## YOUR PLAN NETWORK

See your Summary of Benefits and Coverage (SBC) and ID card for the name of the plan network that applies to your benefit plan. You'll find the complete directory of providers in your plan's network at <u>MyBlue</u><sup>SM</sup>. If you do not have Internet access, would like to request a paper copy of the directory, or have questions about whether or not a certain provider is in the network, please call Blue Cross<sup>®</sup> Blue Shield<sup>®</sup> of Arizona (BCBSAZ) Customer Service at the number on your ID card. It's important to make sure your provider is in your plan network before you receive services.

## MEMBER COST SHARING AND OTHER PAYMENTS

Members pay part of the costs for benefits received under this plan. What you pay depends on your particular benefit plan, the service you receive, and the provider you choose. You may have an access fee, coinsurance, copay, deductible, or some combination of these payments as detailed in the tables that follow. You can refer to Appendix A in your Base Benefit Book for a definition of the terms. Your SBC explains which cost-share types and other payments apply to each benefit. BCBSAZ uses your claims to track whether you have met some cost-share obligations. We apply claims based on the order in which we process the claims and not based on date of service.

Type of Cost Share	Amount of Cost Share
Calendar-Year Deductible	<b>\$7,500</b> per member
	<b>\$15,000</b> per family
Out-of-Pocket Maximum	<b>\$9,000</b> per member
	<b>\$18,000</b> per family

## **COST-SHARE TABLE**

Until you meet your deductible, you will pay the allowed amount for most services. If you have family coverage, there is also a calendar-year deductible for the family. Amounts counting toward an individual's calendar-year deductible will also count toward any family deductible. When the family satisfies its calendar-year deductible, it also satisfies the deductible for all the individual members. An individual member cannot contribute more than his or her individual deductible toward the family's deductible. Unless otherwise stated, the calendar-year deductible is waived for services that require a copay.

Cost share for ancillary services provided by an out-of-network provider at a network facility will be based on the Qualifying Payment Amount, as defined by federal law. All out-of-network cost share for these ancillary services will be counted toward any in-network deductible and cost-share limits.

Benefit	Your Cost Share
Ambulance Services	50% coinsurance (after deductible)
Behavioral Health Services	
Inpatient facility and professional services	50% coinsurance (after deductible)
Behavioral Health Services	\$50 copay when you see a primary care provider (PCP) or specialist
Outpatient facility and	<b>One copay per member, per provider, per day</b> for services you receive during an office, home, or walk-in clinic visit
professional services	50% coinsurance (after deductible) for services you receive at other locations
Behavioral Therapy	<b>\$50 copay</b> when you see a PCP or specialist
Services for the Treatment of Autism Spectrum Disorder	<b>One copay per member, per provider, per day</b> for services you receive during an office, home, or walk-in clinic visit
	50% coinsurance (after deductible) for services you receive at other locations
Cataract Surgery and Keratoconus	PCP or specialist visit copay—see the Physician Services row
	<b>50% coinsurance</b> (after deductible) for professional services you receive at an inpatient or outpatient facility, and any related facility charges

Benefit	Your Cost Share
Pharmacy and Medications I	Benefits (next two rows)
is filled. No exceptions will be made	dication is based on the tier to which BCBSAZ has assigned it at the time the prescription de regarding the assigned tier of a medication. BCBSAZ may change the tier of a tice. To confirm the status and tier of a particular medication, visit <u>MyBlue</u> , or call ice at the number on your ID card.
	Retail Medications (30-day supply)
	• Tier 1: <b>\$25 copay</b>
	Tier 2: <b>\$50 copay</b> (after deductible)
	<ul> <li>Tier 3 (including compounded medications and formulary exceptions):</li> <li>\$100 copay (after deductible)</li> </ul>
	Mail Order Medications (90-day supply)
	• Tier 1: <b>\$50 copay</b>
	• Tier 2: <b>\$100 copay</b> (after deductible)
	• Tier 3 (including formulary exceptions): <b>\$200 copay</b> (after deductible)
	<b>Specialty Medications</b> (30-day supply of most medications): <b>\$500 copay</b> (after deductible)
Pharmacy Benefit See the Using Your Pharmacy Benefits section in your Base Benefit Book for details about your Pharmacy benefits, including how your cost share is	You may obtain up to a 90-day supply of covered maintenance medications at a network retail pharmacy (keep in mind that not all medications are available for more than a 30- or 60-day supply). If you receive a 31- to 60-day supply of medication, you will pay two times the applicable cost share for a 30-day supply. If you receive a 61- to 90-day supply of medication from a network retail pharmacy, you will pay three times the 30-day cost share. Your cost share will be different depending on the type of pharmacy, how much of the medication you're getting, and the tier of the medication.
	If you purchase a brand-name medication when a generic equivalent is available, you will pay the <b>tier 1 copay plus the difference between the allowed amounts for the generic and brand-name medications,</b> even if the prescribing provider indicates on the prescription that the brand-name medication is what you should have. If you have completed step therapy and are taking a brand-name drug with a generic equivalent a a result of the step therapy process, you pay the cost share that applies to the brand-name medication.
calculated.	<b>\$0</b> for preventive medications and covered vaccines. BCBSAZ determines under 45 CFR § 147.130:
	Which medications are considered preventive,
	Which vaccines are covered, and
	For which there is a \$0 cost share
	<b>\$0</b> for the generic version of certain covered preventive medications or items; <b>applicable cost share</b> for the brand-name version. You may request an exception for waiver of cost share (see the Preventive Services section in your Base Benefit Book) for the brand-name version of a preventive medication or item.
	<b>\$0</b> for the following female contraceptive (birth control) methods when your provider prescribes them for the purpose of contraception:
	<ul> <li>FDA-approved brand oral, patch, vaginal ring, and injectable contraceptives with ne generic equivalent components</li> </ul>
	FDA-approved diaphragms, cervical caps, and cervical shields
	FDA-approved emergency contraception for members of any age
	FDA-approved generic oral, patch, vaginal ring, and injectable contraceptives
	Female condoms
	Sponges and spermicides

