

With more than 125 years of service to the community, Blanchard Valley Health System has grown from a single hospital to a comprehensive health system offering Northwest Ohio a continuum of care.

We offer the kinds of services you expect from a quality regional medical center – with special expertise in heart care, cancer care, emergency services, imaging, home health, sports medicine, rehabilitation, and long term care. BVHS has been long committed to investing in the latest technologies. So, while you may think you have to travel hundreds of miles to receive comprehensive health care, it's actually right here in your own backyard.

Blanchard Valley Health System is dedicated to exceeding your expectations. Our priority is to build caring, lasting relationships with our patients. We understand that you are seeking our expertise for your health care needs and that is why we value the confidence and trust you have placed in us. We are committed to our mission of “Caring for a lifetime.”

*We're here for you!*
