

PROGRAM UPDATES AND NEWS

MORE WAYS TO USE YOUR BDF

In addition to redeeming your Business Development Funds on Andersen Gear and marketing programs in the MSC, you can now use your funds on:

- Andersen displays and samples
- Home show booth fees
- Installation Master's Certification Course fees
- Insurance fees up to \$350

Easily submit your claims in the Marketing Services Center and get reimbursed at 100% directly into your bank account. Click here to review the [BDF guidelines](#).

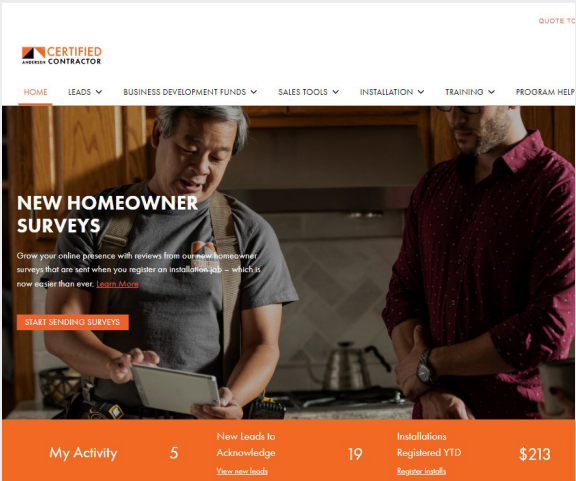

Get started with this [How-To Guide](#).

UPDATES TO MYANDERSEN

Get faster access to the tools and resources that matter to you most with:

- Updated [metrics bar](#) for quick access to new leads, register installations and submit invoices.
- Easier access to BDF, including dedicated pages to [Earn](#) and [Redeem](#).
- Enhanced [sales tools](#) to support you with your in-home selling process.

[Take a tour](#) of the refreshed MyAndersen.

NEW TRAINING MODULES AVAILABLE

Stay informed on the latest [Building Science](#) information with these newly released courses in MyAndersen:

- **Energy Efficiency** – find out how components of a home come together to form an integrated, energy efficient system.
- **Sound Abatement** – identify various types of noise pollution in a home, common noise sources and materials to help control sound.
- **Water Management** – learn how water drains from a home and materials to help avoid disasters.

Plus, [Spanish translated courses](#) are now available in the Installation catalog with additional translated courses coming soon.

ANDERSEN TO LEAD NARI WEBINAR

Andersen is proud to be an industry partner of NARI and hope you can join us for a special webinar on April 20, 2022.

At this webinar, Andersen experts will share best practices on how to prepare for a window replacement installation, common errors in installation and how to avoid them.
