YOUR PLAN NETWORK

See your ID card for the name of the plan network that applies to your benefit plan. You'll find the complete directory of providers in your plan's network at MyBlue℠. If you do not have Internet access, would like to request a paper copy of the directory, or have questions about whether or not a certain provider is in the network, please call Blue Cross® Blue Shield® of Arizona (BCBSAZ) Customer Service at the number on your ID card. It's important to make sure your provider is in your plan network before you receive services.

MEMBER COST SHARING AND OTHER PAYMENTS

Members pay part of the costs for benefits received under this plan. What you pay depends on your particular benefit plan, the service you receive, and the provider you choose. You may have an access fee, balance bill, coinsurance, copay, deductible, prior authorization charge, or some combination of these payments as detailed in the tables that follow. You can refer to Appendix A in your Base Benefit Book for a definition of the terms. BCBSAZ uses your claims to track whether you have met some cost-share obligations. We apply claims based on the order in which we process the claims and not based on date of service.

COST-SHARE TABLE

Type of Cost Share	In-Network	Out-of-Network
Calendar-Year Deductible	**$7,000** per member **$14,000** per family	**$7,500** per member **$15,000** per family
Out-of-Pocket Maximum	**$8,700** per member **$17,400** per family	**$17,400** per member **$34,800** per family

Until you meet your deductible, you will pay the allowed amount for most services, plus the balance bill for out-of-network services. If you have family coverage, there is also a calendar-year deductible for the family. Amounts counting toward an individual's calendar-year deductible will also count toward any family deductible. When the family satisfies its calendar-year deductible, it also satisfies the deductible for all the individual members. An individual member cannot contribute more than his or her individual deductible toward the family's deductible. For services that require a copay, the calendar-year deductible is waived.

If your out-of-network provider does not get a prior authorization from BCBSAZ for a service that requires it, you may be required to pay a $500 prior authorization charge, or the claim may be denied. You'll find a list of services that need prior authorization at azblue.com/individualsandfamilies/resources/forms and medications that need prior authorization at azblue.com/pharmacy. If you have to pay a prior authorization charge, it does not count toward your calendar-year deductible or out-of-pocket maximum.

Cost share for ancillary services provided by an out-of-network provider at an in-network facility will be based on the Qualifying Payment Amount, as defined by federal law. All out-of-network cost share for these ancillary services will be counted toward any in-network deductible and cost-share limits.
