GIVING OPPORTUNITIES

Banner Health General Funds

Banner Health Foundation General Fund

These funds are designated by the Banner Health Board of Directors to support programs, services and special projects across the Banner Health system that have the highest priority and constitute the best use of funds.

SOS Supporting Our Staff Crisis Assistance Fund

This program provides monetary assistance to benefit-eligible employees who are experiencing a temporary financial crisis. The fund is replenished by donations through the Banner Health team member giving campaign.

Banner Nursing Development Fund

The fund will be used to support formal education for nurses, nursing scholarships, nursing rewards and recognition, conference attendance, sponsorship of keynote speakers for meetings and research and EBP programs.

WISH | Women Investing in Science and Health

is a premier organization of women leaders providing philanthropic support to Banner Health and leading-edge educational programs using evidence-based research to promote and enhance women's and families' health and wellness.

Facility and Entity Funds

The administrative leadership team at each Banner Health facility and entity designates contributions made to its general fund be used to support an array of special projects that have the highest priority and constitute the best use of funds. These projects vary and can include education, outreach and other support services that benefit patients, staff and the community. To learn more about the impact projects identified, visit the 'Better Together' resource page on Banner Connect.
