

Diversity, Equity, & Inclusion (DEI) and Health Equity (HE)
Findings from 2025 ADLM DEIHE Volunteer Survey

Volunteers would like to see these priorities...

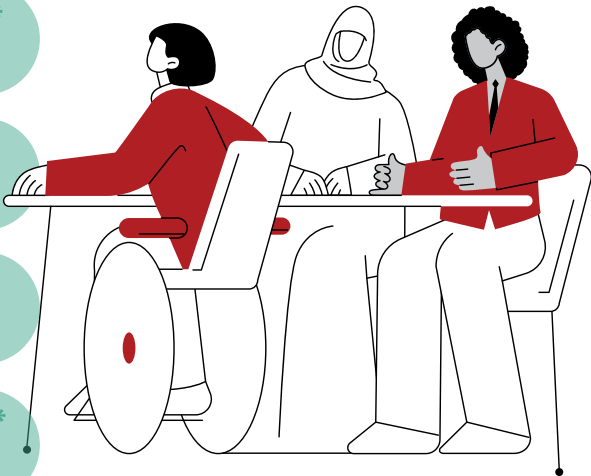

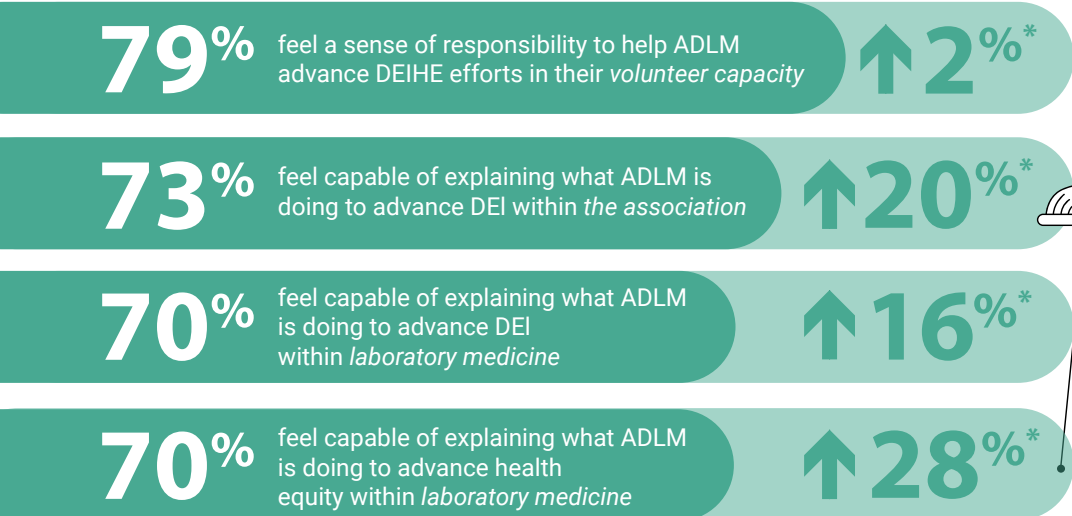

WITHIN ADLM

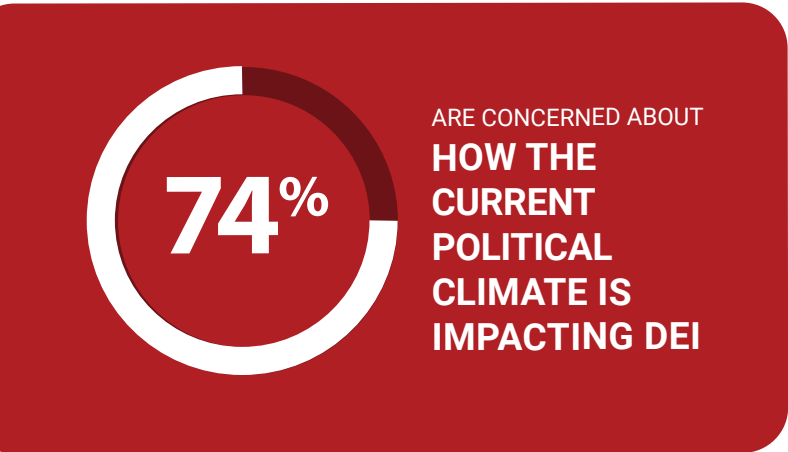

- Foster equitable access to leadership and governance roles
- Improve inclusivity to create a more engaging experience for all
- Increase global outreach and education
- Enhance communication about DEIHE topics and activities

FOR DIAGNOSTICS AND LABORATORY MEDICINE FIELD

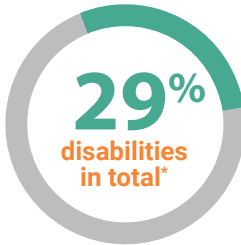

- Eliminate bias in laboratory testing and interpretation
- Promote inclusivity in research
- Advocate for equitable access to laboratory testing and services
- Engage in standard setting and public education

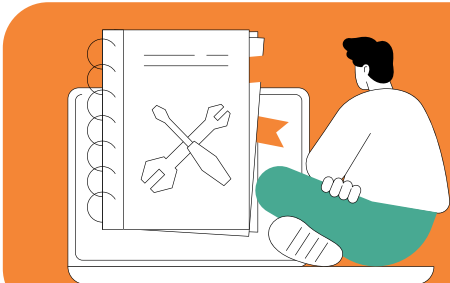

*Compared to 2023.

Volunteers Report

*COMPARED TO 25% IN 2023
