

**Rider to Modify Blue Cross® Blue Shield® of Arizona
BlueEssential, BlueOptimum, BluePreferred® Basic, BluePreferred Copay, BlueValue,
and ExecuCare Individual Benefit Books**

This rider modifies your 2026 individual Benefit Book effective on October 1, 2026. The section headings in this rider correspond to the section headings in your Benefit Book.

I. DEFINITIONS

- A. The first paragraph of the **“Allowed Amount”** definition is deleted and replaced with:

“Allowed Amount” means the total amount of reimbursement allocated to a covered Service and includes both the AZ Blue payment and the Member Cost-share payment. AZ Blue calculates deductible and Coinsurance based on the Allowed Amount, less any access fees or Prior Authorization Charges. AZ Blue uses the Allowed Amount to accumulate toward any Out-of-Pocket Coinsurance Maximum that applies to the member's Benefit Plan. The Allowed Amount does not include any balance bills from noncontracted Providers. The Allowed Amount is neither tied to, nor necessarily reflective of, the amounts Providers in any given area usually charge for their services. The table below shows how AZ Blue determines the Allowed Amount.

- B. The **“Cost Share”** definition is deleted and replaced with:

“Cost Share” means the member's financial obligation for a covered Service. Depending on the plan type, Cost Share may include one or more of the following: deductible, Copay, Access Fee, Coinsurance, Pharmacy Deductible, Prior Authorization Charges, and balance bills.

- C. The **“Prior Authorization”** definition is deleted and replaced with:

“Prior Authorization” is a review done by AZ Blue to approve a Service, treatment plan, doctor visit, or medication before you make the appointment or fill the prescription. Some services and medications require this review in order for the Service or medication to be covered under your plan.

II. MEMBER COST SHARING

- A. Under the **“Coinsurance”** subheading, the first paragraph is deleted and replaced with:

Coinsurance is a percentage of the Allowed Amount that you pay for Covered Services after meeting any applicable deductible. AZ Blue subtracts any applicable access fees or Prior Authorization Charges from the Allowed Amount before calculating Coinsurance. Coinsurance applies to every covered Service unless the specific benefit section says it does not apply. In most cases, your Coinsurance percentage is higher when you use an out-of-network Provider.

- B. Under the **“Out-of-Pocket Coinsurance Maximum (Individual)”** subheading, insert as the fifth bullet:

- Any charges for lack of Prior Authorization

- C. Insert the following subheading and paragraph at the end of the **“Member Cost Sharing”** section:

Prior Authorization Charges

If your out-of-network Provider does not obtain Prior Authorization from AZ Blue for a Service that requires it, you may be required to pay a Prior Authorization charge, or the Service may not be covered. Applicable Prior Authorization Charges are shown on your SBC. Amounts applied as Prior Authorization Charges do not count toward the Calendar-year Deductible or Out-of-Pocket Coinsurance Maximum.

III. PRIOR AUTHORIZATION

- A. Under the subheading **“When is Prior Authorization Required,”** the first paragraph is deleted and replaced with:

Not all services or medications require Prior Authorization. Prior Authorization is not required for Emergency Services or Urgent Care services. If it is required, your treating Provider must obtain it on your behalf before rendering services. If Prior Authorization is not obtained for medications that require it, the medications will not be covered. Prior Authorization may be required for services to be covered when provided in certain settings.

IV. WHAT IS NOT COVERED

A. Delete the following statement:

Services that require Prior Authorization, but Prior Authorization was not obtained

A handwritten signature in black ink, appearing to read "Pam Kehaly", with a large, stylized loop at the end.

Pam Kehaly, President and CEO
Blue Cross Blue Shield of Arizona
