Instructions to host game:

Please note a max of 40 players. If playing with a large audience, please have players team up.

1. Connect laptop to a projector/tv/screen.
2. Log in to link above.
3. Click on "Host Live."
4. Choose "Classic" for individual players or "Team mode" for teams.
5. A game pin will pop up, instruct players to input pin into www.kahoot.it or with the Kahoot! app.
6. Allow players/teams to choose their names.
7. Click "Start" to begin game.
