INTRODUCTION

This Treasury Management Master Services Agreement together with any addenda attached hereto, the Acceptance of Treasury Management Services and any Schedules or addendum thereto, any Operating Procedures, and any other documents provided to Company by Bank related to the Services set forth herein (collectively, this "Agreement") applies to your Service(s) with us. By accepting this Agreement, using any of the Services, or accessing your Account(s) using a Service, you agree to the terms and conditions outlined for the Services selected by you, the Company. The Addenda to this Agreement contain the terms and conditions for several different Services. Only the terms and conditions of the Services for which Company authorizes or utilizes shall apply to Company, with the exception of the General Terms and Conditions below, which shall apply to all Services. If Company utilizes any of the Services described in this Agreement or any addendum attached hereto, it is agreeing to the terms and conditions of that Service as described herein. Bank may provide Services that are not specifically included in the Services sections of this Agreement. By accepting and using any such Service, Company agrees that the Services will be governed by this Agreement and any other conditions communicated to Company by Bank. Depending on the Service, we may also ask you to sign required form(s). In some cases, we will need to obtain additional information to establish your eligibility for new and continued use of the specific Services. If anyone you authorize enrolls in or uses any of the Services or accesses your Account(s) using a Service, such authorized user also agrees to the terms and conditions in this Agreement. You and anyone you authorize may begin using the Service when we have received and approved all required and properly executed forms, and you have successfully completed any testing or training requirements. For purposes of this Agreement, capitalized terms not otherwise defined herein shall have the definitions assigned to them in the Definitions Addendum attached hereto.

GENERAL TERMS AND CONDITIONS

The following terms and conditions apply to all the Treasury Management Services provided by Bank through Online Banking and Mobile Banking. Bank and Company agree that this Agreement, including any revisions which may be made from time to time by Bank, will also govern all new Treasury Management Services used by Company in the future.

1. **Disputes.** This Agreement includes an agreement to arbitrate. If there is a dispute between Company and Bank, and the dispute is covered by the Arbitration Agreement, then either you or we may require the dispute to be resolved by arbitration in front of an Arbitrator. This means that you and we will not have the right to a jury or court trial to resolve the dispute or the right to pursue a claim as a class action. You have the right to reject the Arbitration Agreement. Refer to –the Arbitration Agreement Addendum attached hereto for more information.
2. **Account Terms and Conditions.** Company acknowledges and agrees that Company's Accounts maintained with Bank are an integral part of the Services offered by Bank and that all transactions and Services initiated or processed pursuant to this Agreement are subject to the terms and conditions of the rules, regulations and agreements, including, but not limited to, the "Terms and Conditions of Your Account", governing Accounts in effect from time to time between Company and Bank (collectively, the "Account Agreement"). The Account Agreement is expressly incorporated herein by reference. The terms and conditions of this Agreement will control over any inconsistent terms and conditions between this Agreement and the Account Agreement. Company acknowledges that it has accepted, signed and executed all agreements, resolutions, signature cards and forms governing Company's Accounts required by Bank. If Company has not signed the foregoing forms required by Bank, by accepting this Agreement and using the Services, Company acknowledges that it has read the contents of and agrees to be bound by the terms of those forms, agreement and documents, and adopts and ratifies, as an authorized signatory(s), the signature(s) of a person(s) who has signed a signature card or any check on Company's account. Company also agrees to establish all accounts that must be opened in conjunction with any Service provided by Bank.
3. **Company's Acknowledgment and Responsibilities.** By accepting this Agreement and using any of the Services set forth herein, Company acknowledges (i) the inherent risks and responsibilities associated with conducting business via the internet and that there can be no assurance that inquiries or transaction activity will be completely secure, despite any security procedures established by Bank such as firewalls, Login Credentials, and data encryption. Company also understands that access to the System will not be free from delays, malfunctions, or other inconveniences generally associated with this electronic medium and Company agrees Bank is not responsible for any such delays, malfunctions, or inconveniences; (ii) Company is responsible for maintaining all equipment required for its access to and use of the System and Services; (iii) that Company is

authorizing Bank and Bank's affiliates and agents to allow Company access to Accounts via the internet; and (iv) Company is authorizing Bank, and any Designated Service Provider on Bank's behalf, to serve as agent in processing transaction instructions received from Company via the internet and to post such transactions to Company's designated Accounts. Company will comply with such Operating Procedures as Bank may prescribe from time to time and will be solely responsible for the timeliness, accuracy and adequacy of the data entered as well as the completeness of any instructions entered.

Company is solely responsible for any unauthorized use of the System, and Bank is fully protected in performing any transactions entered whether or not the person actually entering such transactions is authorized by Company to perform the transactions. Further, Bank may rely fully upon any actions or instructions provided when Company accesses the System using Login Credentials, and Company acknowledges that it is fully responsible for the security of its Login Credentials. Bank is not responsible or liable for any actions of a third party as a result of unauthorized access to the System. Company agrees to notify Bank immediately in the event that the Company believes security has been compromised, at which time Bank will employ commercially reasonable efforts to remove Company from the System to prevent any continued unauthorized transactions.

4. **Periodic Statements.** A Periodic Statement will be issued by Bank to Company which reflects credits and debits to the Account.
5. **Contact in Event of Unauthorized Transfer.** If Company believes Login Credentials have been lost or stolen, someone has attempted to use Login Credentials or Mobile Banking without Company consent, Company's Account(s) have been accessed or someone has transferred money without Company permission, Company must notify Bank immediately at Bell Bank at 866-221-1136 or HealthcareBank 866-442-2472 option 2, as applicable.

Company agrees to notify Bank within a reasonable time not to exceed thirty (30) calendar days after Company receives a Periodic Statement of any discrepancy between Company records and the information in the Periodic Statement. If Company fails to notify Bank of any such discrepancy within thirty (30) calendar days after receipt of such Periodic Statement, Company shall be precluded from asserting any claim against Bank arising from such discrepancy.

6. **Use of Services.** Company will use the Services only for its own internal business use in accordance with the terms of this Agreement. Without limiting the generality of the foregoing, Company agrees not to make the Services available or allow the use of the Services in a computer service bureau business, timesharing, or otherwise disclose or allow use of the Services by or for the benefit of any third party.
7. **No Consumer Services.** Company acknowledges, represents, warrants, and agrees that the Services provided under this Agreement are not Services intended for personal, family or household purposes. Accordingly, except for approved Personal Accounts linked with Company through Online Banking, the provisions of the EFTA, Regulation E, the consumer provisions of the federal Gramm-Leach-Bliley Act, and any other laws or regulations intended for the protection of or governance of transactions involving consumers or consumer accounts do not apply to the Services subject to this Agreement, except to the extent such provisions are expressly set forth herein or are required by law. Bank may terminate this Agreement immediately and without notice to Company if Bank becomes aware that Company is using the Services or the Account(s) for any unauthorized personal, family or household purposes or for other purposes subject to EFTA and Regulation E. Refer to the Personal Accounts Linked to Online Banking Addendum attached hereto for more complete rules and regulations.
8. **Availability.** Bank agrees to make any of the Services which are accessed through the internet, available, other than when System maintenance is being performed, there is an outage with Online Banking, or any other times the System is unavailable due to events outside Bank's control. However, transactions are processed, and information is updated, only on Business Days.
9. **Authorization.** Bank shall be entitled to rely on any verbal or written notice or instruction believed by it in good faith to be given by an Authorized Representative. Bank can rely on the signature on any documents executed in connection with this Agreement to be a valid signature for, and binding upon, all Entities identified in this Agreement and any Schedules or addenda thereto.
10. **Security Procedures.**
 - a. Company shall establish, maintain and enforce physical and logical commercially reasonable security practices, techniques and procedures with respect to access, storage and maintenance to safeguard against unauthorized transmissions and unauthorized access to Security-Related Items. This includes maintaining up-to-date virus and malware protection software and firewall rules. If you refuse a commercially reasonable security procedure that Bank has offered you, you agree that you will be bound by a payment order issued in your name, whether or not authorized, that we

accept in good faith and complete with the security procedure you have chosen. By agreeing to use the Services, Company acknowledges the importance of maintaining the confidentiality of its Login Credentials. Company agrees that such Login Credentials and other security procedures for the Services are commercially reasonable. Company agrees to be bound by any payment order, transaction or Service change order that is acted upon by Bank in accordance with Login Credentials and such other security procedures. Company shall exercise due care in seeking both to preserve the confidentiality of the Login Credentials to prevent the use of the Services by unauthorized persons. It is understood and agreed that implementation by Bank of its normal procedures for maintaining the confidentiality of information relating to Company's Login Credentials where applicable shall constitute fulfillment of its obligation to exercise due care. Bank shall not otherwise be under any liability or have any responsibility of any kind for any loss incurred or damage suffered by Company or Account Owner on a Personal Account by reason or in consequence of any unauthorized person gaining access to, or otherwise making use of, the Services.

- b. Company must restrict access to the Services to Company's System Managers and System Users granted access by the System Managers. Company acknowledges Bank shall not be under any liability or have any responsibility of any kind for any loss incurred or damage suffered by Company or Account Owner on Personal Account, by reason or in consequence of any action of a System Manager or System User. Company and Account Owner on Personal Account assume full responsibility for the consequences of any misuse or unauthorized use of or access to the Services or disclosure of any confidential information or instructions of Company by Company's employees, agents, or other third parties. Company acknowledges that Bank is entitled to rely upon actions initiated and instructions submitted through the System using Login Credentials with respect to both Company and Personal Accounts.
- c. Company shall comply with the security procedures in this Agreement and Company acknowledges and agrees that the security procedures, including (without limitation) any Security Devices used in connection therewith, constitute commercially reasonable security procedures under applicable law for the Services. Company acknowledges that the security procedures are for verification of authenticity and not to detect errors in the transmission or content of transactions and that Company alone bears sole responsibility for detecting and preventing such errors. Company authorizes Bank to follow any and all instructions entered and transactions initiated using applicable security procedures unless and until Company has notified Bank, according to notification procedures prescribed by Bank, that the security procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than user(s) and until Bank has had a reasonable opportunity to act upon such notice. Company agrees that the initiation of a transaction using applicable security procedures constitutes sufficient authorization for Bank to execute such transaction notwithstanding any particular signature requirements identified on any signature card or other documents relating to Company's Account maintained with Bank, and Company agrees and intends that the submission of transaction orders and instructions using the security procedures shall be considered the same as Company's written signature in authorizing Bank to execute such transaction. Company acknowledges and agrees that Company shall be bound by any and all transactions initiated through the use of such security procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by System User(s), to the fullest extent allowed by law.
- d. Company agrees to keep all security procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to System User(s). Company agrees to regularly instruct each System User not to disclose or provide any security procedures or Security Devices to any unauthorized person. Bank shall distribute Security Devices to Company and Bank shall otherwise communicate with Company regarding security procedures. Company shall have responsibility to distribute Security Devices to System User(s) and to ensure the proper implementation and use of the security procedures by System User(s). Where Company has the ability to change or modify a Security Device from time to time (e.g., a password or PIN), Company agrees to change Security Devices frequently in order to ensure the security of the Security Device and to frequently train System Users on potential risks of fraud and social engineering schemes arising from or related to Online Banking, ACH Origination and other types of payment-related fraud. Company agrees to notify Bank immediately, according to notification procedures prescribed by Bank, if Company believes that any security procedures or Security Device has been stolen, compromised, or otherwise become known to persons other

than System User(s) or if Company suspects or should suspect that any transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, Bank may issue Company a new Security Device or establish new security procedures as soon as reasonably practicable, but Bank shall not be liable to Company or any third party for any delay in taking such actions.

- e. Without limiting the foregoing, Company warrants that no individual will be allowed to initiate transfers without proper supervision. If Company suspects, knows, believes or has reason to believe that an unauthorized individual has transmitted or attempted to transmit one or more transactions or that the security procedures or other Security Devices have otherwise been compromised, Company agrees to immediately notify Bank and agrees that any transactions received by Bank before or within a reasonable time after such notice to Bank shall be treated as authorized by Company.
- f. Company is solely responsible for providing and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in Company's possession or under Company's control. Bank is not responsible for any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system or any Services. Any material downloaded or otherwise obtained is obtained at Company's own discretion and risk, and Bank is not responsible for any damage to Company's computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. Company is solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to Company's operating systems, and for protecting, securing, and backing up any data and information stored in or on Company's operating systems. Bank is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on Company's operating systems or accessed through an internet connection.
- g. Company acknowledges and agrees that it is Company's responsibility to protect itself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" and "pharming"). Company agrees to educate System User(s), agents, and employees as to the risks of such fraud and to train such persons to avoid such risks. Company acknowledges that Bank will never contact Company by e-mail in order to ask for or to verify account numbers, Security Devices, or any sensitive or confidential information. In the event Company receives an e-mail or other electronic communication that Company believes, or has reason to believe, is fraudulent, Company agrees that neither Company nor its user(s), agents, and employees shall respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. Company agrees that Bank is not responsible for any losses, injuries, or harm incurred by Company as a result of any electronic, e-mail, or internet fraud.
- h. In the event of a breach of the security procedure, Company agrees to assist Bank in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Bank or Bank's agent access to Company's hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the security procedure. Company further agrees to provide to Bank any analysis of such equipment, device, or software or any report of such analysis performed by Company, Company's agents, law enforcement agencies, or any other third party. Failure of Company to assist Bank shall be an admission by Company that the breach of the security procedure was caused by a person who obtained access to transmitting facilities of Company or who obtained information facilitating the breach of the security procedure from Company and not from a source controlled by Bank.
- i. Bank reserves the right to modify, amend, supplement, or cancel any or all security procedures, and/or to cancel or replace any Security Device, at any time and from time to time in Bank's discretion. Bank will endeavor to give Company reasonable notice of any change in security procedures; provided that Bank may make any change in security procedures without advance notice to Company if Bank, in its judgment and discretion, believes such change to be necessary or desirable to protect the security of Bank's systems and assets. Company's implementation and use of any changed security procedures after any change in security procedures shall constitute Company's agreement to the change and Company's agreement that the applicable security procedures, as changed, are commercially reasonable and adequate for the purposes intended.

