

## Moody's affirms all of its ratings for BFF, including investment grade long-term deposit rating, with Stable outlook

Milan, 13<sup>th</sup> February 2026 – BFF Bank S.p.A. ("BFF" or the "Bank") informs that the rating agency Moody's has affirmed all of BFF's ratings, including BFF's Baseline Credit Assessment (BCA) of "ba2" and investment grade long-term (LT) and short-term (ST) deposit ratings of "Baa2" / "Prime-2", respectively. The outlooks on the LT deposit, LT issuer and senior unsecured debt ratings remain stable.

The affirmation of BFF's "ba2" BCA balances the Bank's recent announcements on its factoring portfolio de-risking actions and revised 2026 targets, which affect profitability, with the new management's shift toward a more conservative risk management approach for its factoring portfolio.

Moody's also assesses positively the Bank's overall moderate asset risk, solid capital position – supported by reduced shareholder distributions – and substantial liquid assets.
