDMP) covers:

- Allergic Rhinitis
- Anxiety[^]
- Asthma
- Benign Prostatic Hyperplasia
- Bipolar Disorder[^]
- Chronic Hepatitis B
- Chronic Obstructive Pulmonary Disease
- Dementia
- Diabetes Mellitus (DM) (including Pre-Diabetes)
- Epilepsy
- Gout
- Hypertension (High Blood Pressure)
- Ischaemic Heart Disease
- Lipid Disorders (e.g. High Cholesterol)
- Major Depression[^]
- Nephritis / Nephrosis (Chronic Kidney Disease)
- Osteoarthritis
- Osteoporosis
- Parkinson's Disease
- Psoriasis
- Rheumatoid Arthritis
- Schizophrenia[^]
- Stroke

Singapore Citizens who are on ComCare Long Term Assistance (LTA), previously known as Public Assistance (PA), will receive full subsidies for the treatment of conditions covered under CHAS.

To note:

- * "Simple" refers to visits for a single chronic condition. "Complex" refers to visits for multiple chronic conditions, or a single chronic condition with complication(s).
- [^] CHAS subsidies for these conditions are only available at CDMP+ accredited clinics when seen by GPs who are onboarded the Mental Health General Practitioner Partnership Programme (MHGPP).

Caps on claims for cardholders:

- Cap of either **1 Acute OR 1 Chronic** claim per day (per patient; per clinic)
- Acute conditions - capped at 4 visits per month (per patient; per clinic). **Annual cap of 24 visits per patient per calendar year, across all CHAS clinics.** Appeals for the claim(s) can be made for patients requiring more visits via the claims portal.
- Chronic conditions - capped at 4 visits per month (per patient; per clinic). Claim is subjected to patient's annual subsidy limit on a calendar year basis.
- CHAS visit caps and claims guidelines are also applicable to ComCare LTA recipients.

Healthier SG Screening¹

To encourage Singaporeans and Permanent Residents (PRs) to go for regular screening and follow-up.

Workflow

1. Fix Appointment

- Verify patient's screening and subsidy eligibility on system
- Provide patient with screening instruction
- Remind patient to bring identification card on appointment day

2. Registration

- Verify patient's screening eligibility on system upon registration in the event screening eligibility changes
- Complete the registration form² for Healthier SG Screening and obtain patient's consent

3. During Screening

- Perform screening tests and dispatch specimens together with completed registration form² to HPB-appointed labs
- For colorectal cancer screening tests, encourage patients to return their FIT kit samples within 2 weeks of initial screening visit date
- Collect payment and submit claim for screening

4. Result Notification

- Lab will send two copies of screening results to clinic
- Clinic to retain one copy and give the other copy to patient

5. Follow-up

(Face-to-Face Consult/Tele-Consult)

- Co-payment amount includes all eligible tests within the same screening visit, screening visit consultation, repeat screening test(s) (if required) and one follow-up consultation
- To submit the follow-up claim only after the necessary repeat screening is completed
- Follow-up consult should be conducted promptly after last screening date

Payment

	Screening Visit	Follow-up Visit
	Cardiovascular Risk Screening Test	Colorectal Cancer Screening Test
	Cervical Cancer Screening Test	
Singapore Citizens	: \$0 : \$2 : \$2 : \$2 : \$5 Co-payment to be collected at Initial Screening Visit(s) only	No payment required
Permanent Residents	For PRs who meet the screening criteria, they can tap on HPB's standardised screening test rates. GPs should inform eligible PRs on the screening test rates offered, and prevailing doctor consultation charges before proceeding with screening.	Screening Consultation: As per GP's rates
	Face-to-Face Consultation	Doctor-led Tele-consultation