11. **Security Tokens.** With Online Banking, Bank offers an additional layer of protection through the use of security tokens including 6-digit One Time Password ("OTP") security codes with a 30-second countdown bar. Security tokens are available to Company through a downloadable App or a hardware device with LCD screen.

Features of security tokens include:

- a. Security tokens are based on strong two-factor authentication, and in order to gain access to Systems and Services, Individual must:
 - i. Download VIP Access App to a Mobile Device or VIP Access for Desktop to a desktop computer or request a hand-held security token be issued by Bank; and,
 - ii. Contact Bank to link the Credential ID of the downloaded App or hardware token to the Individual's Login Credentials.
- b. Upon logging in to Online Banking, and if an Individual's Mobile Device or browser is not registered, Individual will be prompted to type OTP security code provided by security token to be granted access to Online Banking. The requirement replaces the Secure Access Code process.
- c. Depending on specific Services used by Company where the transfer of funds occur, security tokens are required to electronically authorize the transfer of funds by requiring an Individual to enter an OTP provided by security token at the time of approval and processing for the transfer of funds. For Services that require electronic authorizations via security tokens, fees are disclosed within the fee schedule or any other fee proposal provided in writing for Services.

12. **Third-Party Aggregation Services.** Some third parties offer aggregation services that allow Company to consolidate Account information from different sources so that all Accounts can be viewed at one online or mobile location. These third parties may require Company to provide personal identification information including specific Account information or Login Credentials of the System Manager or System User. By providing this information to an aggregation service or any other third party, Company or Account Owner on Personal Account authorizes the Third-Party Aggregation Service and such other third parties to access Accounts, and to initiate money movement to or from Accounts.

Any use of a Third-Party Aggregation Service is at Company's own risk. Company is responsible for the use of Accounts or the disclosure of any personal identification information to or by the third party. To revoke access provided to a Third-Party Aggregation Service, Company agrees to contact Bank and request new Login Credentials for the System Manager or System User involved.

All matters concerning Third-Party Aggregation Service's websites are solely between Company and the Third-Party Aggregation Service. Bank makes no warranties or representations with regard to any Third-Party Aggregation Service's website.

13. **Paperless Statements.** Copies of Company's Periodic Statements are available through Online Banking. Bank may automatically enroll Company in Paperless Statements for all business Accounts associated with the Entities documented in the Agreement or any future addendums.

If Company chooses to receive Periodic Statements through the U.S. Mail, a System Manager or System User can revoke Paperless Statements at any time. Bank's standard statement delivery fee pursuant to the applicable fee schedule or any other fee proposal provided in writing will apply for the delivery of Periodic Statements through the U.S. Mail. Company should allow ten (10) Business Days to process the revocation of Paperless Statements.

In addition:

- a. Company must have access to a computer which is able to comply with and adhere to the software and hardware requirements which are required to enable the electronic delivery of Paperless Statements as well as access to the Paperless Statements, which includes having appropriate browser software, such as Microsoft Edge, Mozilla Firefox, Google Chrome or Apple Safari.
- b. Documents may be in Portable Document Format (PDF). In order to view, download, and print a PDF document, Company must have Adobe Acrobat Reader software or another PDF viewer. Company can download Adobe Acrobat Reader from Adobe's website.
- c. Bank may change the hardware and software required to obtain Paperless Statements at any time with ten (10) calendar days advance notice to Company. If Company chooses not to obtain the new hardware or software, Company may withdraw consent for Paperless Statements and Periodic Statements will then be delivered by U.S. Mail. Bank's standard statement delivery fee pursuant to applicable fee schedule or any other fee proposal

provided in writing will apply. Company will remain liable for any other fees disclosed.

14. **Notice and Cure.** If Company encounters an issue with a product or Service, Company shall contact Bank immediately and, in most cases, Bank will be able to quickly resolve the issue. If Bank is unable to resolve the issue, any Claim you may have relating to your Account will be resolved using the procedure described in the Arbitration Agreement Addendum attached hereto. Prior to initiating a lawsuit or an arbitration proceeding as further described in the Arbitration Agreement Addendum attached hereto, you or we, as applicable, shall give the other party a Claim Notice and a reasonable opportunity, not less than sixty (60) days, to resolve the Claim. Any Claim Notice to you shall be sent by mail to the address you provided in connection with your Account (or any updated address you subsequently provide pursuant to this Agreement).

- a. **Bell Bank.** Any Claim Notice to Bell Bank shall be sent by mail to Bell Bank, PO Box 10877, Fargo ND 58106-0877 (or any updated address we subsequently provide).
- b. **HealthcareBank.** Any Claim Notice to HealthcareBank shall be sent to HealthcareBank, PO Box 9184, Fargo ND 58106-9184 (or any updated address we subsequently provide).

Any Claim Notice you send must include your name, address and information sufficient to identify your Account and explain the nature of the Claim and the relief sought. You may only submit a Claim Notice on your own behalf and not on behalf of any other party unless you are a fiduciary for another account owner. The party giving a Claim Notice must reasonably cooperate in providing any information about the Claim that the other party reasonably requests.

15. **Errors or Questions.**

- a. **Bell Bank.** In case of errors or questions about Company's transactions with Bell Bank, Company should notify Bell Bank as soon as possible at 800-450-1529 during customer service hours or in writing to Bell Bank, PO Box 10877, Fargo ND 58106-0877.
- b. **HealthcareBank.** In case of error or questions about Company's transactions with HealthcareBank, Company should notify HealthcareBank as soon as possible at 866-442-2472 option 1 during customer service hours or in writing to HealthcareBank, PO Box 9184, Fargo, ND 58106-9184

16. **Company's Warranties and Indemnity.** Company warrants and agrees that it will perform its obligations under this Agreement consistent with the terms and conditions of this Agreement and all applicable laws and regulations. Company shall indemnify and hold harmless Bank from and against any and all losses, liabilities, penalties, damages, expenses or other harm or injury including reasonable attorneys' fees (including those fees of both in-house and outside counsel) and court costs which Bank may incur or suffer or which may be asserted by any person or entity, arising out of (i) any failure by Company to observe and perform properly each and every covenant of this Agreement, any breach of Company's warranties of this Agreement, or any other wrong doing of Company, (ii) any wrongful act of any affiliate or subsidiary of Company in connection with any Services provided by Bank pursuant to any agreement, regardless of whether any such affiliate or subsidiary of Company has executed such agreement, (iii) any action taken or omitted to be taken by Bank in reasonable reliance upon information provided to Bank by Company or any affiliate or subsidiary of Company, including those granted access to the Accounts of Company, if they are not signers to those Accounts; (iv) if the money in the Account from which a payment or transaction is to be made is subject to legal process or other claims restricting the transaction, or if the circumstances or persons beyond Bank's control prevent, delay, intercept or alter the transaction, despite reasonable precautions that Bank has taken; (v) a third party claim, action or allegation of infringement, misuse or misappropriation based on information, data, files or other materials submitted by Company to Bank; (vi) any fraud or manipulation by Company or third parties; (vii) any third party claim, action or allegation brought against Bank arising out of or relating to a dispute with Company over the terms and conditions of this Agreement or related to the purchase or sale of any goods or Bank's Services; (viii) Company's violation of any law or rights of a third party; (ix) Company's use or the provision of Bank's products or Services or use of Company's Account by any third party; (x) damages that result from misuse or loss of Company's equipment or misuse of Bank's Services; (xi) Company's failure to exercise ordinary care in connection with its duties hereunder; or (xii) any actions by a Designated Service Provider or agent of Company that results in a breach of this Agreement by Company. Bank reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by Company, in which event Company will cooperate at Company's expense with Bank in asserting any available defenses. Company will not settle any action or claim on Bank's behalf without Bank's prior written consent. By accepting this Agreement, Company agrees to disclosure of Company information to those non-signing System Managers or System Users to which

Company grants access, or to those persons who gain access; provided, however, that Company shall not be required to indemnify and hold harmless Bank from any losses which are caused by Bank's gross negligence or willful misconduct. The provisions of this Section shall survive the termination of this Agreement.

17. **Fraud Detection and Prevention – Positive Pay Indemnification.** Bank is very concerned about the risk of loss from counterfeit, fraudulent, altered, or forged checks and unauthorized ACH debits to which Bank and Company may both be exposed if you do not use our Positive Pay Service. Therefore, we are unwilling to permit you to continue to operate your Accounts without our Positive Pay Service, unless you indemnify and hold us harmless against losses or liabilities we may suffer or incur as a result of counterfeit, fraudulent or forged checks and/or unauthorized ACH debits on your Accounts. Accordingly, if you continue to operate your Accounts without your Positive Pay Service, you agree that, to the greatest extent permitted by law, we will not be liable to you, and you will defend and hold us harmless from and against any damage, losses, liabilities, actions, claims including third party claims, suits, judgments, obligations, penalties, costs or expenses of any kind including attorneys' fees and expenses (collectively, "Losses") paid, suffered or incurred by you which arise directly or indirectly out of or in connection with: (a) the acceptance for deposit, payment, negotiation or other processing of any check drawn or purporting to be drawn on your Account if such check happens to be counterfeit or fraudulent or contains a forged signature or the amount of such check is altered or the Payee has been altered; or (b) the acceptance of an ACH debit that is unauthorized or fraudulent, which could have been prevented with the use of the Positive Pay Service. The indemnity provisions set forth in this section shall be in addition to the other indemnity provisions set forth in this Agreement.
18. **DISCLAIMER. COMPANY ACKNOWLEDGES THAT THE SERVICES ARE PROVIDED ON AN "AS-IS" AND "AS-AVAILABLE" BASIS. BANK IS NOT RESPONSIBLE FOR ANY ERRORS OR OMISSIONS IN OR TO ANY INFORMATION RESULTING FROM COMPANY'S USE OF THE SERVICES. BANK MAKES NO WARRANTY WITH RESPECT TO THE SERVICES TO BE RENDERED UNDER THIS AGREEMENT, INCLUDING WITHOUT LIMITATION, ACCURACY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL BANK BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE SERVICES OR FAULTY SERVICE EVEN IF BANK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHERS, ORAL OR WRITTEN, EXPRESSED OR IMPLIED. BANK IS NOT RESPONSIBLE FOR ANY COSTS INCLUDING, BUT NOT LIMITED TO, THOSE INCURRED AS A RESULT OF LOST PROFITS OR REVENUE, LOSS OF TIME OR USE OF THE SERVICES, LOSS OF DATA, COSTS OF CONSULTANTS, COSTS OF SUBSTITUTE PRODUCTS, CLAIMS BY THIRD PARTIES, OR OTHER SIMILAR COSTS.**
19. **Restrictions on Use.** Company agrees not to use any Services in, or for, any illegal, fraudulent, unauthorized or improper manner or purpose and will only use the Services in compliance with all applicable laws, rules and regulations, including all applicable state, federal, and international internet, data, telecommunications, telemarketing, "spam," and import/export laws and regulations, including the U.S. Export Administration Regulations. Without limiting the foregoing, Company agrees that Company will not use the Services and System to transmit or disseminate:
- junk mail, spam, or unsolicited material to persons or entities that have not agreed to receive such material or to whom Company does not otherwise have a legal right to send such material;
 - material that infringes or violates any third party's intellectual property rights, rights of publicity, privacy, or confidentiality, or the rights or legal obligations of any wireless service provider or any of its customers or subscribers;
 - material or data, that is illegal, or material or data, as determined by Bank (in Bank's sole discretion), that is harassing, coercive, defamatory, libelous, abusive, threatening, obscene, or otherwise objectionable, materials that are harmful to minors or excessive in quantity, or materials the transmission of which could diminish or harm Bank's reputation or any Designated Service Provider or Third-Party Site involved in the provision of the Services;
 - material or data that is alcoholic beverage-related (e.g., beer, wine, or liquor), tobacco-related (e.g., cigarettes, cigars, pipes, chewing tobacco), guns or weapons-related (e.g., firearms, bullets), illegal drugs-related (e.g., marijuana, cocaine), pornographic-related (e.g., adult themes, sexual content), crime-related (e.g., organized crime, notorious characters), violence-related (e.g., violent games), death-related (e.g., funeral homes, mortuaries), hate-related (e.g. racist organizations), gambling-related (e.g., casinos, lotteries), specifically mentions any wireless carrier or copies or parodies the products or Services of any wireless carrier;

- viruses, banking trojans, worms, malware, ransomware, time bombs, bots, unverified third party applications, or other computer programming routines that are intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data, or personal information;
- any material or information that is false, misleading, or inaccurate;
- any material that would expose Bank, or any Designated Service Provider, or Third-Party Site to liability; or,

