

Website terms of use

These terms of use apply to you and any organization you represent when accessing and using ASML websites and its materials.¹

If you do not agree to these terms, then you are not to use our websites or its materials. These terms of use are governed by the Laws of the Netherlands and may be updated by ASML from time to time without notice. All related disputes are subject to the exclusive jurisdiction of the court of Amsterdam.

Intellectual property rights

All materials contained on our websites are (unless otherwise noted) owned, controlled or licensed by or to ASML and are protected by copyright, trademarks and/or other intellectual property rights (whether those rights happen to be registered or not and wherever in the world those rights may exist). Except as expressly provided herein, no part of our websites may be copied, reproduced, republished, uploaded, translated, transmitted, embedded or distributed in any way to any other computer, server, website or other medium for publication or distribution or for any commercial enterprise without ASML's prior written consent.

Information and materials provided by you

We do not want to receive any confidential or proprietary information through our websites. Please note that any information or material sent via our websites will be deemed not to be confidential. By sending us any information or materials, you agree that ASML is free to use any encompassed or relating ideas, concepts or know-how.

In the event you provide us with any copyright protected material while using our websites, you hereby grant ASML an unlimited, royalty-free, worldwide right to use such material for ASML's business purposes.

Information relating to the processing of your personal information can be found at the [Business Partners Privacy Notice](#) and the [Recruitment Privacy Notice](#).

Disclaimer

THE INFORMATION AND MATERIALS ON OUR WEBSITES RELATING TO ASML AND ITS PRODUCTS, SERVICES, SUPPLIERS AND CONTRACTORS, ARE PROVIDED 'AS IS' WITHOUT ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND, SUCH AS MERCHANTABILITY, NON-INFRINGEMENT OF INTELLECTUAL PROPERTY OR FITNESS FOR ANY PARTICULAR PURPOSE.

IN NO EVENT SHALL ASML OR ANY OF ITS SUPPLIERS OR CONTRACTORS BE LIABLE FOR ANY (CONSEQUENTIAL) DAMAGES WHATSOEVER ARISING OUT OF THE USE OF OUR WEBSITES AND ITS MATERIALS, OR ANY INFORMATION, STATEMENTS AND COMMENTS CONTAINED WITHIN, EVEN IF ASML HAS BEEN INFORMED OF THE POSSIBILITY OF CERTAIN DAMAGES. IN ADDITION, ASML DOES NOT WARRANT THE COMPLETENESS OR ACCURACY OF THE INFORMATION, DATA, TEXT, GRAPHICS, LINKS OR OTHER ITEMS CONTAINED WITHIN THESE MATERIALS. THESE OR OTHER LIMITATIONS OF LIABILITY ONLY APPLY TO THE EXTENT PERMITTED BY LAW.

The financial statements and other regulated publications available on the ASML websites are copies of the same documents that have been filed with the competent authorities. In the event of any discrepancy between any publicly filed document and any version available on the ASML websites, the former prevails. Some of these documents may contain forward-looking statements. The relevant disclaimer included in such documents applies to such statements and other publications.

Linked sites are not under the control of ASML and ASML is not responsible for the content of any linked site. ASML does not endorse or adopt such linked content or the organization that provides it. ASML reserves the right to terminate a link at any time.
