

Connecting products to markets, growing communities

FMCG & RETAIL

AN INTEGRATED LOGISTICS CHAIN

From importation to shelf placement, AGL supports fast-moving consumer goods and retail players with a comprehensive range of integrated logistics services, delivering efficient and cost-effective solutions. Through tailored and innovative approaches, we turn complexity into performance and strengthen our clients' competitiveness, enabling them to focus with confidence on growth and consumer satisfaction.

OUR VALUE PROPOSITION

AGL designs and deploys logistics solutions that ensure quality, cost control, and on-time delivery, while adapting to the specific needs of each player in the FMCG sector:

Home care & household products

Food & beverages

Beauty, fashion & luxury goods

DIY, home & office supplies

Home appliances & electrical equipment

By ensuring the efficient distribution of essential products, AGL supports local retailers, improves consumer access to goods, and contributes to a sustainable logistics ecosystem - driving economic growth across Africa.

UNDERSTANDING YOUR LOGISTICS CHALLENGES

The African retail market is growing rapidly, driven by urbanization and a connected middle class. This dynamic demands agile logistics to manage fragmented supply chains, limited infrastructure, and last-mile challenges.

Handling fresh products, securing supply flows, ensuring customs compliance, and adapting to local regulations require flexible, sustainable, and digitalized solutions to effectively support the growth of commerce across the continent.

A COMPREHENSIVE LOGISTICS APPROACH

TRANSPORT & DISTRIBUTION

- Multimodal Transport: Air, Sea, Rail, Road (FCL, LCL, Charter)
- Refrigerated Containers: ISO kits, Envirotainers, etc.
- Specialized Packaging: Flexitanks, dry ice, carbohydrate-based solutions
- Order and Supplier Management
- Last-Mile Logistics reaching even the most remote areas

WAREHOUSING & VALUE-ADDED SERVICES

- Advanced Storage and Distribution Platforms
- Storage Solutions: ambient, refrigerated, or frozen
- Inventory Management
- Value-Added Services:
 - Labeling, relabeling, repackaging
 - Co-packing, assembly
 - Collection and loading
 - Returns logistics

QUALITY & COMPLIANCE

- Quality Controls: visual inspections, quantitative checks
- Compliance & Customs Procedures
- Dynamic Supply Chain Traceability & Alert Management
- Performance Metrics Analysis

THE KEYS TO AN AGILE SUPPLY CHAIN

Our solutions for the consumer goods and retail industry are built on:

High-performance storage and distribution platforms to shorten transit times.

Regional hubs located near strategic ports and airports.

A dedicated fleet for cross-border transport and last-mile delivery.

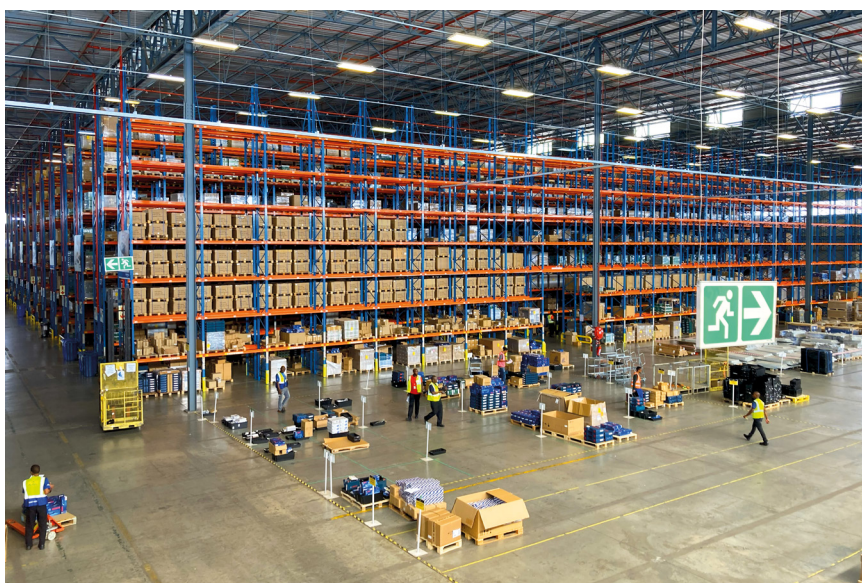

Strong partnerships with leading airlines and shipping lines.

A network of hygiene and safety experts ensuring operational excellence.