- access any System or Service(s) for which Company's use has not been authorized;
 - use or attempt to use a third party's account;
 - interfere in any manner the provision of the Services or System, the security of the Services or System, or other customers of the Services or System; or,
 - otherwise abuse the Services or System.
20. **Disclosure of Account Information to Third Parties.** It is Bank's general policy to treat Account information as confidential. However, Bank will disclose information to third parties during its course of business, and Company gives Bank the authority to disclose such information about Account or the transactions Company makes, including in the following situations:
- where it is necessary for completing transactions;

The duties of Company set forth in the following paragraphs of this Agreement in no way limit the requirement of complying with the Rules.
3. **Underwriting.** Company approval for use of this Service may be subject to underwriting criteria established by Bank from time to time. If Bank requires application of underwriting criteria to Company approval for use of this Service, Bank will communicate to Company the nature and content of that criteria and the information Company will be required to provide to Bank. Company agrees to provide Bank such financial, business and operating information as Bank may reasonably request in connection with Bank's underwriting and approval process. Bank may require the personal guarantee of a principal or an owner of Company.
4. **Security Procedures.**
 - a. Company is responsible to strictly establish and to maintain procedures to safeguard against unauthorized transactions. Company warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any passwords, codes, Security Devices, and related instructions provided by Bank. If Company believes or suspects that any such information has been accessed by an unauthorized individual, Company will verbally notify Bank immediately, followed by written confirmation. The occurrence of such notification will not affect any transfers made in good faith by Bank prior to the notification and within a reasonable time period to prevent unauthorized transfers.
 - b. Company understands and agrees that the authenticity of any ACH File or Entry transmitted to Bank will be verified pursuant to the following security procedures:
 - i. Adding the ACH Service requires all System Managers and any System Users at Company who will submit or approve ACH Entries through Online Banking to use a security token when submitting ACH Entries to Bank. This requirement cannot be waived; or
 - ii. ACH Entries transmitted through SFTP must be encrypted with SSH Protocol file level encryption. This requirement cannot be waived.
 - c. Bank recommends that Company requires a secondary authorization for all ACH Entries. In order to provide the most protection to Company, for ACH Entries not transmitted through SFTP, secondary authorization should be granted by a different System Manager or System User using a security token provided through the VIP Access App on a Mobile Device or desktop computer or hand-held security token issued by Bank.
 - d. The Rules recommend and require that ACH data (used in the routing and settlement of ACH transactions) be securely stored. Company's ability to limit access to production data can be done through commercially available software products and services. Access to ACH data can be limited to specific programs, user IDs, or read-only or read-and-edit-only access functionality. Files must be transmitted using security technology as provided in the Rules. Such File transmission between ACH participants, including Company, should utilize encryption and authentication methods. Encryption is a process of scrambling data content through hardware or software in order to protect the confidentiality of a File's contents. Authentication is a process of ensuring that files and data content are not altered between the originator and receiving points.
5. **Alternative Method.** In the event the System is unavailable, Company may submit ACH Entries via an Alternative Method process as described below or other Service Documentation. Alternate Method used if System is unavailable:
 - a. In the event that there is an outage with Online Banking, Bank offers an Alternate Method to enable Company to issue ACH instructions to Bank through Online Banking's Secure Messaging service. If Online Banking's Secure Messaging service is unavailable, Company will utilize Bank's Secure Email to transmit Payment Instructions and call Bell Bank at 866-221-1136 or HealthcareBank 866-442-2472 option 2, as applicable, to authenticate identity. Company authorizes Individuals with access to ACH Services to receive all confidential funds transfer materials from Bank related to this Service. In addition, Company must authorize Individuals to submit ACH instructions to Bank through Online Banking's Secure Messaging service or Bank's Secure Email service.
 - b. In the event that Company's Mobile Device or desktop computer with VIP Access App is lost, stolen, or otherwise inaccessible, Company will contact Bank to report Individuals' Login Credentials with linked Credential ID and request connection removed. Company will obtain a different Mobile Device or desktop computer, download VIP Access App and contact Bank to link new Credential ID to Individuals' Login Credentials.
 - c. In the event that hand-held security token malfunctions, is lost, or is otherwise inaccessible, Company will contact Bank to report and request Individuals' Login Credentials with linked Credential ID be removed. Bank will link a new Credential ID to a replacement hand-held security token for Individual and complete the out-of-band authentication on behalf of the Individual for the ACH before sending the new hand-held security token to Company for Individual.
6. **Authorization.** Company hereby authorizes Bank to transmit any Entry received by Bank from Company in accordance with the Rules and the terms of the ACH Agreement and to credit or debit the amount of such Entries to the ACH Account(s) specified by Company.
7. **Company as a Third-Party Sender.** If Company is a Third-Party Sender, the following terms and conditions in this Section 7 shall apply, in addition to, and not in limitation of, the other terms and conditions contained in this Agreement.
 - a. Bank may permit Company to enter into an agreement and originate Entries on behalf of one or more Nested Third-Party Senders. Before entering into an agreement with any Nested Third-Party Sender, Company must first receive prior approval from Bank. Bank may require certain information regarding any Nested Third-Party Sender deemed reasonably necessary to allow Bank to determine whether such an arrangement will be permitted. If Bank approves any Nested Third-Party Sender arrangements, Company agrees to enter into an agreement with Nested Third-Party Sender prior to allowing any ACH origination for Client as if Company were the ODFI. Furthermore, Company agrees to be responsible for each Nested Third-Party Sender's compliance with the Rules.

 - vi. Requires the Client to assume the obligations and make the representation and warranties of an Originator, a Designated Service Provider and/or Company, as the case may be under the Rules;

- f. Company shall be responsible for establishing and maintaining policies and procedures to ensure that effective due diligence is performed on each Client to minimize the credit risk arising with each Client. Additionally, Company shall be responsible for conducting periodic audits of its Clients to:
- i. Ensure Client's compliance with the Rules as an Originator, a Designated Service Provider, or a Third-Party Sender, as the case may be;
 - ii. Monitor the creditworthiness of Client as an Originator, a Designated Service Provider, or Third-Party Sender, as the case may be; and
 - iii. Monitor Company's exposure relative to each Client and relative to Company's exposure across multiple settlement dates.
- g. Company acknowledges and agrees that it owes certain obligations and duties to Bank as a Third-Party Sender and that it shall bear ultimate responsibility to fund its Account for requested Entries. In connection with Company obligations to Bank and to ensure that Company adequately manages credit risk, Company agrees and covenants that it shall:
- i. Permit Bank to perform an annual review of Company's risk management processes; and
 - ii. Permit Bank to complete an annual risk management audit of the Company's credit analysis procedures to determine compliance of Client settlement.
- h. Except for any Entry initiated by Third-Party Sender as an Originator, in addition to any other duties, responsibilities, warranties, representations and liabilities under this Agreement, for each and every Entry or File transmitted by Third-Party Sender to Bank in Third-Party Sender's capacity as a Third-Party Sender, Third-Party Sender represents and warrants to Bank and agrees that Third-Party Sender shall:

- i. Company must, in accordance with standard auditing procedures, conduct an internal or external audit of compliance with provisions of the Rules at least once a year. An annual audit must be conducted under the Rules no later than December 1 of each year. Company agrees to provide the results of such annual audit to Bank, and a risk assessment, as requested, in accordance with the Rules. Company must retain proof that it has completed an audit of compliance in accordance with the Rules. Documentation supporting the completion of an audit must be (1) retained for a period of six years from the date of the audit, and (2) provided to the Bank upon request. Failure to provide proof of completion may result in substantial fines as described in the Rules. Company agrees to review its compliance with the ACH Rules on a periodic basis. Bank has a right to request the details of the review
- j. Bank shall not be liable for Third-Party Sender's acts or omission, or those of any other person, including, with limitation, a Client. Further, Bank shall not be liable for any damages or other losses to Third-Party Sender due to claims made by any of its Clients in connection with any arrangement or agreement between Client and Third-Party Sender under which the Third-Party Sender transmits Entries or Files pursuant to this Agreement. Third-Party Sender agrees to indemnify and hold harmless Bank against any loss, liability or expense (including attorneys' fees and expenses) resulting from or arising out of any claim of any Client that Bank is responsible for any act or omission of Third-Party Sender or any other person.
- k. If there is any monetary default under this Agreement by Third-Party Sender, Bank may terminate this Agreement by giving Third-Party Sender written notice of the monetary default and providing Third-Party Sender with a period of two (2) Business Days, commencing upon the date Third Party Sender receives such notice to cure the monetary default by actually tendering Bank the monetary amount of the default. Failure of Third-Party Sender to cure the monetary default within two (2) Business Days shall permit Bank to terminate this Agreement.
- l. Bank may terminate this Agreement if Third-Party Sender fails to perform or defaults on any of its obligations under this Agreement or if Third-Party Sender otherwise violates any of its representation and warranties under this Agreement; provided that Bank must first provide Third-Party Sender with written notice of the default and provide Third-Party Sender with a period of thirty (30) calendar days to cure the defaults set forth in the notice. Failure of Third-Party Sender to cure the defaults within thirty (30) calendar days shall permit Bank to terminate this Agreement.
- m. Notwithstanding the foregoing, Bank may terminate the Agreement and suspend any Service immediately without written notice to Company if Company defaults under the terms of the General Terms and Conditions section 34(b) at any time.
- n. Any termination of this Agreement shall not affect any of Bank's rights and Third-Party Sender's obligations with respect to Entries and Files initiated by Third party Sender prior to such termination, or the payment obligations of Third-Party Sender with respect to Services performed by Bank prior to termination, or any other obligation that survives the termination of this Agreement.
- o. Third-Party Sender's representations and warranties contained in this section 7 shall survive termination of this Agreement. Third-Party Sender shall indemnify Bank against any loss, liability or expense (including attorney's fees and costs) resulting from or arising out of any breach of any of the foregoing warranties, representations or agreements or any breach of the terms of this Agreement or breach of the Rules.
8. **Company's Representations, Warranties and Agreements.** Company represents and warrants that (i) its Entries are accurate, timely and have been authorized by the party whose Account will be accessed; and (ii) each Entry provided to Bank complies in all respects with the Rules and this Agreement. Company acknowledges and agrees that, pursuant to the Rules, Bank makes certain warranties to the ACH Operator and other Banks and that such warranties are made in reliance on: (i) the representations and warranties of Company, including but not limited to those contained in this section of this Agreement and (ii) Company's agreement to be bound by the Rules and applicable law. Company shall indemnify Bank against any claims, alleged claims, loss, liability or expense (including attorneys' fees and expenses) resulting directly or indirectly from, related to or arising out of: (i) any breach of Company's warranties or this Agreement; (ii) Company's failure to exercise ordinary care in connection with its duties hereunder; (iii) any action by the RDFI upon an unauthorized or erroneous Entry initiated by Company; (iv) any actions by a Designated Service Provider or agent of Company that results in a breach of this Agreement by Company; (v) to the extent that it involves Bank, any litigation by an ACH Operator, an RDFI or any Company receivers asserting noncompliance on Company's part with the Rules, laws, regulations or regulatory requirements. Without limiting the foregoing, Company warrants:

- a. Each Entry is authorized pursuant to the Rules and the authorization has not been revoked;
 - b. Each authorization is clear and readily understandable by the Receiver;
 - c. Copies of authorizations will be made available when requested by Bank;
 - d. Each credit Entry is timely and accurate;

 - g. Company warrants it has complied with all the warranties set forth in the Rules for each Entry initiated;
 - h. If Company originates Same Day ACH Entries, the special warranties set forth in the Rules for such Entries have been complied with;

9. **Third-Party Service Providers.** Company may be using special equipment, services or software provided by a Designated Service Provider to assist it in processing Files hereunder. For each Designated Service Provider, Company (a) agrees that Designated Service Provider is acting as Company's agent in the delivery of Files to Bank, and (b) agrees to assume full responsibility and liability for any failure of Designated Service Provider to comply with the laws of the United States, the Rules and this Agreement. Bank shall not be liable for any losses, fees, costs or expenses incurred by Company as a result of any error by Designated Service Provider or a malfunction of equipment provided by Designated Service Provider. Company is solely responsible for maintaining compliance with the requirements of Designated Service Provider, including obtaining any software updates, and to ensure Designated Service Provider complies with this Agreement. Bank's sole responsibility shall be to transmit transactions approved by Company on to the ACH Operator and Bank shall not have any responsibility for any File handled by Designated Service Provider until that point in time when Bank accepts and approves a File from such Designated Service Provider for processing. To the extent Company and Designated Service Provider have entered into a separate agreement ("Designated Service Provider Agreement") that conflicts with the terms of this Agreement, Company agrees that this Agreement shall control. All of Company's obligations and responsibilities under this Agreement apply to Designated Service Provider, and Company represents and warrants that any separate Designated Service Provider Agreement with Designated Service Provider shall so provide. At Bank's request, Company shall provide to Bank a true and exact copy of any Designated Service Provider Agreement. Company shall designate Designated Service Provider as a System User before Designated Service Provider sends Files to Bank. Notwithstanding the foregoing, Company hereby authorizes Bank to accept any File submitted by Designated Service Provider even if Designated Service Provider has not been designated as a System User or if the third party Designated Service Provider has not executed a Designated Service Provider Agreement. Company hereby indemnifies and holds Bank harmless for any losses, damages, fines, assessments, costs, fees (including attorneys' fees), and expenses incurred or suffered by Bank or any other person arising from or in any way related to Company's use of Designated Service Provider or any alleged or actual violation of the Rules.
10. **International ACH Transactions ("IAT").** In the event Bank offers International ACH Transactions, and approves Company to initiate any IAT Entries, the following terms will apply to IAT Entries originated by Company:
- a. IAT Entries are transmitted by Bank in U.S. dollars and may be converted to the local currency for receipt in the foreign country at the exchange rate determined by Bank's processor on the date determined by Bank's processor. All risk of fluctuation in the applicable exchange rate is borne by Company and Company agrees and acknowledges that Bank shall not be liable to Company for any loss or charge incurred by Company as the result of the application of any foreign currency exchange criteria imposed by any institution or agency located outside the United States.
 - b. In the event of an error in an Entry or duplicate entries, Company acknowledges and agrees that Company shall be liable for any and all losses caused by a direct or indirect result from the error or duplicate Entry.

