## General questions

---

**Q: I appreciate the possibility to participate online at the Hybrid Meeting, I wonder how ASML ensures that online participation will be without issues?**

A: The application ASML uses is relatively new, at least in the Netherlands. In other countries, such as the United States of America and United Kingdom, hybrid shareholder meetings, are more common. ASML offers the application to shareholders through third parties that have gathered experience with organizing hybrid and virtual shareholders' meetings outside the Netherlands. But even though ASML has given its best efforts to ensure that shareholders are offered a best-in-market service, it cannot guarantee that shareholders may experience issues that are common to any first generation innovative application.

**Q: Is the Hybrid Meeting the first step that ASML takes in moving towards a virtual-only shareholders' meeting?**

A: Dutch law still prescribes that a physical shareholders' meeting must be held. As long as this rule has not been changed, ASML will not switch to virtual-only shareholders' meetings. One should be aware, however, that times are changing quickly these days and the development of online tools is an ongoing process.

## general questions

---

**Q: Will all upcoming shareholders' meetings of ASML be in hybrid of virtual form, i.e. open for online and in-person participation?**

A: ASML may decide, at its own discretion, for each shareholders' meeting separately whether the possibility of online participation will be provided next to in-person access.

**Q: Why should I choose for online participation when I can grant a proxy voting instruction as I did before?**

A: When you participate online, you will be able to take into account the deliberations (just before and) at the general meeting before you decide how to vote. If you grant a proxy voting instruction your vote has, in fact, been made before the meeting takes place and you will only be able to change your voting instruction until Close of Registration, Friday 22 April 2022, at 17:30 CET.

**Q: What will be done with all my personal data which I am asked to provide when opting for online participation?**

A: ABN ARMO will process your personal data and adheres to its GDPR policy, which can be found on [www.abnamro.com/en/footer/privacy-statement.html](http://www.abnamro.com/en/footer/privacy-statement.html)

**Q: Are there any rules and conditions set by ASML that apply to the Hybrid Meeting?**

A: Yes, we refer to the Terms and Conditions Hybrid General Meetings of ASML Holding N.V. which can be found on [www.asml.com/agm2022](http://www.asml.com/agm2022). If you participate online, you should have read this policy.

## general questions

---

**Q: I don't have a smartphone, tablet or pc. Will I be able to participate the Hybrid meeting?**

A: Unfortunately, in that case the shareholder can't join the AGM virtually. If you are registered for the meeting, you can always attend the Hybrid Meeting in person.

**Q: My internet connection isn't working properly. Will I be able to participate the Hybrid meeting?**

A: You will need a working internet connection during the meeting. On your phone you can also use a mobile (3G/4G) signal if available, or use WiFi.

**Q: My battery is almost empty. What do I do?**

A: The shareholder is responsible for a properly functioning and charged device.

**Q: What are the terms of use?**

A: You can find the Terms and Conditions Hybrid General Meeting of ASML Holding N.V. on [www.asml.com/agm2022](http://www.asml.com/agm2022). If you participate online, you should have read this policy.

## general questions

---

**Q: How do I know this is a safe way to vote?**

A: The website and portal provided through [www.abnamro.com/evoting](http://www.abnamro.com/evoting) has been thoroughly tested by various parties.

**Q: Which device should I use to participate online at the Hybrid Meeting?**

A: You can participate at the Hybrid Meeting with any device that has a working internet connection and successfully logged in to the virtual environment via [www.abnamro.com/evoting](http://www.abnamro.com/evoting). Please make sure to have installed the latest version of your internet browser, Chrome, Firefox, Internet Explorer 11 and 10, Edge and Safari.

## general questions

---

**Q:** The device that I will use for online participation has a camera installed: will, or can, I be made visible in the Hybrid Meeting to other participants or anyone else?

**A:** No, that will not be the case.

**Q:** When I participate online, will other shareholders be informed that I am participating or do they have the possibility to know that?

**A:** No. You will be registered on the registration list of all shareholders attending the Hybrid Meeting in accordance with the provisions of ASML's articles of association. A participating shareholder may request the Chairperson to see the attendance list of the general meeting. The Chairperson will decide whether this request will be honoured.

**Q:** Who can I contact if my question is not above?

**A:** You can contact ABN AMRO via email [AVA@nl.abnamro.com](mailto:AVA@nl.abnamro.com) or by telephone +31 (0)20 628 6070.

## exercise of rights

---

**Q: Are my votes valid when leaving early? Can I re-join after I have left?**

A: Yes, assuming you have logged in successfully prior to the start of the Hybrid Meeting this will not affect the votes casted until the moment you left. Re-joining the Hybrid Meeting after you've left is possible and you will also be able to vote upon items that have been put to vote in the meantime. The polls for all items are open during the Hybrid Meeting and closed after the last voting item on the agenda has been discussed.

**Q: When there's a failure in my network connection, or my device stops working during the Hybrid Meeting will I be able to login and continue to participate in the Hybrid Meeting once the connection has been restored?**

A: Yes, assuming you have logged in successfully prior to the start of the Hybrid Meeting, you will be able to continue participating in the Hybrid Meeting after the network connection has been restored. You will also be able to vote on items that have been put to vote in the meantime. The polls for all items are open during the Hybrid Meeting and closed after the last voting item on the agenda has been discussed.

**Q: Will I be able to ask questions or make any comments to the meeting during the Hybrid Meeting when I participate online?**

A: Yes, when participating online you will be able to ask written questions, subject to the procedure as laid down in the Convocation notice and to vote.

## exercise of rights

---

**Q: Are there any voting restrictions when participating online?**

A: When participating online split-voting is not possible as it is not supported by the platform yet. In order to be able to use split-voting, you should attend the Hybrid Meeting by proxy or in person.

**Q: I have registered for online participation, but have sold my shares after that. Can I still vote on these shares?**

A: Yes, according to The Dutch law the 28th day before the day of the Virtual Meeting is decisive for who will be able to vote at the Hybrid Meeting. As registration is only possible after that record date, the right to vote remains even if you have already sold your shares in the meantime.

**Q: Will the possibility of online participation affect the proceedings at the general meeting?**

A: At the Hybrid Meeting the usual proceedings for general meetings of ASML will be followed. However, the polls for all items are open during the Hybrid Meeting and closed after the Chairperson or the secretary of the meeting declared that the voting is closed.
