

# Baxi Assure Multifit IFOS

## In Flue Outdoor Sensor

The cost effective way to comply with Boiler Plus legislation and provide additional SAP benefits for new builds.

### Versatile

- Suitable for both horizontal and vertical flues
- Compatible with Baxi Assure Combi and System boilers
- Multifit IFOS extension kit can safely extend the length of the Multifit IFOS Combi, Multifit IFOS System and Multifit IFOS Ridge Tile kit by up to 5 metres.

### Easy to install

- Pre-fitted Ridge Tile connector to make installation as easy as possible; and reducing the time spent working at height
- Quick and easy, takes minutes to fit
- Fits under the air duct so kept out of direct sunlight; no need to fit on a north/north west wall; no height restrictions
- Extremely simple to fit, with no drilling or disruption

### User-friendly

- The flow temperature can be set higher for high heat loss properties

### Reliable

- More accurate temperature sensing, ensuring best possible operation

### Efficient

- Complies with Boiler Plus requirement and provides additional SAP benefits for new builds

# How we can help you

With Baxi, the heating system is only part of the story. We're also passionate about giving you the service and support you need, for the lifetime of your Baxi product.

## Baxi Design

Our design service team will plan and configure installations around each property's unique requirements, free of charge.

## Baxi Genuine Parts

We have a full range of approved spares and quality heating essentials for all Baxi Assure products. Visit [baxi.co.uk/genuineparts](https://baxi.co.uk/genuineparts) for more information.

## Literature and BIM libraries

We have installation instructions, user guides and BIM files for our product ranges, available at [baxi.co.uk/specification](https://baxi.co.uk/specification)

## Unique maintenance plans

We provide comprehensive homeowner maintenance and support plans.

## Baxi Project Hub

Baxi Project Hub is our intuitive project management portal, where specifiers and contractors can register Warranty and Gas Safe notifications for Baxi Assure installed products. There's also the Project Hub app, so that warranty registrations and Gas Safe notifications can be done on site. Visit [baxi.co.uk/projecthub](https://baxi.co.uk/projecthub) or speak to your Business Development Manager to find out more.

## Product Training

We offer practical, hands-on courses, covering all Baxi Assure products. They're carried out by qualified experts at our state-of-the-art training centres nationwide. Visit [baxi.co.uk/assuretraining](https://baxi.co.uk/assuretraining) or speak to your Business Development Manager to find out more.

## Expert service and support

We're always here to help with product queries, installations and maintenance. Visit [baxi.co.uk/trade/assuretechnical](https://baxi.co.uk/trade/assuretechnical) or call our Technical Support Helpline on 0344 871 1525 for more information.

## For everything else

Contact your Business Development Manager at [baxi.co.uk/assurecontact](https://baxi.co.uk/assurecontact) for more information.

## Baxi Assure, The Complete Home Service

As the UK moves towards a carbon neutral future alongside an ever growing demand for housing, providers are having to take a fresh approach. That means more tenanted social housing, and more economical, energyefficient new homes.

With our fresh approach, we'll make sure we deliver the reliable, efficient heating and hot water solutions our specification partners need – for today and tomorrow.

The Baxi Assure range of solutions does just that, with a broad range of boiler, cylinder and low-carbon product packages to suit any new build or refurbished property.