 - g. Company bears the risk of any loss caused by any delay, tax, cost, tariff, fee, or other charge incurred on account of the Entry in any country outside the United States.
 - h. If the settlement of any IAT Entry involves clearing of the Entry in more than one country outside the United States, Bank shall be permitted to rely upon any advice or instruction received by Bank from the financial institution or financial agency located in the first country outside the United States to which the Entry is directed.
 - i. IAT Entries must be authorized as provided in the Rules. The form and content of the authorization, including whether such authorization may be oral, electronic, or written, shall be governed by the laws and payment system rules of the receiving country.
 - j. Company hereby indemnifies Bank from and against any and all resulting claims, demands, losses, liabilities, or expenses, including attorneys' fees and costs, resulting directly or indirectly from Company's origination of an IAT Entry.

 - b. Employ a commercially reasonable fraudulent transaction detection system to screen each Entry;
 - c. Use commercially reasonable procedures to verify that routing numbers are valid; and,
 - d. Conduct an audit annually, and share this audit with Bank upon Bank's request, to ensure that Bank information Company obtains from Receivers is protected by security practices and procedures that include, at a minimum, adequate levels of (i) physical security to protect against theft, tampering, or damage; (ii) personnel and access controls to protect against unauthorized access and use; and (iii) network security to ensure capture, storage and distribution.
12. **Bank Obligations and Authorization.** Bank shall, in accordance with the Rules, process, transmit and settle any Entry. Bank shall have no obligation to transmit an Entry if Company fails to comply with the Rules or any terms of this Agreement.
13. **Company's Account.** Company will maintain an ACH Account with Bank at all times during the term of this Agreement. Company shall at all times maintain a balance of Available Funds in the ACH Account sufficient to cover Company's obligations under this Agreement. If Collected Balance in the ACH Account is insufficient to cover the aggregate amount of the Entries, Bank shall have no obligation to transmit such Entries. Company authorizes Bank to debit its ACH Account or any other Account maintained at Bank for any amount it owes Bank as a result of this Agreement.
14. **Prefunding.** Bank reserves the right to require Company to pre-fund an Account maintained at Bank. Bank will communicate directly to Company if pre-funding is required and, if requested by Company, will provide Company with an explanation of its pre-funding criteria. Bank may suspend Company's ACH processing if Company fails to establish the required amount of reserves within the time period specified by Bank in its communication to Company.
15. **Due Diligence.** Company will supply Bank with due diligence information when requested. This information may include, but is not limited to, financial data, names and other information concerning the principles of Company, information about the business in which Company participates, information regarding the creditworthiness of Company, projected return rates, and payment history. Bank may, in its reasonable discretion, conduct a limited review of Company's operations

to ensure compliance with the provisions of this Agreement. Where Bank reasonably believes that Company's financial condition is impaired or deteriorating, Bank may refuse to process any Entries or may require pre-funding of all Entries.

16. **Format and Content of Entries.** Entries will be formatted based on the Rules in the standard ACH format. Company shall refer to the Rules for the specific formats.
17. **Effective Entry Date.** Company must specify a Business Day as the Effective Entry Date on which it intends a batch of Entries to be posted.
18. **Authorizations.** Company shall obtain an authorization as required by the Rules ("Authorization Agreement") from the person or entity whose account will be debited or credited as the result of a Debit or Credit Entry initiated by Company and Company shall retain the Authorization Agreement while it is in effect for two (2) years after termination or revocation of such authorization as stated in the Rules. Upon request, Company shall furnish the original or a copy of the authorization to any affected Participating Depository Bank, as defined in the Rules.
19. **Prenotification.** Company, at its option, may send prenotification that it intends to initiate an Entry or Entries to a particular account within the time limits prescribed for such notice in the Rules. Such notice shall be provided to Bank in the format and on the medium provided in the media format section of such Rules. If Company receives notice that such prenotification has been rejected by an RDFI within the prescribed period, or that an RDFI will not receive Entries without having first received a copy of the Authorization Agreement signed by its customer, Company shall not initiate any corresponding Entries to such accounts until the cause for rejection has been corrected or until providing the RDFI with such authorization within the time limits provided by the Rules.
20. **Cancellation or Amendment of an Entry.** Company shall have no right to cancel or amend any Entry after its receipt by Bank and Bank shall have no obligation or duty to cancel or amend any Entry once received. However, Bank shall use reasonable efforts to act on a request by Company to cancel an Entry before transmitting it to the ACH Operator or crediting or debiting an On-Us Entry. Any such request shall comply with this Agreement, including the security procedures described in this Agreement. Bank shall have no liability if it fails to affect any amendment or cancellation. Company shall reimburse, indemnify and hold harmless Bank for any expenses (including attorneys' fees), losses or damages Bank incurs in effecting or attempting to effect Company's request for the cancellation of an Entry.
21. **Rejection of Entries.** Bank may reject any Entry, including an On-Us Entry, that does not comply with the requirements of the Rules or this Agreement. Bank shall notify Company of such rejection no later than the Business Day such Entry would otherwise have been transmitted by Bank to the ACH Operator or, in the case of an On-Us Entry, the day before its Effective Entry Date. Notices of rejection shall be effective when given. Bank shall have no liability to Company by reason of the rejection of any such Entry or the fact that such notice is not given at an earlier time than that provided for herein.
22. **Provisional Credit Notice.** In the case of a Credit Entry, credit given by the RDFI for the Entry is provisional until the RDFI has received final settlement through a Federal Reserve Bank or has otherwise received payment. If the RDFI does not receive payment for the Entry, the RDFI is entitled to a refund from the Receiver in the amount of the credit to the Receiver Account, and Company will not be considered to have paid the amount of the credit Entry to the Receiver.

 - b. The following are improper reasons for reversing an Entry and are therefore prohibited:
 - i. The Originator or Third-Party Sender failed to provide funding for the original entry or file;
 - ii. The initiation of the reversal is outside the time period permitted by the Rules. The Rules require that a reversing entry must be transmitted in such time that it is made available to the RDFI within five (5) Banking Days following the Settlement Date of the erroneous Entry; or,

In addition, if Company requests reversal of a Debit Entry or Debit File, it shall concurrently deposit into Company's Account an amount equal to that Entry or File. Company shall notify the Receiver of any reversing Entry initiated to correct any Entry it has initiated in error. The notification to the Receiver must include the reason for the reversal and be made no later than the Settlement Date of the reversing Entry.

- d. Under no circumstances shall Bank be liable for interest or related losses if the requested reversal of an Entry is not affected. If Company reverses an Entry or File, Company shall indemnify Bank against any claim, alleged claim, demand, loss, liability or expense (including attorneys' fees) arising from or in any way (directly or indirectly) related to an Entry or File reversal.
24. **Notice of Returned Entries and Notifications of Change.** Bank shall notify Company through Online Banking of the receipt of a returned Entry or Notification of Change (NOC) from the ACH Operator no later than one Business Day after the Business Day of such receipt. Bank shall have no obligation to retransmit a returned Entry if Bank complied with the terms of this Agreement with respect to the Entry. Bank shall provide Company all information, as required by the Rules, with respect to each NOC Entry or corrected NOC Entry received by Bank relating to Entries transmitted by Company. Company shall ensure that changes requested by the NOC or corrected NOC are made within the number of Banking Days as required by the Rules of Company's receipt of the NOC information from Bank or prior to initiating another Entry to the Receiver's Account, whichever is later.
25. **Automated Delivery of NOCs/Returns.** Automated Delivery of NOCs/Returns is available to Company by indicating on this Agreement and Service Documentation.
26. **Entries Returned as Unauthorized.** In the event that an Entry is returned as unauthorized or authorization revoked, Company will contact the necessary parties and resolve any dispute. During this process Company may ask Bank to request from the RDFI a copy of the "Written Statement of Unauthorized Debit." Bank will make reasonable efforts to obtain the form and will deliver it to Company when it is received. Company agrees not to re-originate any Entry returned as unauthorized or as authorization revoked unless Receiver reauthorized the Entry or Entry stream.
27. **Liability.** To the extent allowed by law, Bank shall not be liable for, and shall be excused from, failing to transmit or any delay in transmitting an Entry (i) if such transmittal would result in Bank's having exceeded any limitation upon its intra-day net funds position established pursuant to present or future Federal Reserve guidelines; (ii) if, for any reason, the ACH Operator fails or declines to process an Entry; (iii) if, in Bank's sole discretion, processing an Entry would violate or contribute to the violation of any present or future risk control program of the Federal Reserve or any Rule, law, regulation or regulatory requirement; or (iv) if processing an Entry, in Bank's sole discretion, would cause it to engage in an unsafe and unsound practice.
28. **Prohibited Transactions.** Company agrees not to use or attempt to use the services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which Company is bound, (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, or (d) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. Company acknowledges and agrees that Bank has no obligation to monitor Company's use of the Service for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Bank reserves the right to decline to execute any transaction or activity that Bank believes violates the terms of this Agreement.
29. **Rules Enforcement.** In the event that a Report of Possible Rules Violation is filed on Company, Company shall cooperate with Bank and take appropriate steps to correct the problem as required by the Rules and within the time frames suggested by Bank. In the event that a fine is levied against Bank for a violation of the Rules, Company agrees to indemnify and hold Bank harmless from any and all costs, expenses, fees (including attorneys' fees), damages, losses or other similar obligation arising from or in any way related to the fine and any claims that Company has violated the Rules.
30. **Rates.** In the event the rate of any of the following occur based on the calculations noted in the Rules, Company will share the data requested by Bank and will immediately begin the process of bringing the rate below the specified percent:

 - b. Administrative return rate exceeds three percent (3%); or,
 - c. Overall return rate exceeds fifteen percent (15%).
31. **Inconsistency of Name and Account Number.** Company acknowledges and agrees that, if an Entry describes the Receiver inconsistently by name and Account number, payment of the Entry may be made on the basis of the Account number even if it identifies a person different from the named Receiver, and Company's

obligation to pay the amount of the Entry to Bank is not excused in such circumstances.

32. **ACH Rule Compliance Review.** Company agrees to review its compliance with the ACH Rules on a periodic basis. Bank has a right to request the details of the review.
33. **Credit Approval and Exposure Limits.** In utilizing the ACH in performance of this Agreement, Bank must make certain warranties on behalf of Company. Specifically, Bank is charged with assuring the financial soundness of Company to make the intended Entries. Bank must approve all ACH Agreements and may request financial information from Company and/or a separate credit agreement. Company acknowledges and agrees that Bank shall be authorized to obtain a credit report(s) on Company as may be necessary in Bank's discretion from time to time. Bank may also from time to time assign Company an Exposure Limit. Company acknowledges that the ACH Exposure Limit is used for the protection of Bank and its assets. Company understands that daily requests for Entries exceeding this amount are honored solely at the discretion of Bank and that Bank may alter, amend, increase or decrease Company's Exposure Limit from time to time at the discretion of Bank. Requests not honored would be communicated to Company or Company's designated representative. Company must send a Secure Message through Online Banking or call, Bell Bank at 866-221-1136 or HealthcareBank 866-442-2472 option 2, as applicable, if a temporary increase is required.
34. **Delivery and Timing.** ACH Entries shall be delivered electronically to Bank through Online Banking (or other agreed upon method) by 7:00 p.m. CT one Business Day before the requested Effective Entry Date.
35. **Same Day Entries.** A Credit or Debit Entry with an Effective Entry Date of the date of or a date prior to the date of the transmission of the Entry or File to Bank and received by Bank prior to the applicable cut-off time shall be considered to be a Same Day Entry. The Rules impose a per-transaction Entry limit of \$1,000,000. Entries above the amount allowed in the Rules and IAT Entries are not eligible for Same Day ACH processing. In addition to any other fees that Company is obligated to pay Bank, Company hereby agrees to pay Bank the Same Day Entry fee established by Bank from time to time for Same Day Entries transmitted to Bank by Company.
36. **Automated ACH File Delivery.** Automated ACH File Delivery is available to Company by indicating on this Agreement and Service Documentation. ACH Entries transmitted through SFTP require PGP File Encryption through SSH Protocol). This is a required security procedure and cannot be waived. The security procedures described in this Agreement are for verification of authenticity and not to detect errors in the transmission or content of the Entry. Bank and Company have not agreed to any security practice or procedure for the detection of any such errors.
 - a. As part of the file transmission process when submitting ACH Entries through Automated ACH File Delivery, Company acknowledges and agrees to Bank's required confirmation process to validate ACH file submissions as contained in this Agreement. With each file transmission using Automated ACH File Delivery, Company will receive an automated email from

