*Plans F and G also have a high-deductible option which requires first paying a plan deductible of \$2,700 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High-deductible plan G does not cover the Medicare Part B deductible. However, high-deductible plans F and G count your payment of the Medicare Part B deductible towards meeting the plan deductible.

**Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

***Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.

Blue Cross Blue Shield of Arizona Premium Rate Information —

Non-Tobacco Use and **Tobacco Use** Rates are effective April 1, 2023, through March 31, 2024

Blue Cross Blue Shield of Arizona can only raise your premium if we raise the premium for all policies like yours in Arizona. Should this occur, you will receive a 30-day notice.

Early-enrollment discount

If you enroll in a Senior Security or Senior Preferred plan at age 65 through 72, you receive an early-enrollment discount* on your rate. When you are Medicare eligible at age 65 to 65½, you are **automatically eligible** for the lower BlueValueSM rate and an early-enrollment discount. Even if you are past age 65½, you may still qualify for the lower premium BlueValue rate. The BCBSAZ Medicare Supplement application contains questions about your medical history and tobacco use, which helps determine your rate.

*The early-enrollment discount is reduced annually through the age of 76. For 2023, your renewal premium includes your current early-enrollment discount. For 2024 and beyond, the reduction in the early-enrollment discount will occur on your annual renewal. When your discount no longer applies, you will be charged the BlueValue or Standard rate assigned to your Senior Security or Senior Preferred plan.

[†]Starting January 1, 2020, Medicare Supplement plans will no longer cover the Part B deductible for people who are new to Medicare. Because of this change, Medicare Supplement Plans C and F will be available only to people who are eligible for Medicare before January 1, 2020.

[‡](Ages 73 and older) You may be eligible to receive a lower premium BlueValue rate. In certain situations, you may be automatically eligible to receive the BlueValue rate, regardless of your medical history. If you don't qualify for the BlueValue rate, you will receive a standard rate.

QUALITY ASSURANCE PROGRAM

BCBSAZ uses various processes and tools to monitor the quality of service and care, including:

- Credentialing and recredentialing of physicians and institutional providers in accordance with nationally recognized credentialing requirements and standards
- Annual member, broker, and provider surveys to determine levels of satisfaction
- Medical coverage guidelines available to providers
- Focused provider reviews
- Complaint investigation, tracking, trending, and resolution. Care and service issues are addressed according to severity of the issue, with corrective action as deemed necessary. Provider-related complaints (practitioner or institutional) are linked to the recredentialing process.
- Grievance tracking and trending

GRIEVANCE PROCEDURE/REQUEST FOR RECONSIDERATION

If you cannot resolve an issue or you disagree with an action or decision made by BCBSAZ*, you may submit a written grievance to BCBSAZ. You must send BCBSAZ your grievance request within one (1) year of the notice of the adverse benefit determination or date of occurrence if not related to a benefit determination.

First-Level Review: After receiving your grievance, BCBSAZ will review the situation, including any new information brought to BCBSAZ's attention. BCBSAZ will notify you of its decision within sixty (60) days of receiving your grievance.

Second-Level Review: If you disagree with BCBSAZ's first-level decision, you may send BCBSAZ a request for a second-level review. You must file your request for second-level review within sixty (60) days of receiving BCBSAZ's first-level decision. BCBSAZ will notify you of its second-level decision within sixty (60) days of the date BCBSAZ receives your second-level grievance.
