

# MRI STREET CLOTHES SAFETY NOTICE

**Do you know why it is important to change out of your street clothes?**

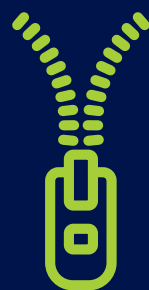

**The MR machine is a powerful magnet.**

Metal in your pockets or used to make your clothes, although not apparent, can cause **serious injury** or **burn**.

**For your safety:**

**Change out of  
street clothes**

**Remove all metal  
objects**

**Avoid athletic  
wear clothes or  
undergarments**

**Follow all staff  
instructions**

**If unsure, ASK  
the MR staff before  
entering the room**

**American College  
of Radiology™**
