

Quinta Ace and Quinta Ace S Commissioning Included Promotion Terms and Conditions

Overview:

- For a limited time Baxi are offering commissioning of Baxi Quinta Ace and Quinta Ace S commercial wall hung boilers (“Commissioning”) at no extra cost.

Eligibility:

- This promotion is available to both new and existing customers.

Promotion Period:

- The promotion will run until 31st July 2025, all Commissioning visits booked within this period are valid under the promotion.

Exclusions:

- This promotion covers Commissioning services for the Quinta Ace and Quinta Ace S boilers only (please see list of valid products below). If these boilers are installed as part of a system containing other Baxi products, the commissioning of these products would need to be arranged separately and are not covered by the promotion. We reserve the right to charge for commissioning required on other products within the system. The promotion is only valid for boilers installed in the UK and Republic of Ireland.

Arranging Commissioning:

- Please use the following link to provide us with details of the installation and to organise for a member of our team to contact you to arrange the Commissioning. [Baxi Commercial Commissioning Request Form](#)
- The Commissioning is to be carried out by Baxi in accordance with our [General Terms & Conditions of supply](#).