Benefit	Your Cost Share
Medications for the Treatment of Cancer	<b>50% coinsurance</b> (after deductible) for medications you purchase through your medical benefit
	See the Pharmacy Benefit cost-share row to determine your cost share for services you receive through the Pharmacy benefit.
	For cancer treatment medications that are also classified as specialty medications, you pay the tier 1 pharmacy copay. For certain cancer treatment medications, as determined by BCBSAZ, you will receive a <b>15-day supply</b> , and pay <b>one-half of the tier 1</b> pharmacy copay the first time you receive it. You will be able to refill the medication every 15 days, and you will continue to pay one-half of the tier 1 pharmacy copay for each refill during your first three months using the medication. If you have side effects from the medication. If you tolerate the medication, you will be able to refill the cancer treatment medication for up to 30 days after your first three months of treatment.
Physical Therapy, Occupational Therapy, Speech Therapy, Cognitive	Physical therapy, occupational therapy, speech therapy, and cognitive therapy: <b>\$50 copay</b>
Therapy, Cardiac, and Pulmonary Services	Cardiac and pulmonary services: 50% coinsurance (after deductible)
	<b>\$50 copay</b> when you see your designated PCP or have a referral from your designated PCP to a network non-designated PCP
	\$100 copay when you see a specialist
	<b>One copay per member, per provider, per day</b> for services you receive during an office, home, or walk-in clinic visit
	<b>\$0</b> if you only receive the following services and no other covered service during your office, home, or walk-in clinic visit:
	Covered allergy injections
	Covered immunizations
	<b>\$0</b> for the following when the purpose is female contraception (birth control), as documented by your provider on the claim:
Physician Services Your cost share will be waived if	<ul> <li>Professional services for FDA-approved female sterilization procedures, regardless of the location of service</li> </ul>
you receive covered preventive services only during your visit.	<ul> <li>Professional services for fitting, implantation, and/or removal (including follow-up care) of FDA-approved female contraceptive devices</li> </ul>
	<ul> <li>FDA-approved implanted female contraceptive devices</li> </ul>
	<ul> <li>The following FDA-approved generic and brand-with-no-generic-equivalent prescription hormonal and barrier contraceptive methods and devices: patches, rings, contraceptive injections, diaphragms, cervical caps, cervical shields, female condoms, sponges, and spermicides</li> </ul>
	<b>50% coinsurance</b> (after deductible) for:
	<ul> <li>PCP and specialist services provided at locations other than a doctor's office, home, or walk-in clinic</li> </ul>
	<ul> <li>Professional services you receive from a radiologist or pathologist, including a dermapathologist, and professional services you receive that are related to a sleep study, even when the services are provided at a doctor's office</li> </ul>
	Medications given to you at a doctor's office
	PCP or specialist visit copay—see the Physician Services row
Post-Mastectomy Services	<b>50% coinsurance</b> (after deductible) for professional services you receive at an inpatient or outpatient facility, and any related facility charges

Benefit	Your Cost Share
	<b>\$0</b> regardless of the location where services are provided if:
<b>Preventive Services</b> You pay applicable cost share for any tests, procedures, or services not covered in the Preventive Services section in your Base Benefit Book.	<ul> <li>You receive one of the services covered as explained in the Preventive Services section in your Base Benefit Book;</li> </ul>
	• The procedure code, the diagnosis code, or the combination of procedure and diagnosis codes billed by your provider on the line of the claim indicates the service is preventive; <b>and</b>
	<ul> <li>The primary purpose of the visit at which you received the services was preventive care.</li> </ul>
	<b>\$0</b> for the generic version of certain covered preventive medications or items; <b>applicable cost share</b> for the brand-name version. You may request an exception for waiver of cost share (see the Preventive Services section in your Base Benefit Book) for the brand-name version of a preventive medication or item.