Designated Service Provider with an attachment that includes but is not limited to item count, record count, total credit amount and total debit amount. If there are any concerns or issues with this file transmission, Company has up to next ACH cutoff time to notify Bank of any issues with the file resulting in Bank not processing the file. Unless notified with this defined time duration, bank will process ACH Entries. Validation includes:

- i. Email notification is sent by Designated Service Provider;
 - ii. Designated Service Provider maintains email address and user information related to email notification;
 - iii. Company will communicate updates to email addresses or users directly to Designated Service Provider;
 - iv. Company agrees to correct and resubmit file upon notifying Bank of any issues; and
 - v. Non-receipt of an email notification will result in Bank processing file.
37. **ACH Cutoff Time.** ACH Entries will be delivered electronically to Bank through its Online Banking system (or other agreed upon method) by 7:00 p.m. CT one Business Day before the requested Effective Entry Date. Same day ACH is available and ACH Entries shall be delivered to Bank through its Online Banking system (or other agreed upon method) by 3:00 p.m. CT on the Effective Entry Date.
 38. **Financial Information and Audit.** Bank may from time-to-time request information from Company in order to evaluate a continuation of the service to be provided by Bank hereunder and/or adjustment of any limits set by this Agreement. Company agrees to provide the requested financial information immediately upon request by Bank, in the form required by Bank. Company authorizes Bank to investigate or reinvestigate at any time any information provided by Company in connection with this Agreement or the Service. Upon request by Bank, Company hereby authorizes Bank to enter Company's business premises for the purpose of ensuring that Company is in compliance with this Agreement and Company specifically authorizes Bank to perform an audit of Company's operational controls, risk management practices, staffing and the need for training and ongoing support, and information technology infrastructure. Company hereby acknowledges and agrees that Bank shall have the right to mandate specific internal controls at Company's location(s) and Company shall comply with any such mandate. In addition, Company hereby agrees to allow Bank to review available reports of independent audits performed at Company location related to information technology, the service and any associated operational processes. Company agrees that if requested by Bank, Company will complete a self-assessment of Company's operations, management, staff, systems, internal controls, training and risk management practices that would otherwise be reviewed by Bank in an audit of Company. If Company refuses to provide the requested financial information, or if Bank concludes, in its sole discretion, that the risk of Company is unacceptable, if Company violates this Agreement or the Rules, or if Company refuses to give Bank access to Company's premises, Bank may terminate the service and this Agreement according to the provisions hereof.

BUSINESS BILL PAY ADDENDUM

1. **Description of Service.** This Business Bill Pay Service allows Company to direct Bank and Designated Service Provider to submit Payment Instructions to make payments Company chooses in accordance with this Agreement to a designated Payee utilizing the System.
2. **Bill Pay Services.** Company will establish and authorize bill payments to the Payee by submitting Payment Instructions to Bank and Designated Service Provider through the System. Company is solely responsible for choosing the Payment Account, establishing Payees, and providing accurate Payment Instructions. All Payees must have a valid US address, zip code, and telephone number. At the sole discretion of Bank or Designated Service Provider, payments may include, but may not be limited to, an electronic payment, an electronic check payment in the form of a single-use pre-paid card, or a paper draft check payment (funds remitted to the Payee are deducted from Company's Payment Account when the paper draft check is presented to Bank for payment). Subject to the terms and conditions of this Agreement, Designated Service Provider will follow Company's Payment Instructions by debiting Company's Payment Account and remitting the funds on Company's behalf to the designated Payee.
3. **Bill Pay Access.** Company may use the Service offered by Bank through Designated Service Provider according to the terms and conditions of this Agreement. All Accounts, including Personal Accounts, are eligible to be enrolled in the Service.
4. **Payment Cancellation Requests and Stop Payments.** Company may cancel or edit any Scheduled Payment (including Recurring Payments) prior to 3 p.m. CT on the Payment Processing Date only if Designated Service Provider has not begun to process the payment. There is no charge for canceling or editing a Scheduled Payment. Company understands and agrees once any Payment Instruction is in-process, it cannot be canceled or edited through the Service or that any stop payment request can be honored only if Payment Account has not already been debited for the payment and Bank or Designated Service Provider has had a reasonable time to act on the stop payment request. In addition, stop payment requests are subject to the provisions set forth in this Agreement. Customary stop payment fees will apply.

Bank or Designated Service Provider's ability to process a stop payment request will depend on the payment method and how the funds were remitted to the Payee and the elapsed time since the Payment Instructions were processed. Bank or Designated Service Provider may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If Company desires to stop any payment that has already been processed, Company must contact customer service at Bell Bank at 866-221-1136. Although Bank and or Designated Service Provider will make every effort to accommodate Company's request, Bank and or Designated Service Provider will have no liability for failing to do so, and Company shall indemnify Bank and Designated Service Provider for any damages incurred during such attempt.
5. **Timeliness of Payments.** Company is solely responsible for scheduling and authorizing bill payments in such a manner that the bills will be paid on time.
6. **Payment Scheduling.** When scheduling payments, Company must select a Scheduled Payment Date that is no later than the actual Due Date reflected on Company's Payee statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, Company must select a Scheduled Payment Date that is prior to the actual Due Date. Scheduled Payment Dates must be earlier than the late date or grace period.
7. **Recurring Payments.** Company is able to schedule Recurring Payments through the Service. When a Recurring Payment is processed, the next instance of the Recurring Payment is automatically scheduled by the Service. Based upon the frequency settings selected by Company for the Recurring Payment, the next Scheduled Payment Date is chosen by the Service for the next occurrence of the Recurring Payment. If the chosen Scheduled Payment Date falls on a non-Business Day, the Scheduled Date will be set to the preceding Business Day. If Company frequency settings for a Recurring Payment specify the 29th, 30th, or 31st as the Scheduled Payment Date for a particular month where those days do not exist in that month, then the last Business Day of that month will be used as the Scheduled Payment Date.
8. **Rush Payments.** Rush Payments are available to Company through the Service. Rush Payments guarantee delivery of bill payments to Payees within two Business Days. Fees for Rush Payments are disclosed within the Service when scheduling a Rush Payment.
9. **Payment Authorization and Payment Remittance.** By providing Bank and Designated Service Provider with Payment Instructions through the Service, Company authorizes Bank and Designated Service Provider to make payments to

a designated Payee Account by debiting the designated Payment Account. In order to process payments more efficiently and effectively, Designated Service Provider may edit or alter payment data or data formats in accordance with Payee directives in order for payments to be processed electronically.

When Bank and Designated Service Provider receives Payment Instructions from Company through the Service, Company authorizes Bank and Designated Service Provider to debit Company's Payment Account and remit funds on Company's behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by Company. Company also authorizes Bank and Designated Service Provider to credit Company's Payment Account for payments returned to Bank and or Designated Service Provider by the United States Postal Service or Payee.

Designated Service Provider will use commercially reasonable efforts to make all Company's payments properly. However, Bank and Designated Service Provider shall incur no liability and any service guarantee, as described above, shall be void if Bank and Designated Service Provider is unable to complete any payments initiated by Company because of the existence of any one or more of the following circumstances:

- a. If, through no fault of Bank, Company's Payment Account does not contain sufficient funds to complete the transaction, or the transaction would exceed the credit limit of Company's Payment Account;
- b. The payment processing center is not working properly, and Company knows or has been advised by Bank and or Designated Service Provider about the malfunction before Company executes the transaction;
- c. Company has not provided Designated Service Provider with the correct Payment Account information, or the correct name, address, telephone number or Payee Account information for the Payee.

Bank and Designated Service Provider are not required to honor any Payment Instructions if Collected Balance, or Available Balance for Personal Accounts, is not sufficient in the Payment Account in an amount equal to or greater than the amount of the item. In the case of insufficient funds, Bank or Designated Service Provider has the option in its sole discretion to either honor or dishonor the item. If the item is honored, Company is liable for any overdraft and related charges. If the item is dishonored, Company is responsible for any related charges from Bank or third parties.

10. **Prohibited Payments.** Payments to Payees outside of the United States or its territories are prohibited through the Service.
11. **Exception Payments.** Tax payments and court-ordered payments should not be scheduled through the Service. In no event shall Bank or Designated Service Provider be liable for any claims or damages resulting from Company scheduling these types of payments. The service guarantee described above, as it applies to any late payment related charges, is void when these types of payments are scheduled and/or processed through the Service. Bank and Designated Service Provider has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, un-posted or misdirected payments will be the sole responsibility of Company and not Bank or Designated Service Provider.
12. **Bill Delivery and Presentment.** This feature is for the presentment of electronic bills ("eBills") only and it is Company's sole responsibility to contact Payees directly if Company does not receive its statements. In addition, if Company elects to activate one of the Service's electronic bill options, Company also agrees to the following:
 - a. Designated Service Provider is unable to update or change Company's information including, but not limited to, name, address, telephone numbers and email, with the electronic Payee. Any changes will need to be made by contacting the Payee directly. Additionally, it is Company's responsibility to maintain Login Credentials for all electronic Payee sites. Company also agrees not to use information received without authorization to gain unauthorized access to another person or company's bill. Designated Service Provider may, at the request of the Payee, provide to the Payee, Company's email, service address, or other data specifically requested by the Payee at the time of activating the electronic bill for that Payee, for purposes of the Payee informing Company about Service and/or bill information.
 - b. Upon activation of the electronic bill feature, Designated Service Provider may notify the Payee of Company's request to receive electronic billing information. The presentment of Company's first electronic bill may vary from Payee to Payee and may take up to sixty (60) calendar days, depending on the billing cycle of each Payee. Additionally, the ability to receive a paper

copy of Company's statement(s) is at the sole discretion of the Payee. While Company's electronic bill feature is being activated, it is Company's responsibility to keep its Payee Accounts current. Each electronic Payee reserves the right to accept or deny Company's request to receive electronic bills.

- c. Company's activation of the electronic bill feature for a Payee shall be deemed by Designated Service Provider to be Company's authorization for Designated Service Provider to obtain bill data from the Payee on Company's behalf. For some Payees, Company will be asked to provide Designated Service Provider with Company's Login Credentials for that Payee. By providing Designated Service Provider with such information, Company authorizes Designated Service Provider to use the information to obtain Company's bill data.
 - d. Designated Service Provider will use commercially reasonable efforts to present all of Company's electronic bills promptly. In addition to notification within the Service, Designated Service Provider may send an email notification to the email listed for Payment Account. It is Company's sole responsibility to ensure that this information is accurate. In the event Company does not receive notification, it is Company's responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Payee to Payee. Company is responsible for ensuring timely payment of all bills.
 - e. The electronic Payee reserves the right to cancel the presentment of electronic bills at any time. Company may cancel electronic bill presentment at any time. The timeframe for cancellation of Company's electronic bill presentment may vary from Payee to Payee. It may take up to sixty (60) calendar days, depending on the billing cycle of each Payee. Designated Service Provider will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
 - f. Company agrees to hold Bank or Designated Service Provider harmless should the Payee fail to deliver Company's statement(s). Company is responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Payee directly.
 - g. Designated Service Provider is not responsible for the accuracy of Company's electronic bill(s). Designated Service Provider is only responsible for presenting the information it receives from the Payee. Any discrepancies or disputes regarding the accuracy of Company's electronic bill summary or detail must be addressed with the Payee directly.
 - h. This Agreement does not alter Company's liability or obligations that currently exist between Company and its Payees.
13. **Service Termination, Cancellation or Suspension.** Any payment(s) Bank or Designated Service Provider has already processed before the requested cancellation date may be completed by Bank or Designated Service Provider, in its sole discretion. All Scheduled Payments including Recurring Payments will not be

processed once the Service is cancelled. Bank or Designated Service Provider may terminate this Service to Company at any time and for any reason, including, but not limited, non-use of the Service for an extended period of time. Termination shall not affect Company's liability or obligations under this Agreement.

14. **Establishing and Maintaining Payees.** To begin using the Service, Company must establish at least one Payee in the Payee List. Company may add, modify, or delete Payees as necessary. Company is responsible from managing the Payee List and maintaining accurate Payee information, such as, but not limited to the address to which the Payee specifies payments are to be delivered, Payee Account number and the name on the Payee Account. All Payees must have a valid U.S. address, zip code, and telephone number. Bank and Designated Service Provider reserve the right to refuse or remove a Payee for any reason.
15. **Scheduling Payments.** Company must choose a Payee from the Payee List and indicate through Payment Instructions whether bill payment is for one-time or a Recurring Payment.
16. **Payee Limitation.** Bank reserves the right to cancel any bill payments to Payee to whom Company may direct a payment. Bank will notify Company promptly if Bank decides to cancel bill payments to a Payee designated by Company. This notification is not required if Company attempts to make a prohibited payment or an exception payment under this Agreement.
17. **Returned Payments.** In using the Service, Company understands that Payees and/or the United States Postal Service may return bill payments to Company or Designated Service Provider for various reasons including, but not limited to (i) Payee's forwarding address expired; (ii) Payee Account number is not valid; (iii) Payee is unable to locate Payee Account; or, (iv) Payee Account is paid in full or has been turned over to another business, person or other entity. If a bill payment is returned due to the Payee unable to locate the Payee Account, the Payee will be deactivated in the Service and all Scheduled Payments and Recurring Payments for that Payee canceled. If bill payments in the form of a paper draft check are returned to Designated Service Provider due to an invalid Payee address, Designated Service Provider will update the Payee address if an updated address was provided with the returned paper draft check. Company may receive notification from the Service in the event an electronic bill payment is returned.
18. **Information Authorization.** Company agrees that the Service reserves the right to obtain financial information regarding your account from a Payee or your financial institution (for example, to resolve payment posting problems or for verification).
19. **Single Use Virtual Card Payment.** Certain Service payments may be processed using a prepaid, single-use virtual card. Single use virtual cards provide a fast and secure way for Company's payment to be delivered. In the event your payment is processed using a single use virtual card, you will not recognize the payment method and/or card numbers on any payment confirmation you may receive from your Payee.

