2023 Pharmacy Directory

This pharmacy directory was updated on **03/31/2023**.

For more recent information or other questions, please contact Blue MedicareRx at **1-833-229-3593** or, for TTY users, **711**, 8 a.m. to 8 p.m. daily, local time, or visit **azblue.com/medicare**.

Changes to our pharmacy network may occur during the benefit year. An updated pharmacy directory is located on our website **azblue.com/medicare**.

You may also call Member Services at **1-833-229-3593** (TTY/TDD users should call **711**) for updated information.

Introduction

This booklet provides a list of Blue MedicareRx's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue MedicareRx's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means Blue Cross® Blue Shield® of Arizona (BCBSAZ). When it refers to "plan" or "our plan," it means Blue MedicareRx.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue MedicareRx only if they are filled at a network pharmacy (or through our mail order pharmacy service). Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **March 31, 2023**.

For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi™, Inc.[†] For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Arizona including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at **1-833-229-3593** (TTY users should call **711**).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Blue MedicareRx's network pharmacies

Our list of network pharmacies is organized by type of pharmacy: Retail, Mail Order, Home Infusion, Long-Term Care and Indian Health Service. Certain letters appear after the pharmacy listing. Those letters are defined at the bottom of each page.

([†]MedImpact Healthcare Systems, Inc. is an independent company providing pharmacy benefit management services.)
