Figures at December 31
2023

With regard to the provisions of the Bank of Italy Circular no. 285 of December 17, 2013, and subsequent updates ("**Circular 285**"), with this document, the BFF Banking Group (the "Group") publishes information inherent to the business, turnover and the number of full-time equivalent employees considering the composition of the Group and the relative geographical distribution.

The information to be published is defined by Appendix A, First Part, Title III, Chapter 2 of Circular 285.

The scope of consolidation relevant for the purposes of the financial statements reflects the aggregation of balance sheet and income statement items of BFF Bank S.p.A. (the "**Bank**"), BFF Finance Iberia S.A.U., BFF Polska S.A., its subsidiaries included in the BFF Polska Group, BFF Immobiliare S.r.l., BFF Techlab S.r.l. and SPV Project 2214.

Subsidiaries are companies over which the Group exercises control. An entity controls a company when it is exposed to the variable returns generated by it and has the ability to affect such returns through its power over the company. Generally, control is deemed to exist when more than half of the voting rights are directly or indirectly held, taking also into account potentially exercisable or convertible voting rights. All subsidiaries are consolidated on a line-by-line basis from the date on which control is transferred to the Group. Conversely, they are excluded from the scope of consolidation when such control ceases.

The table below provides information relating to the companies belonging to the Group, broken down on the basis of the countries in which they operate, with reference to the date of December 31, 2023.

In addition to the table below, as of December 31, 2023, the Parent consolidated the securitization vehicle SPV Project 2214, invested in via the subscription of units of the FPAM1 closed-end investment fund. The subscription of the shares of the fund in question, then reinvested in SPV Project 2214 is part of the new factoring operation to enable Italian SMEs to access the service of assigning non-recourse receivables through onboarding on digital platforms and with fast turnaround times (c.d. "Digital Platform"), launched in September 2023.

Please note that the data shown in the table below refer exclusively to the Consolidated Financial Statements of BFF Bank S.p.A. at December 31, 2023, which were audited by KPMG S.p.A. No additional audit was expressly requested of the latter with regard to this report.
