

⚠ The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit azblue.com/benefit2026jan. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-877-475-8440 to request a copy.

| Important Questions | Answers | Why This Matters: |
|--|---|--|
| What is the overall deductible? | \$8,000/individual or \$16,000/family per calendar year | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 30% <u>in-network</u> . |
| Are there services covered before you meet your deductible? | Yes. <u>Primary care</u> and <u>specialist</u> visits, certain <u>preventive</u> services, <u>in-network</u> imaging services, <u>prescription drugs</u> , <u>specialty drugs</u> , <u>emergency room care</u> , <u>urgent care</u> visits, mental health visits, and hospice services are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the out-of-pocket limit for this plan? | \$8,700/individual or \$17,400/family per calendar year | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | <u>Premiums</u> , <u>balance-bills</u> , and costs for health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |

| Important Questions | Answers | Why This Matters: |
|--|--|---|
| Will you pay less if you use a <u>network provider</u>? | Yes. See www.azblue.com or call 1-877-475-8440 for a list of <u>in-network providers</u> . | This <u>plan</u> does not cover services by <u>out-of-network providers</u> except in very limited circumstances. This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u>? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
