Important Reminders:

- Keep this piece of paper in a safe place for the future.
- Ask your memory care staff to help you set a reminder on your phone for your PET scan.
- After you get your PET scan, you will get your New IDEAS saliva kit in the mail.
 - You will give one saliva sample at home and mail it back to the study.
 - Step by step instructions are provided within the kit.
- If you signed up for the optional blood draw:
 - After you get your PET scan, you will get your New IDEAS saliva and blood draw kit in the mail at the same time.
 - You will give one saliva sample at home and mail it back to the study.
 - You will schedule an appointment at your local Quest Lab and get your blood drawn.
 - Step by step instructions are provided within the kit.
- Have questions about the New IDEAS Study? Talk with your memory care doctor.

Need assistance with the saliva kit or blood kit?