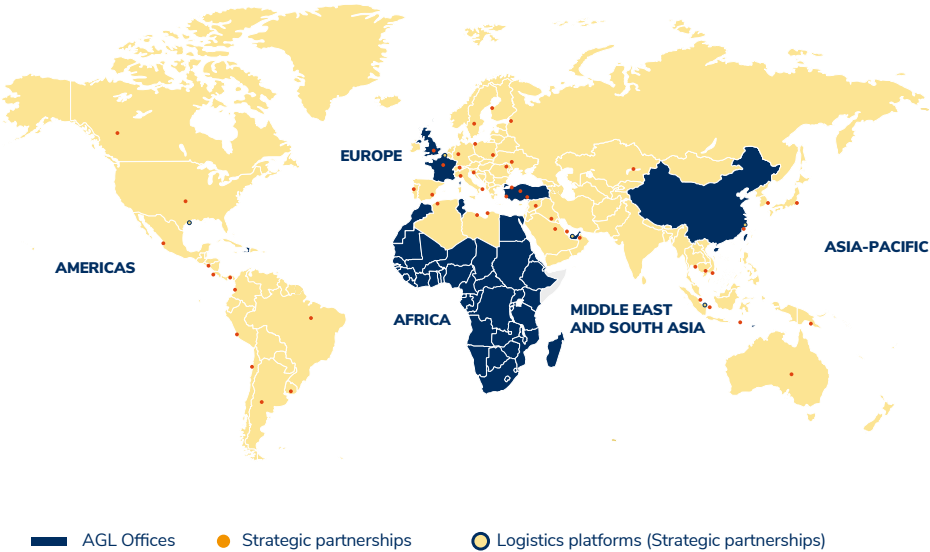

The  **Live** platform that centralizes flow monitoring, manages the cold chain, and ensures full traceability through IoT solutions.

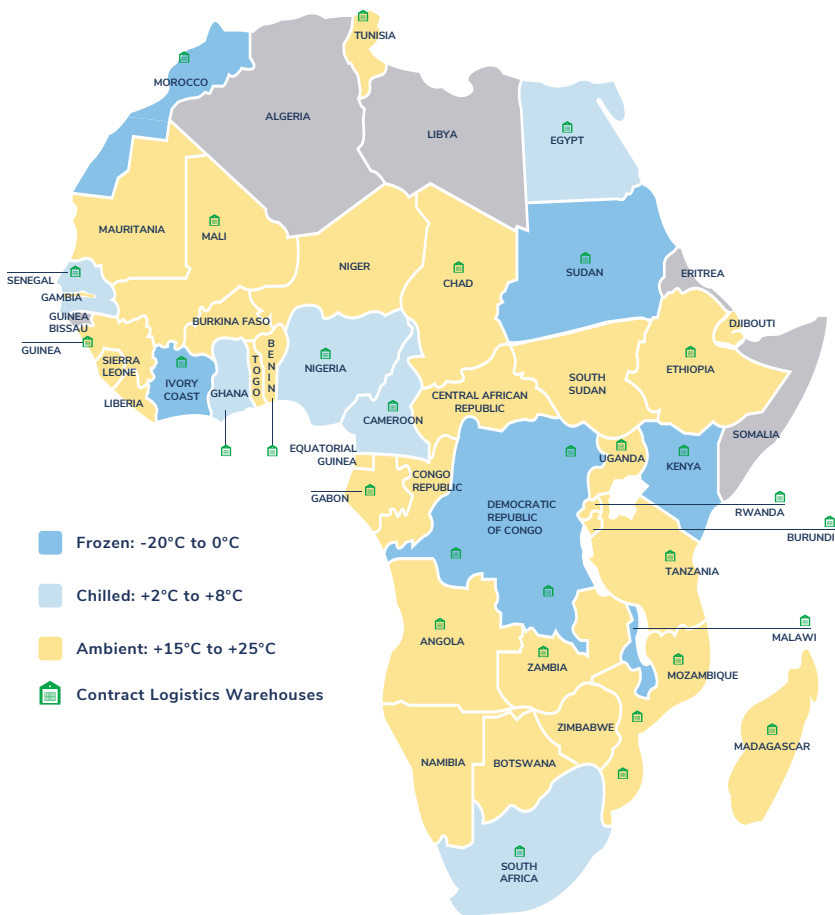

OUR NETWORK

International logistics network

To conduct its logistics operations, Africa Global Logistics relies on a network of interconnected hubs across the continent and beyond.
