ABOUT YOUR PLAN

Your plan is a **high-deductible health plan** designed for use with a Health Savings Account (HSA). An HSA is a tax-exempt trust or custodial account established with a qualified financial institution. You use the funds in the HSA to pay for qualified (approved) medical expenses, as well as to save for the future.

You must meet certain criteria to open an HSA. Enrolling in this plan does not automatically qualify you to open an HSA. If you're not sure whether you meet the criteria for opening an HSA, check with your tax or legal advisor.

Utilizing coupons or other discount programs to obtain covered medications may disqualify the federal tax-preferred status of your HSA. We recommend you consult an attorney or tax advisor if you plan to use coupons or discount programs for prescription medications.

BCBSAZ is not an HSA trustee or custodian, and does not provide tax, legal, or investment advice about HSAs. BCBSAZ does not make any contributions to an HSA. Federal and state regulations governing HSAs are subject to change.

Your Responsibilities

Members with HSAs are responsible for telling BCBSAZ about any changes that apply to their health plan accruals (your deductibles and out-of-pocket maximums). Sometimes, you may pay less than your normal cost share for a service or medication, and BCBSAZ will be unaware of the discount. For example, a doctor might offer you a discount for paying with cash on the day of your appointment. Or, you might use a coupon that offers a discount on your share of the cost of a drug. If you pay less than your normal cost share and your provider submits a claim, you must tell BCBSAZ about the reduction so BCBSAZ can make sure your deductible and out-of-pocket maximum are corrected. If you do not tell us about these adjustments as they happen, it could result in inaccurate tracking of your deductible(s) and/or your out-of-pocket maximum(s), and jeopardize your status as an HSA-eligible individual.

If your deductible is waived for a service or item that is not provided for a preventive purpose, you may not be able to contribute or withdraw funds from your HSA, and you may be subject to a tax penalty on funds withdrawn from your HSA. If your deductible is being waived for a service or item you are receiving for a non-preventive purpose, contact BCBSAZ Customer Service right away to let us know.

YOUR PLAN NETWORK

See your ID card for the name of the plan network that applies to your benefit plan. You'll find the complete directory of providers in your plan's network at [MyBlueSM](#). If you do not have Internet access, would like to request a paper copy of the directory, or have questions about whether or not a certain provider is in the network, please call Blue Cross[®] Blue Shield[®] of Arizona (BCBSAZ) Customer Service at the number on your ID card. It's important to make sure your provider is in your plan network before you receive services.

MEMBER COST SHARING AND OTHER PAYMENTS

Members pay part of the costs for benefits received under this plan. What you pay depends on your particular benefit plan, the service you receive, and the provider you choose. You may have an access fee, balance bill, coinsurance, deductible, prior authorization charge, or some combination of these payments as detailed in the tables that follow. You can refer to Appendix A in your Base Benefit Book for a definition of the terms. BCBSAZ uses your claims to track whether you have met some cost-share obligations. We apply claims based on the order in which we process the claims and not based on date of service.

COST-SHARE TABLE

PLEASE NOTE: Services performed outside of Arizona are not covered. The only exceptions are emergencies, urgent telehealth services, eosinophilic gastrointestinal disorder formula, medical foods, and services from an out-of-network provider that have received prior authorization.

Type of Cost Share	In-Network	Out-of-Network
Calendar-Year Deductible	Individual only: \$2,500 Family: \$5,000	Individual only: \$9,000 Family: \$18,000
Out-of-Pocket Maximum	\$4,500 per member \$9,000 per family	\$18,000 per member \$36,000 per family

Until you meet your deductible, you will pay the allowed amount for most services, plus the balance bill for out-of-network services. For a plan issued to a contract holder with no dependents, the contract holder must meet his or her individual deductible before the plan begins to pay for covered services. If you have other family members on the plan, the family calendar-year deductible must be met before the plan begins to pay for covered services.

If your out-of-network Arizona provider does not get a prior authorization from BCBSAZ for a service that requires it, you may be required to pay a \$500 prior authorization charge, or the claim may be denied. You'll find a list of services that need prior authorization at azblue.com/individualsandfamilies/resources/forms and medications that need prior authorization at azblue.com/pharmacy. If you have to pay a prior authorization charge, it does not count toward your calendar-year deductible or out-of-pocket maximum.

Cost share for ancillary services provided by an out-of-network provider at an in-network facility will be based on the Qualifying Payment Amount, as defined by federal law. All out-of-network cost share for these ancillary services will be counted toward any in-network deductible and cost-share limits.