7. **Foreign Transactions.** Foreign transfers may be subject to delays, charges imposed by other financial institutions, and changes in foreign currency exchange rates. If Company directs a payment order to a foreign country, Bank may execute the order in the currency of the country of the Beneficiary's bank at either our buying rate of exchange for U.S. dollar transfers or the exchange rate of the Beneficiary bank. If the wire transfer is made in U.S. dollars, Bank cannot guarantee that the Beneficiary will receive the funds in U.S. currency. The Beneficiary bank may convert the funds into the local currency and may also charge incidental fees. If for any reason the payment order is returned to us, you agree to accept the refund in U.S. dollars in the amount of the foreign money credit, based on the current buying rate on the day of the refund, less any charges and expenses incurred by us. Unless you advise us otherwise, we may charge your Account to pay for fees imposed by intermediary banks or instruct such banks to obtain payment of their charges for wire transfer Services and expenses by deducting the amount from your order. A portion of those charges may be shared with us.
8. **Additional Foreign Online Wire Transfers Instructions.** In order to process an Online Wire Transfer to a foreign country, additional information may be required, such as a SWIFT Bank Identifier code (SWIFT BIC), International Routing Code (IRC) as applicable, and to participating countries the Beneficiary's International Bank Account Number (IBAN). Requirements are subject to change at any time.
9. **Transmittal of Online Wire Transfer Authenticity.**
 - a. Company shall transmit any and all wire transfer requests to Bank in accordance with this Agreement. Company shall comply with the security procedures described in this Agreement. Bank will send a confirmation on all Online Wire Transfer instructions submitted through Online Banking to Company's email included on the Online Wire Transfer application or as otherwise provided by Company to Bank. Company acknowledges that it has reviewed the security procedures and agrees that they are commercially reasonable for Company in light of the size, frequency and amount of transactions Company expects to initiate. Bank and Company both agree that the authenticity of wire transfers submitted to Bank in its name as sender will be verified solely pursuant to the security procedures and Company agrees to comply with the security procedures.
 - b. Company acknowledges that the security procedures are for verification of authenticity of a wire transfer sent to Bank in Company's name and not to detect errors in the transmission or content of the wire transfer. Bank and Company have not agreed to any security practice or procedure for the detection of any such error. All wire transfers sent to Bank (and cancellations and amendments) in Company's name and accepted by Bank in compliance with the security procedures desired by Company will be binding upon Company regardless of whether they are authorized by Company.
 - c. Company shall prevent and safeguard against unauthorized transmissions, disclosures and access to Security-Related Items. Company shall establish, maintain and enforce physical and logical commercially reasonable security practices, techniques and procedures with respect to access, storage and maintenance to safeguard against unauthorized transmissions and unauthorized access to Security-Related Items. Such practices, techniques and procedures shall be no less than the security-related requirements set forth in this Agreement.
 - d. Without limiting the foregoing, Company warrants that only System Managers and System Users will be allowed to initiate Online Wire Transfers. If Company suspects, knows, believes or has reason to believe that anyone who is not a System Manager or System User has transmitted or attempted to transmit one or more Online Wire Transfers, or that the security procedures or other Security-Related Items have otherwise been compromised, Company agrees to immediately notify Bank and agrees that any Online Wire Transfer received by Bank before or within a reasonable time after such notice to Bank shall be treated as authorized by Company.
 - e. Company hereby authorizes Bank to transmit any wire transfer instructions received by Bank from Company in accordance with the terms and conditions of this Agreement and to debit the amount of such Online Wire Transfer from the Wire Account specified by Company.
 - f. Company will transmit Online Wire Transfers in accordance with the following Online Banking instructions:
 - i. Bank offers its Online Banking Service to enable Company to issue Online Wire Transfer instructions from its terminal or desktop computer directly to Bank's wire transfer System via the internet. Company authorizes System Managers and System Users to receive all confidential funds transfer materials from Bank including Login Credentials and setup instructions.
 1. For new Service or to change existing Service, Company must specify:
 - a. The Account(s) to be available to the System Managers; and,
 - b. If System Managers can submit Online Wire Transfer instructions for domestic, foreign in USD, or foreign in foreign currency.
 2. Bank will supply the System Manager with Login Credentials that include an initial log-in password which must be changed immediately upon logging in the first time.
 - ii. Bank recommends that Company requires a secondary authorization for all Online Wire Transfer instructions. In order to provide the most

security protection to Company, for transfers not transmitted through SFTP, secondary authorization should be given by a different System Managers or System User using a security token furnished by Bank

- iii. In the event that there is an outage with Online Banking, Bank offers an Alternative Method to enable Company to issue Online Wire Transfer instructions to Bank through Online Banking's Secure Message service. If Online Banking's Secure Message Service is unavailable, Company will utilize Bank's Secure Email to transmit Payment Instructions and will call Bell Bank at 866-221-1136 or HealthcareBank 866-442-2472 option 2, as applicable to authenticate identity. Company authorizes Individuals with access to the Online Wire Transfer Service to receive all confidential funds transfer materials from Bank related to this Service. In addition, Company must authorize Individuals to submit Online Wire Transfer instructions to Bank through Online Banking's Secure Messaging service or Bank's Secure Email service.

- 1. In the event that Company's Mobile Device or desktop computer with VIP Access App, is lost, or is otherwise inaccessible, Company will contact Bank to report Individuals' Login Credentials with linked Credential ID and request connection removed. Company will obtain a different Mobile Device or desktop computer, download VIP Access App and contact Bank to link new Credential ID to Individuals' Login Credentials.
- 2. In the event that the hand-held security token malfunctions, is lost, or is otherwise inaccessible, Company will contact Bank to report and request Individuals' Login Credentials with linked Credential ID be removed. Bank will link a new Credential ID to a replacement hand-held security token for Individual and complete the out-of-band authentication on behalf of the Individual for the Online Wire Transfer before sending the new hand-held security token to Company for Individual.

- 10. **Automated Wire File Delivery.** If Bank offers Automated Wire File Delivery through SFTP, it will be available to Company by indicating on the Agreement and Service Documentation.

a. **SFTP Security Procedures.** Company acknowledges and agrees that:

- i. Wires transmitted through SFTP require PGP File Encryption through SSH Protocol. This is a required SFTP Security Procedure and cannot be waived;
- ii. To the extent Company uses the Automated Wire File Delivery Service through SFTP to send wire transfer instructions to Bank, the "SFTP Security Procedures" shall refer to the Security Procedures section of this Service Addendum modified to exclude the authentication tools available to wire transfer instructions that are sent to Bank using the Bank's Online Banking platform. The SFTP Security Procedures may not be as secure as the security procedures otherwise made available pursuant to this Agreement, and some fraud protection programs offered by Bank for transactions conducted via the Service are not available to Company as a result of Company's use of SFTP;
- iii. Company chooses to use SFTP instead of the security procedures available through the Online Banking platform to transmit wire transfer instructions understanding that authenticating the transmission of such data by the SFTP Security Procedures instead of the security procedures available through the Online Banking platform may increase the risk of unauthorized transactions, and Company accepts such increased risks;
- iv. Company: (i) has determined that the SFTP Security Procedures will provide a commercially reasonable method for verifying whether a wire transfer instruction is that of Company and that as part of the review, Company has considered the size, type, and frequency of the wire transfer instructions Company normally makes or anticipates making, along with such other factors as Company may deem relevant or appropriate; and (ii) Company shall immediately notify Bank if Company believes Company SFTP software has been accessed or used by an unauthorized party;
- v. Company agrees that if the size, type or frequency of wire transfer instructions made by Company or on Company's behalf change such that the SFTP Security Procedures no longer provide a commercially reasonable method of providing security against unauthorized wire transfer instructions, Company shall immediately notify Bank; and

- vi. Company agrees that if Bank acts on a wire transfer instruction in compliance with the SFTP Security Procedures, then Company will be obligated on the wire transfer instruction, and it will be treated as Company's wire transfer instruction, whether or not authorized by Company. Further, regardless of whether or not Bank complied with the SFTP Security Procedures, any wire transfer instruction received by Bank will be treated as Company's and will bind Company if the wire transfer instruction is delivered to Bank directly or indirectly by any authorized representative of Company, or if Company would otherwise be legally bound by the wire transfer instruction, regardless of whether the wire transfer instruction was erroneous in any respect or that any loss would have been prevented if Bank had complied with the SFTP Security Procedures.

11. **Security Procedures.**

- a. Adding the Online Wire Transfer Service requires all System Managers or System Users at Company who will submit or approve Online Wire Transfers to use a security token when submitting Online Wire Transfer instructions to Bank. This requirement cannot be waived. Security tokens may be offered, when available, as an additional security procedure for wire transfer requests initiated via secure email, telephone, or telefacsimile.
- b. Company authorizes Bank to execute wire transfers from any authorized user as provided by Company to Bank.
- c. Bank will conduct a callback on wires received via phone or email or to an authorized individual who has been designated by Company to verify funds transfers. Company authorizes Bank to execute a wire transfer upon verification by the callback party.
- d. Bank may, at its sole discretion, conduct call bank verification regarding the authenticity or accuracy of any wire transfer request.
- e. Before sending a wire transfer request to Bank, Company agrees to review the security procedures and determine whether the security procedures will provide a commercially reasonable method for verifying whether a wire transfer request is unauthorized. As part of the review, Company will consider the size, type, and frequency of wire transfer requests Company makes or anticipates making, along with such other factors as Company may deem relevant or appropriate. Company agrees that the security procedures offered by Bank are commercially reasonable. If the size, type, frequency and/or amount of the transactions made by you change, such that the security procedures in use by you no longer provide a commercially reasonable method of providing security against unauthorized payment orders, you agree to immediately notify us. Company understands and acknowledges that if Bank acts on a wire transfer request in compliance with the security procedures, then Company will be obligated on the wire transfer, and it will be treated as your wire request, whether or not authorized by you. Regardless of whether or not Bank complied with the security procedures (or if any loss would have been prevented) a wire transfer request received by us directly or indirectly from an authorized representative will be treated as authorized by Company.
- f. Company is responsible for safeguarding secure information and security procedures. In connection with such safeguarding obligations, Company agrees to implement and maintain physical, technical, and administrative controls and procedures sufficient to prevent impermissible or unauthorized access to or use of the wire transfer Services. Company assumes all risk associated with the disclosure of any part of the security procedures to third parties, including employees. Company agrees to limit disclosures of security procedures to those third parties, employees or agents that Company authorizes to access such services. Bank may elect to verify the authenticity or content of any wire transfer request by sending a secure email, text, or placing a call to any authorized signer on Company's Account or any other person designated by you for that purpose. Bank may deny access to Wire services without prior notice if Bank is unable to confirm to our satisfaction any person's authority to access the services or if we believe such action is necessary for security reasons.

Each time Company makes a wire transfer request, Company warrants that Bank's security procedures are commercially reasonable (based on the normal size, type, and frequency of Company's transactions). Company's failure to accept security procedures offered increases its exposure to and responsibility for, unauthorized transactions. Company agrees to be bound by any transfer, instruction or wire transfer request Bank receives, even if it is not authorized by you, and is otherwise processed by Bank in accordance with the security procedures designated for the service.

12. **Delivery and Timing:** All domestic Online Wire Transfer instructions delivered through Online Banking shall be delivered to Bank by 5:00 p.m. CT. All international USD and international FX currency Online Wire Transfer instructions delivered through Online Banking shall be delivered to Bank by 4:00 p.m. CT. All instructions received after the deadline will be processed the following Business Day.

13. **Limits:** Bank establishes limits for wire transfers and Individuals must send a Secure Message through Online Banking or call Bell Bank at 866-221-1136 or HealthcareBank 866-442-2472 option 2, as applicable, if a temporary increase is required.

14. **Funding.** Company must ensure that the Collected Balance in the Wire Account is equal to or greater than the amount of the wire transfer instructions.

POSITIVE PAY ADDENDUM

1. **Description of Service.** This Positive Pay Service allows Company to use Positive Pay Services to help identify and resolve suspect Check and ACH activity in a timely manner subject to and according to the terms and conditions of this Agreement and the related Service Documentation. Review the section entitled "Fraud Detection and Prevention – Positive Pay and Indemnification" in the General Terms and Conditions if you do not enroll in our Positive Pay Service in connection with your Account.

2. **ACH Transaction Filter / Block Setup.** Company shall create Company ACH Rules in the System to block Credit Entries and Debit Entries, pursuant to the requirements detailed in Bank's current Service Documentation.

