

# Pay with electronic funds transfer (EFT)

When you sign up for electronic funds transfer (EFT), your monthly plan premium is automatically paid, month after month. Payments are made electronically from your checking or savings account. There are no sign-up fees and no transaction charges.

## 1. It's easy to sign up:

To send payments from checking and saving accounts, download a form at [azblue.com/medicare](http://azblue.com/medicare)

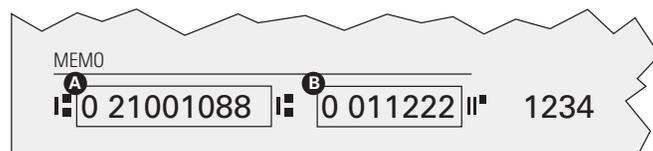

Or mail the form below along with the name of the financial institution, your account number and the bank routing number. **Be sure to sign the form.**

## 2. As soon as we get confirmation of your information and account status, your request will be processed.

It may take up to two months to complete your request. Your current payment option will remain in place until this change takes effect. If you pay your premiums by mail, please continue to do so until your EFT is active. Any unpaid premiums that are due when EFT takes effect will be deducted at that time to bring your account up-to-date. Your premium may change each year. Refer to your

Annual Notice of Changes (ANOC) for information about premium changes.

## 3. You will receive written confirmation that you are enrolled in the program. The total amount due will be deducted from your account around the fifth of each month.
