

# 2026 What's Trending

**NEW!** Renewal by Andersen's Ensemble® Entry Doors 2026 Trends Collection offers unique doors for your home, style, and life. Inspired by current trends, each door is made to elevate your entryway while withstanding whatever life (or the weather) throws your way. Customize colors, glass, and hardware to match your style. Whether you prefer classic or modern, bold or timeless, this collection was created to make a striking first impression.

## VICTORIAN

ECLECTIC | DECORATIVE | WHIMSICAL

A playful mix of panel design and art glass paired with a classic Cherry Mahogany finish creates a bold, **character-rich** entry for homeowners who embrace **eclectic charm**.

## MODERN

MINIMALIST | SLEEK | ASYMMETRICAL

A sleek panel and clear-glass sidelight create a bright, modern entry that conveys **sophisticated minimalism** while still feeling **welcoming and refined**.

## FRENCH COUNTRY

WELCOMING | TIMELESS | PROVENÇAL

A soft Canvas-color finish and generous glass **bring warmth and light**, balanced by bold black accents for a **cozy yet polished** cottage-inspired entry.

## RANCH

INVITING | WARM | ACCESSIBLE

Dual sidelights and classic grilles invite natural light inside, while warm bronze accents create an **easygoing, welcoming entry** rooted in tradition.

## MODERN NATURE

ZEN | EARTHY | JAPANDI

A Forest Green finish and waterfall-inspired glass blend Scandinavian design with Japanese aesthetics for an entry **inspired by nature's beauty**.