3. **ACH Authorization Company ACH Rules Setup.** Prior to the Service detecting and creating unauthorized ACH Debit Entry Exception(s), Company shall create and maintain Company ACH Rules by using Login Credentials to access the System. A Company ACH Rule can include the originating company, standard entry class, transaction type (debits and credits), and maximum authorization dollar amount. These Company ACH Rules will determine if an ACH Exception will be created. If using ACH Positive Pay, Company shall define all pre-authorized Company ACH Rules in the System for Authorized Account pursuant to this Agreement and the requirements detailed in Bank's current Service Documentation. If an unauthorized ACH Credit Entry or ACH Debit Entry posts to Company's Authorized Account, Company ACH Rules determine if an ACH Credit Entry Exception or ACH Debit Entry Exception will be created.

If Company creates a Company ACH Rule in the System to monitor for a specific Credit Entry or Debit Entry and chooses the value, email notification only, Company will receive an email notification, but no ACH Credit Entry Exception or ACH Debit Entry Exception will be created. Bank shall have no obligation to act on any Credit Entry or Debit Entry as a result of an email notification.

4. **Payment or Return of ACH Debit Entry Exceptions or ACH Credit Entry Exceptions.** Company will review the Exception List each Business Day by 3:00 p.m. CT through the Positive Pay System, otherwise Company's chosen default option will be applied. If Company creates a Company ACH Rule in the System to block a Credit Entry or Debit Entry, Company agrees that Bank will pay or return all Credit and Debit Entries on Company's Authorized Account in accordance with the default option selected by Company. Company agrees Bank shall have no liability for any Debit Entries that are paid, or Credit Entries that are deposited, prior to the time Company creates Company ACH Rule to block such Credit Entry or Debit Entry.

- a. Subject to the provisions of this Agreement, as long as the Collected Balance in the Authorized Account is sufficient to pay the Debit Entry, Bank will pay any Debit Entries from the Authorized Account that are consistent with the information in the ACH Rule created by Company in the System. If the Collected Balance is not sufficient in the Authorized Account to pay the Debit Entries, then Bank, at its sole discretion and with no liability or obligation, may authorize or not authorize an overdraft of the Authorized Account.
- b. Debit Entries drawn against the Authorized Account which are not consistent with information in Company ACH Rule created by Company in the System shall be considered unauthorized and will be returned by Bank.
- c. Bank shall provide Company an Exception List that indicates whether Bank has received any ACH Debit Entry Exception or ACH Credit Entry Exception, in accordance with any Company ACH Rule.

5. **Check Positive Pay Services.** Prior to issuing any Checks on an Authorized Account, Company shall submit an Issued Check File to Bank one Business Day before issuing Checks to payees. The Issued Check File shall accurately state the complete Check number, exact amount, and the date of every Check issued on each Authorized Account since the last Issued Check File was submitted. Each Issued Check File must be submitted to Bank on designated Business Days by 6:00 p.m. CT by uploading/importing through the System. Company shall include the Payee name in the Issued Check File when electing to use Payee Match Positive Pay.

Company shall upload the Issued Check File on the System. The Positive Pay System is capable of mapping Issued Check Files created from multiple software programs. Company will provide a sample file to Bank prior to training and Bank will map the file to create a template specific to Company.

If Company issues a stop payment order on a Check that was listed in an Issued Check File, Check will be considered matched in the Positive Pay System.

Bank may recommend Company use a certain designated vendor for check printing needs to assure that Company's business checks meet the standards of the ACH Rules. Company agrees to ensure the MICR encoding ink is of high quality. Not using business checks with high quality MICR ink could result in a large number of Positive Pay violations, Exceptions, and high costs to Company.

With respect to the determination of an Exception Check:

- a. For each Check presented for payment through the check collection system, Bank shall compare each Presented Check by Check number and amount against each Issued Check File received by Bank on previous Business Days and not yet matched. On each Business Day, Bank shall pay and charge to the Authorized Account each Presented Check that matches the Check number and amount of the Check shown in any Issued Check File. Bank shall provide Company an Exception List that indicates whether Bank has received any Exception Checks and, if so, specifies the Check number and amount of any such Exception Check.
- b. For each Check presented for immediate payment to Bank "over the counter", such as by a teller transaction, Bank shall compare each Presented Check by Check number and amount against each Issued Check File received by Bank. If the Presented Check is an Exception Check, Bank shall turn away the Check regardless of the default option selected and refer the presenter of the Exception Check back to Company.

6. **Payment or Return of Exception Checks.** Company will review the Exception List each Business Day by 3:00 p.m. CT through the Positive Pay System, otherwise Company's chosen default option will be applied. Bank will pay or return Exception Checks in accordance with the default option selected by Company. Bank recommends a return default option for Company.

- a. Where Company has selected the return default option to apply to an Authorized Account, Bank shall return to the depository bank any Exception Check drawn on that Authorized Account, unless Company instructs Bank to pay such Check in a timely Pay Request through the System by 3:00 p.m. CT each Business Day in accordance with the Service Documentation. The Pay Request shall identify each Exception Check that Company desires to be paid by the Check number and amount specified in the Exception List and shall instruct Bank to pay such Exception Check.

- i. Bank shall pay and charge to the Authorized Account any Exception Check that Company directs Bank to pay as provided above.

- b. Where Company has selected the pay default option to apply to an Authorized Account, Bank may pay and charge to the Authorized Account any Exception Check provided that Company has not objected to such payment in a Return Request through the System by 3:00 p.m. CT each Business Day in accordance with the Service Documentation. A Return Request shall identify each Exception Check that Company desires not to pay by the complete Check number and amount specified in the Exception List and shall instruct Bank to return the Exception Check.

- i. Bank shall return to the depository bank any Exception Check that Company instructs Bank to return as provided above.

7. **Payee Match Positive Pay Services.** For Payee Match Positive Pay, Company agrees to comply with the Payee Match Positive Pay implementation guidelines document.

8. **Payee Match and Decision Learning.** As part of the Payee Match Positive Pay Service, Bank may offer a Decision Learning function. The "Decision Learning" function uses Company's prior exception-decision history for a specific account to assist in identifying and categorizing future items and exceptions. When a Payee Match exception is manually approved for payment or returned, the System may retain information relating to the account, the issued Payee, and the Payee identified on the presented item and may use that information to evaluate future items with similar characteristics. As a result, future items that meet previously manually approved Payee Match exception criteria may be automatically verified and approved for payment or returned and may not create a Payee Match exception for review.

Company acknowledges and agrees that Decision Learning will be enabled by default for Company's account(s). Company may request that Decision Learning be disabled; however, Company acknowledges that disabling the feature may result in an increased number of Payee Match exceptions requiring manual review and decisioning.

Company acknowledges and agrees to the use of the Decision Learning functionality and acknowledges that approval or return of a Payee Match exception may create a learned relationship that may be used in connection for future transactions involving similar account and payee information. Company understands that any recommendations, categorizations, verifications, or automated determinations generated by the Decision Learning feature are provided solely as an aid and do not replace Company's obligation to review all Positive Pay reports, exceptions, statements, and transactions and to verify the accuracy and completeness of all information. Company remains solely

responsible for all pay, return, and exception decisions and for promptly reporting any errors, discrepancies, unauthorized transactions, or suspected fraud.

9. **Auto-Load Issued Check File.** Auto-Load Issued Check File is available to Company by indicating on the Service Documentation. Login Credentials to Online Banking are not required for Auto-Load Issued Check File; however, Company is required to have Login Credentials for Online Banking to use System for features of Check Positive Pay and/or Payee Match Positive Pay.
10. **Compliance.** Company represents and warrants that it will comply with the Authorized Account Regulations and all applicable laws, regulations, regulatory requirements and Bank's current Service Documentation.
11. **Company and Bank Communications.** Company or Bank, at its discretion, may each submit to the other party a revision of any communication, including but not limited to Issued Check Files, Exception Checks, and Pay and Return Requests, provided for under this Agreement. The revised communication must (i) be sent in its entirety and not in the form of a partial amendment to the communication originally sent, (ii) identify the original communication, and (iii) be sent in the format and medium, by the deadline(s), and at the place(s) established by the receiving party. A properly submitted revised communication serves to revoke the original communication.
12. **Warranties and Responsibilities.** Company is solely responsible for the integrity of the information it provides to Bank in Company ACH Rules it creates in the System. If Company creates inaccurate or incomplete Company ACH Rules, truly authorized Credit Entries or Debit Entries may be returned or unauthorized Credit Entries or Debit Entries may be paid, and Company shall bear any and all responsibility for any losses or other consequences that may occur in either event. Company waives any claim of wrongful dishonor associated with any returned Credit Entry or Debit Entry which was returned because (i) incorrect or incomplete information was provided in Company ACH Rule; (ii) Company ACH Rule was not created within a reasonable time for Bank to act prior to the Effective Entry Date of such Credit Entry or Debit Entry; or (iii) while an error may have occurred, Bank performed to the standard described in this paragraph.

Company warrants to Bank: that its Issued Check Files, Pay Requests and Return Requests are accurate and timely and have been duly authorized by Company; that Company shall perform its obligations under this Agreement consistent with the U.C.C. and it shall otherwise perform its obligations under this Agreement consistent with all applicable laws and regulations. Company agrees to indemnify Bank against any loss, liability or expense resulting from or arising out of any breach of any of the foregoing warranties or this Agreement.

If System Manager or System User contacts Bank to inform Bank that an Individual uploaded an Issued Check File in error, Bank may act on Company's verbal request to purge that particular file, if the System allows.

13. **Indemnification and Limitation of Liability.** To the extent Bank incurs any such liability; in no event shall its liability exceed the lesser of Company's actual damages resulting from Bank's wrongful payment of a Credit Entry or Debit Entry or the amount of the Credit Entry or Debit Entry. Bank shall not be liable for violating its duties under this Agreement, or otherwise, if Company has sustained no actual damages because Bank's honor of a Credit Entry or Debit Entry discharged for value an indebtedness of Company.
14. **Remedies.** To the extent applicable, the liability provisions of U.C.C. shall govern this Agreement, except as modified below.
 - a. Except as provided below, it shall constitute wrongful dishonor by Bank if Bank dishonors an Exception Check that Bank has been ordered to pay pursuant to a properly submitted Pay Request. Bank's liability for wrongful dishonor of an Exception Check shall be limited to the damages for wrongful dishonor recoverable under the U.C.C. Bank shall have no liability to Company for wrongful dishonor when Bank, acting in good faith, returns or declines to cash an Exception Check:
 - i. That it reasonably believed was not properly payable;
 - ii. If there are insufficient Available Funds on deposit in the Authorized Account; or,
 - iii. If required to do so by the Services of legal process on Bank or the instructions of regulatory or government authorities or courts.
 - b. Except as provided in the paragraph above, if Bank honors an Exception Check in accordance with the Pay Default option selected by Company or in accordance with a proper Pay Request issued by Company, such honor shall be rightful, and Company waives any right it may have to assert that the Exception Check was not properly payable. If Bank dishonors an Exception Check in accordance with the return default option selected by Company or in accordance with a Return Request issued by Company, the dishonor shall be just, and Company waives any right it may have to assert that the dishonor was wrongful. Company agrees that Bank exercises ordinary care whenever it rightfully pays or returns an Exception Check consistent with the provisions of this Agreement.
15. **Delivery and Timing:** If using Check or Payee Match Positive Pay, Company will submit an Issued Check File to Bank by 6 p.m. CT, one Business Day before issuing Checks.

REMOTE DEPOSIT ADDENDUM

1. **Description of Service.** If requested by Company and available as a Service by Bank, Bank agrees to provide certain Check clearing services known as "Remote Deposit" whereby Company uses a scanner specified by Bank to scan paper Checks to create an image cash letter file to send to Bank. Images captured will be transmitted to Bank, processed by Bank and then sent to the Federal Reserve Bank and/or a Check clearing or ACH network, enabling Company to clear their daily Check deposits electronically as images, instead of physically transporting the Checks to Bank. When necessary, Bank will prepare "Substitute Checks" (as that term is defined in the Federal Reserve Board's Regulation CC) to facilitate the deposit and collection of Company's Items.

Credit given for a file received is provisional and Company is responsible for any loss sustained by Bank for acceptance of the file.
3. **Items.** Bank hereby agrees to provide Services to Company to image and capture payment information from Items for the purpose of electronic clearing pursuant to the following terms and conditions.  - f. Company shall enter the amount written on the original Item and shall not alter the amount or cause entry of the amount to vary from the portion of the Item where the amount of the Item is written in text. If Company nonetheless submits for deposit an Item where the numeric amount varies from the portion of the Item where the amount of the Item is written in text, Company acknowledges and agrees that it will be liable for any claims resulting from the inconsistency of the amounts
9. All Items must bear the Drawer's signature and indicate the Drawer's name on the original Check before Company submits the Items to Bank for Remote Deposit.
- h. Company shall retain the original Item scanned for Remote Deposit for a period of fourteen (14) calendar days in a secure location and be able to produce the original Item if requested by Bank. Company shall destroy the original Items so they are not reproducible, after the fourteenth (14th) calendar day but no later than the sixtieth (60th) calendar day. Company shall ensure destroyed Items cannot be reconstructed.
- i. All Items submitted by Company as Remote Deposit Items must be submitted and processed in accordance with Bank's current Service Documentation. All Items will be subject to Bank's established funds availability policy, including Bank's policy for placing case-by-case and exception holds. Credit given for any file received is provisional and Company agrees to indemnify Bank for any loss sustained by Bank for acceptance of the file.
- j. Bank reserves the right in its sole discretion to select clearing agents and the manner in which Items are cleared or presented for payment, including electronically through the ACH Network. Company agrees to be bound by any clearing house agreements, operating circulars, image exchange agreements and any other related agreements to which Bank is a party to.
- k. If any Item deposited to Company's Account is returned unpaid for any reason, it will be charged back to any Company's Account maintained at Bank. If an Item is dishonored, Company may receive an image of the original Check or a Substitute Check as the charged-back Item. Customary fees for charged-back Items will apply. 4. **Company Representations, Warranties, and Indemnification.**

 - g. The amount of this indemnity and the measure of damages for breach of Company's warranty shall be the amount of any loss (including interest,

- costs, and reasonable attorneys' fees and other expenses of representation) proximately caused thereby.
5. **Adjustments.** Adjustments may be debited or credited to Account if Item is disputed; there is claim of duplicate deposit, missing or forged endorsement, counterfeit Check, forgery, or another legal claim.

