Your Cost-Sharing Information

azblue.com/MyBlue

YOUR PLAN NETWORK

See your ID card for the name of the plan network that applies to your benefit plan. You'll find the complete directory of providers in your plan's network at MyBlueSM. If you do not have Internet access, would like to request a paper copy of the directory, or have questions about whether or not a certain provider is in the network, please call Blue Cross® Blue Shield® of Arizona (BCBSAZ) Customer Service at the number on your ID card. It's important to make sure your provider is in your plan network before you receive services.

MEMBER COST SHARING AND OTHER PAYMENTS

Members pay part of the costs for benefits received under this plan. What you pay depends on your particular benefit plan, the service you receive, and the provider you choose. You may have an access fee, coinsurance, copay, deductible, or some combination of these payments as detailed in the tables that follow. You can refer to Appendix A in your Base Benefit Book for a definition of the terms. Your Summary of Benefits and Coverage (SBC) explains which cost-share types and other payments apply to each benefit. BCBSAZ uses your claims to track whether you have met some cost-share obligations. We apply claims based on the order in which we process the claims and not based on date of service.

COST-SHARE TABLE

Type of Cost Share	Amount of Cost Share
Calendar-Year Deductible	\$7,000 per member
	\$14,000 per family
Out-of-Pocket Maximum	\$8,700 per member
	\$17,400 per family

Until you meet your deductible, you will pay the allowed amount for most services. If you have family coverage, there is also a calendar-year deductible for the family. Amounts counting toward an individual's calendar-year deductible will also count toward any family deductible. When the family satisfies its calendar-year deductible, it also satisfies the deductible for all the individual members. An individual member cannot contribute more than his or her individual deductible toward the family's deductible. For services that require a copay, the calendar-year deductible is waived.

Cost share for ancillary services provided by an out-of-network provider at a network facility will be based on the Qualifying Payment Amount, as defined by federal law. All out-of-network cost share for these ancillary services will be counted toward any in-network deductible and cost-share limits.

Benefit	Your Cost Share
Ambulance Services	30% coinsurance
	Deductible is waived
Behavioral Health Services	
Inpatient facility and professional services	30% coinsurance (after deductible)
Behavioral Health Services	Primary care provider (PCP) or specialist visit copay—see the Physician Services

	 30% coinsurance (after deductible) \$0 for FDA-approved female sterilization procedures when the purpose of the
	procedure is contraception, as documented by your provider on the claim
	\$1,000 bariatric surgery access fee (in addition to deductible and coinsurance) for all bariatric surgeries. This access fee applies toward the professional charges for bariatric surgery.
	Sleep Studies: 30% coinsurance (after deductible)
	Medications Given to You at an Outpatient Facility: 30% coinsurance (after deductible)

Benefit Your Cost Share

Pharmacy and Medications Benefits (next two rows)

Note: Your cost share for any medication is based on the tier to which BCBSAZ has assigned it at the time the prescription is filled. No exceptions will be made regarding the assigned tier of a medication. BCBSAZ may change the tier of a medication at any time without notice. To confirm the status and tier of a particular medication, visit MyBlue, or call Pharmacy Benefit Customer Service at the number on your ID card.

Retail Medications (30-day supply)

- Tier 1a: \$3 copay
- Tier 1b: \$35 copay
- Tier 2: pharmacy deductible up to \$750, then \$110 copay
- Tier 3 (including compounded medications and formulary exceptions): pharmacy deductible up to \$750, then \$200 copay

Mail Order Medications (90-day supply)

- Tier 1a: \$6 copay
- Tier 1b: \$70 copay
- Tier 2: pharmacy deductible up to \$750, then \$220 copay
- Tier 3 (including formulary exceptions): pharmacy deductible up to \$750, then \$400 copay

Specialty Medications (30-day supply of most medications)

- 50% coinsurance
- · Calendar-year and pharmacy deductibles are waived

You may obtain up to a 90-day supply of covered maintenance medications at a network retail pharmacy (keep in mind that not all medications are available for more than a 30- or 60-day supply). If you receive a 31- to 60-day supply of medication, you will pay two times the applicable cost share for a 30-day supply. If you receive a 61- to 90-day supply of medication from a network retail pharmacy, you will pay two and a half times the 30-day cost share. Your cost share will be different depending on the type of pharmacy, how much of the medication you're getting, and the tier of the medication.

If you purchase a brand-name medication when a generic equivalent is available, you will pay the applicable **tier 1 copay plus the difference between the allowed amounts for the generic and brand-name medications,** even if the prescribing provider indicates on the prescription that the brand-name medication is what you should have. If you have completed step therapy and are taking a brand-name drug with a generic equivalent as a result of the step therapy process, you pay the cost share that applies to the brand-name medication (after meeting the pharmacy deductible for tiers 2 and 3 medications).

\$0 for preventive medications and covered vaccines. BCBSAZ determines under 45 CFR § 147.130:

- Which medications are considered preventive,
- · Which vaccines are covered, and
- For which there is a \$0 cost share

\$0 for the generic version of certain covered preventive medications or items; **applicable cost share** for the brand-name version. You may request an exception for waiver of cost share (see the Preventive Services section in your Base Benefit Book) for the brand-name version of a preventive medication or item.

\$0 for the following female contraceptive (birth control) methods when your provider prescribes them for the purpose of contraception:

- FDA-approved brand oral, patch, vaginal ring, and injectable contraceptives with no generic equivalent components
- FDA-approved diaphragms, cervical caps, and cervical shields
- FDA-approved emergency contraception for members of any age
- FDA-approved generic oral, patch, vaginal ring, and injectable contraceptives
- Female condoms
- · Sponges and spermicides

Pharmacy Benefit

A pharmacy deductible is the amount each member must pay for tier 2 and tier 3 medications covered under the Pharmacy benefit each calendar year before the benefit plan begins to pay for those medications. After meeting the pharmacy deductible, you pay copays for tier 2 and tier 3 medications. The pharmacy deductible is calculated on the medication allowed amount.

See the Using Your Pharmacy Benefits section in your Base Benefit Book for details about your Pharmacy benefits, including how your cost share is calculated.

Benefit	Your Cost Share
Medications for the Treatment of Cancer	30% coinsurance (after deductible) for medications you purchase through your medical benefit
	See the Pharmacy Benefit cost-share row to determine your cost share for services you receive through the Pharmacy benefit.
	For cancer treatment medications that are also classified as specialty medications, you pay the tier 1b pharmacy copay. For certain cancer treatment medications, as determined by BCBSAZ, you will receive a 15-day supply , and pay one-half of the tier 1b pharmacy copay the first time you receive it. You will be able to refill the medication every 15 days, and you will continue to pay one-half of the tier 1b pharmacy copay for each refill during your first three months using the medication. If you have side effects from the medication during the three-month period, your prescribing doctor may change your medication. If you tolerate the medication, you will be able to refill the cancer treatment medication for up to 30 days after your first three months of treatment.
Physical Therapy, Occupational Therapy, Speech Therapy, Cognitive Therapy, Cardiac, and Pulmonary Services	30% coinsurance (after deductible)
	\$55 copay when you see your designated PCP or have a referral from your designated PCP to a network non-designated PCP
	\$125 copay when you see a specialist
	One copay per member, per provider, per day for services you receive during an office, home, or walk-in clinic visit
	\$0 if you only receive the following services and no other covered service during your office, home, or walk-in clinic visit:
	Covered allergy injections
	Covered immunizations
	Covered laboratory services
	\$0 for the following when the purpose is female contraception (birth control), as documented by your provider on the claim:
