An Independent Licensee of the Blue Cross Blue Shield Association

Your ID card is your passport to care

Place your ID card in your wallet or keep it in a safe place, because you'll need it to receive any healthcare services.

- Your health plan includes the largest network of providers in Arizona, and covers both in- and out-of-network care.
- Hitting the road? You're covered when traveling throughout the United States.

Sign up for your MyBlueSM account

Now that you have your member ID number, you can register at azblue.com/MyBlue for your MyBlue account. There, you will be able to:

- View a digital copy of your ID card or print a temporary card from your computer
- Check on the status of your claims
- See where you are in meeting your deductible and yearly out-of-pocket maximum
- Find doctors, hospitals, or other healthcare providers in your plan's network
- Get an idea of the healthcare costs for common conditions by using the cost estimator tool

Take advantage of our 24/7 healthcare services

Your plan comes with tools that help you get the care you need when you need it.

- With BlueCare AnywhereSM, you can see a board-certified medical professional, anytime day or night, using your computer or mobile device. Log in to azblue.com/MyBlue, click Find a Doctor, then select BlueCare Anywhere.
- An experienced nurse is just a phone call away. Call **1-866-422-2729** any time of the day or night to speak with a registered nurse. There is no cost to use Nurse On Call.
