

Vizamyl Reader Training

To access the self-directed Vizamyl Reader Training website, please:

1. Go to <https://www.readvizamyl.com/>
2. Select the country (in this case, United States)
3. When accessing the website for the first time, select “Enroll”
4. During enrollment, fill in your personal information and select a password
5. After enrolling, you can return to the training at any time by selecting “Log In” and entering the email address and password previously defined

If you have previously enrolled and forgotten your password, you can reset it on the “Log In” page.

Technical requirements:

- Working Internet connection
- A browser (IE9 or later, Safari, Chrome, Firefox)
- Screen resolution of at least 1024x768 (this would include most tablets)
- JavaScript enabled
- If you run the website behind a firewall and experience problems, please contact your Network Administrator

In case of any issues or questions, users can now contact us directly at us.vizamyl@ge.com

Neuraceq Reader Training

Below are the instructions on how you can access the Neuraceq Reader training program. Please take the following steps:

1. Email reader.training@life-mi.com to receive an access code that is needed for your registration. You will receive the code within 24 hours.
2. To register for the course:
 - Go to <http://www.neuraceqreadertraining.com>
 - Click on the “Register” button .
 - Complete the requested information.
3. To access the training modules:
 - Once registered, you are taken to the welcome page.
 - Hit the “Play” button for the e-learning course entitled “**ONLINE - NeuraCeq™ Training Modules [US] Open (Video Version)**”.
 - You will see seven Training Modules. Please view each training module by clicking on it.
4. Accessing Neuraceq™ Reader Training Assessment
 - Once you’ve review all seven training modules, the final assessment will be available for you to take.
 - You must pass the final assessment with an 80% or greater. You have 3 attempts to pass the final assessment.
 - Once you pass the final assessment you will be able to download the Reader Training certificate documenting that you passed your Neuraceq Reader Training Course.”

If you have any questions please email Barbara Grabher at: b.grabher@life-mi.com