ARBITRATION AGREEMENT ADDENDUM

If Company does not want this Arbitration Agreement to apply, Company has the right to reject (e.g., not be bound by) this Arbitration Agreement by following the directions in the "Right to Reject" paragraph below. If Company does not reject and a Claim is arbitrated, neither Company nor Bank will have the right to: (1) have a court or a jury decide the Claim (except as outlined herein); (2) engage in information-gathering (discovery) to the same extent as in court; (3) participate in a class action, private attorney general action or other representative action in court or in arbitration; or (4) unless all parties otherwise agree in writing, join or consolidate a Claim with claims of any other person or entity.

This Arbitration Agreement describes when and how a Claim may be arbitrated. Arbitration is a method of resolving disputes in front of an Arbitrator instead of having a trial in court in front of a judge or jury. It can be a quicker and simpler way to resolve disputes. Arbitration proceedings are private and less formal than court trials. Each party to the dispute has an opportunity to present some evidence to the Arbitrator. The Arbitrator will issue a final and binding decision resolving the dispute (the "award"), which may be enforced as a court judgment. A court rarely overturns an Arbitrator's decision.

1. **Governing Law.** This Arbitration Agreement is governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (the "FAA"), and not by any state arbitration law.
2. **Right to Reject.** If Company does not want this Arbitration Agreement to apply, Company may reject it by mailing us a written opt-out notice which specifies your name and address, identifies the applicable Account number(s) and includes a signed statement that you opt out of the Arbitration Provision. The opt-out notice must be signed by you and sent to us by certified mail, return receipt requested (not electronically) at Bank Bell Bank Attn: Legal Process 3100 13th Avenue S. Fargo, ND 58103.

Any opt-out notice is effective only if it complies with the preceding requirements and is postmarked within sixty (60) days after the date you opened your Account.

This is the only way Company can opt out of this Arbitration Agreement. Company's decision to opt out will not have any other effect on this Agreement or your Account with us. If you do not reject this Arbitration Agreement, it will be effective as of the date you first opened your Account. If an Account is jointly owned, one Account Owner's rejection of this Arbitration Agreement will be deemed to be a rejection by all joint Account Owners. In all other circumstances, your rejection of this Arbitration Agreement will not be deemed to be a rejection of this Arbitration Agreement by any person or entity other than you, unless you are rejecting in a fiduciary capacity for another Account Owner. In all other circumstances, your decision to opt out of this Arbitration Agreement applies only to Company's Accounts and not to any Personal Accounts. All Personal Accounts shall continue to be subject to the Arbitration Agreement that governs such Personal Accounts with us. Moreover, Bank offers a number of different products and services to our customers. If Company opts out of arbitration for this Agreement, it will not affect any arbitration provision that may exist between you and us, now or in the future, in connection with other products or services you obtain from us; any such arbitration provision will remain in force unless you separately opt out of it in accordance with its terms. For example, if you also have a loan with us, opting out of this Arbitration Agreement will not constitute an opt out of any arbitration provision that may apply to the loan.

3. **Disputes Subject to Arbitration.** Company or Bank may elect to have Claims arbitrated rather than resolved in court. Claims are subject to arbitration even if they arise out of or relate to actions, omissions, transactions, facts or conduct that occurred prior to the date of this Agreement. However, this Arbitration Agreement will not apply to any Claim that was already pending in court before this Arbitration Agreement took effect.
4. **Disputes Not Subject to Arbitration.** Notwithstanding the foregoing, the following disputes are not required to be arbitrated:
 - a. Disputes that are within the jurisdiction of a small claims court (or an equivalent court). Company or Bank may bring an action in small claims court or, if an arbitration demand has been made, instruct the arbitration administrator to close the case because the dispute should be decided by a small claims court. However, if the dispute is transferred, removed, or appealed from small claims court to a different court, Company or Bank may elect to compel arbitration. Moreover, if Company or Bank brings a counterclaim or crossclaim that is for more than the small claims court's jurisdiction, the entire dispute must, if Company or Bank chooses, be resolved by arbitration; and
 - b. Disputes about the validity, enforceability, coverage or scope of this Arbitration Agreement or any part thereof (including, without limitation, the Class Action Waiver), which are for a court and not an Arbitrator to decide.

However, any dispute or argument that concerns the validity or enforceability of this Agreement as a whole is for the Arbitrator, not a court, to decide.

In addition, this Arbitration Agreement does not prohibit Company or Bank, at any time, from:

- a. exercising any lawful rights to preserve or obtain possession of property or self-help remedies, including but not limited to, the right to set off or exercise a statutory lien or other lien granted by law or rule, the right to restrain funds in an account, recoupment, repossession, replevin or trustee's sales;
 - b. obtaining provisional or ancillary remedies or injunctive relief (other than a stay of arbitration), including but not limited to attachment, garnishment, interpleader or the appointment of a receiver by a court of appropriate jurisdiction; or
 - c. bringing an individual action in court that is limited to preventing the other party from using a self-help or non-judicial remedy and that does not involve a request for damages or monetary relief of any kind.
5. **Starting or Electing Arbitration:** Prior to initiating an arbitration proceeding, Company or Bank, as applicable, shall give the other party a Claim Notice, as further described in the "NOTICE AND CURE" section herein. Company or Bank may start an arbitration by filing a demand with the arbitration administrator pursuant to the administrator's rules. Company or Bank may also require arbitration of a Claim filed in court by filing a motion with the court to compel arbitration of the Claim. Even if Company and Bank have chosen to litigate a Claim in court, either party may elect arbitration of a new Claim or of a Claim made by a new party in that or any related or unrelated lawsuit.
 6. **Choosing the Administrator:** The party who commences the arbitration may select either of the following arbitration organizations to administer the arbitration under their rules that apply to commercial or business disputes: the American Arbitration Association ("AAA"), 120 Broadway, Floor 21, New York, NY 10271 (1-800-778-7879), www.adr.org; or JAMS, 1920 Main St. at Gillette Ave., Suite 300, Irvine, CA 92614 (1-800-352-5267), www.jamsadr.com. Company can obtain a copy of the administrators' rules by visiting their websites or calling them. The parties may also mutually agree to select an Arbitrator who is an attorney, retired judge or Arbitrator who is registered and in good standing with a bona fide arbitration association and arbitrate pursuant to the Arbitrator's rules. If AAA and JAMS cannot or will not serve, and the parties are unable to select an Arbitrator by mutual consent, a court with jurisdiction will select the administrator or Arbitrator, who must agree to abide by all of the terms of this Arbitration Agreement (including, without limitation, the Class Action Waiver). Any Arbitrator must be a practicing attorney with ten (10) or more years of experience practicing law or a retired judge. If a party files a lawsuit in court asserting Claim(s) that are subject to arbitration and the other party files a motion to compel arbitration with the court which is granted, it will be the responsibility of the party prosecuting the Claim(s) to select an arbitration administrator in accordance with this paragraph and commence the arbitration proceeding in accordance with the administrator's rules and procedures.
 7. **Jury Trial Waiver: IF COMPANY OR BANK ELECT TO ARBITRATE A CLAIM, COMPANY AND BANK WILL NOT HAVE THE RIGHT TO PURSUE THAT CLAIM IN COURT OR HAVE A JURY DECIDE THE CLAIM.**
 8. **Class Action Waiver: ANY ARBITRATION MUST BE ON AN INDIVIDUAL BASIS ONLY. THIS MEANS THAT IF COMPANY OR BANK ELECT TO ARBITRATE A CLAIM, NEITHER COMPANY NOR BANK WILL HAVE THE RIGHT TO: (1) PARTICIPATE IN A CLASS ACTION OR OTHER REPRESENTATIVE ACTION IN COURT OR IN ARBITRATION, EITHER AS A CLASS REPRESENTATIVE, CLASS MEMBER OR OTHERWISE; OR (2) ACT AS A PRIVATE ATTORNEY GENERAL IN COURT OR IN ARBITRATION. ALSO, ABSENT THE WRITTEN CONSENT OF ALL PARTIES, NEITHER COMPANY NOR BANK WILL HAVE THE RIGHT TO JOIN OR CONSOLIDATE A CLAIM WITH CLAIMS OF ANY OTHER PERSON OR ENTITY.** An arbitration award shall determine the rights and obligations of the named parties only, and only with respect to the Claim(s) in arbitration. No arbitration administrator or Arbitrator shall have the power or authority to waive or modify this section, and any attempt to do so, whether by rule, policy, arbitration decision or otherwise, shall be invalid and unenforceable.
 9. **Location and Costs of Arbitration:** Any arbitration hearing that Company attends in person must take place at a location reasonably convenient to the parties or as otherwise agreed to by the parties or ordered by the Arbitrator. Each administrator charges filing and administrative fees and the Arbitrator also charges fees. The parties shall pay said fees in accordance with the administrator's rules. However, if you tell us in writing that you cannot afford to pay the fees charged by the arbitration organization and that you were unable to obtain a waiver of fees from

the administrator, and if your request is reasonable and in good faith, we will pay or reimburse you for all or part of the fees charged to you by the arbitration organization and Arbitrator. The parties shall also bear the fees and expenses of their own attorneys, experts and witnesses unless otherwise required by applicable law, this Agreement or the administrator's rules. If the Arbitrator determines that any party's Claim or defense is frivolous or wrongfully intended to oppress or harass the other party, the Arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party if such sanctions could be imposed under Rule 11 of the Federal Rules of Civil Procedure.

10. **Law Applied by the Arbitrator:** The Arbitrator must apply applicable substantive law consistent with the FAA and applicable statutes of limitations and Claims of privilege recognized at law. The Arbitrator is authorized to award all remedies permitted by the substantive law that would apply in an individual court action, including, without limitation, punitive damages (which shall be governed by the Constitutional standards employed by the courts) and injunctive, equitable and declaratory relief (but only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual Claim). Any finding, award or judgment from an arbitration of any Claim shall apply only to that arbitration. No finding, award or judgment from any other arbitration shall impact the arbitration of any Claim.
11. **Right to Discovery:** In addition to the parties' rights to obtain discovery pursuant to the arbitration rules of the administrator, either party may submit a written request to the Arbitrator to expand the scope of discovery normally allowable under the arbitration rules of the administrator. The Arbitrator shall have discretion to grant or deny that request.
12. **Arbitration Award and Right of Appeal:** At the timely request of either party, the Arbitrator shall provide a written explanation for the award. However, if the amount in controversy exceeds \$100,000, Company or Bank can, within fifteen (15) days after the entry of the award by the Arbitrator, appeal the award to a three-Arbitrator panel administered by the administrator. The panel shall reconsider anew any aspect of the initial award requested by the appealing party. The decision of the panel shall be by majority vote. Reference in this Arbitration Provision to "the Arbitrator" shall mean the panel if an appeal of the Arbitrator's decision has been taken. The costs of such an appeal will be borne in accordance with the paragraph above titled "Location and Costs of Arbitration." The original award or any

subsequent award on the appeal described above shall be final and binding, subject to any further appeal rights under the FAA, and may be entered as a judgment by any court having jurisdiction.

13. **Rules of Interpretation:** This Arbitration Agreement is binding upon and benefits Company, your respective heirs, successors and assigns, and us and our respective successors and assigns. This Arbitration Agreement shall survive:
 - a. the repayment of amounts owed under this Agreement;
 - b. any legal proceeding;
 - c. any sale, assignment or transfer of your Account;
 - d. any bankruptcy to the extent consistent with applicable bankruptcy law;
 - e. any default, breach or repossession;
 - f. any termination, cancellation, closure, suspension or non-renewal of this Agreement, your Account or credit privileges; and
 - g. any termination, amendment, expiration or performance of any transaction between you and us. In the event of a conflict or inconsistency between this Arbitration Agreement and the applicable arbitration rules or the other terms of this Agreement, this Arbitration Agreement shall govern. Any changes to this Arbitration Agreement will apply only prospectively unless we give you a right to opt out of the change or the entire Arbitration Agreement.
14. **Severability:** If any portion of this Arbitration Agreement is held to be invalid or unenforceable, the remaining portions shall nevertheless remain in force, subject to two exceptions:
 - a. if a determination is made that the Class Action Waiver is unenforceable, and that determination is not reversed on appeal, then the Arbitration Agreement (except for this sentence) shall be void in its entirety; and
 - b. if a court determines that a public injunctive relief Claim may proceed notwithstanding the Class Action Waiver, and that determination is not reversed on appeal, then the public injunctive relief Claim will be decided by a court, any individual Claims will be arbitrated, and the parties will ask the court to stay the public injunctive relief Claim until the other Claims have been finally concluded.
