

## Medicare Advantage Plans

BCBSAZ is contracted with CMS to offer Arizona-based Medicare Advantage Prescription Drug (MAPD) health plans serving Medicare-eligible residents in Maricopa, Pinal, Pima, and Santa Cruz counties. BCBSAZ Medicare Advantage offers several HMO and PPO benefit plan options that provide the same medically necessary services as Original Medicare and also include prescription drug coverage.

BCBSAZ currently offers three main Medicare Advantage (MA) product lines:

**Blue Medicare Advantage** (these “legacy” HMO plans are issued by Medisun, Inc., a separate but wholly owned subsidiary of Blue Cross Blue Shield of Arizona, Inc., doing business as BCBSAZ Advantage) – available in Maricopa Pinal, Pima, and Santa Cruz counties.

**BluePathway** (these HMO plans are issued by BCBSAZ) – available in Maricopa and Pima counties.

**BlueJourney** (these PPO plans are issued by BCBSAZ) – available in Maricopa and Pima counties, with access to providers statewide.

### Services considered not medically necessary or experimental/investigational

The following types of items and services are *not* covered under Original Medicare or BCBSAZ MAPD plans:

- Services considered not reasonable and necessary, according to the standards of Original Medicare, unless these services are listed in the member’s EOC as covered services.
- Procedures, equipment, and medications considered experimental or investigational, unless covered as a Medicare benefit or as part of a Medicare-approved clinical research study, or included in a BCBSAZ MA benefit plan.

**Benefit exclusions are not covered and not reimbursed**

BCBSAZ does not cover and will not reimburse providers for excluded services. Except in rare circumstances, as described in Section 17 under “Billing for non-covered services,” BCBSAZ MA network providers may not bill a member for non-covered services, and are fully responsible for the billed charges.

For current information about specific excluded services, check member eligibility and benefits or access the relevant evidence of coverage document at [azblue.com/medicare](http://azblue.com/medicare).

**Dental benefits**

Several of our MAPD plans include preventive and restorative dental benefits that are administered by BCBSAZ. To qualify as an in-network provider for these benefits, you must be contracted with BCBSAZ for the BlueDental Prime network. For more information, see Section 26.

**Sample ID cards**

For more ID card samples, see Section 10 and for MA dental plans, see Section 26.
