

Findlay Surgery Center*

Health Plan Participation List

Effective as of January 1, 2026

Thank you for choosing the *Findlay Surgery Center*, a part of Blanchard Valley Health System, for your healthcare needs.

This document contains network information for the *Findlay Surgery Center* located at 1709 Medical Boulevard, Findlay, OH 45840.

*Please note: Health plan participation may differ for other Blanchard Valley Health System locations, such as Blanchard Valley Hospital and Bluffton Hospital. For network information for our other locations, please see the separate PDF document on our website.

This list is kept as up-to-date as possible; however, it may not include all network plans and is subject to change without notice. Plans may have restrictions on the location where specific services can be provided and on the types of services covered under the plan. Patients should verify specific coverage and any restrictions with their insurance provider prior to having services rendered. You may be responsible for all charges that your insurance plan does not cover.

If you have questions about Findlay Surgery Center's health plan participation, please contact our Managed Care office at managedcareservices@bvhealthsystem.org.
