YOUR PLAN NETWORK

See your ID card for the name of the plan network that applies to your benefit plan. You'll find the complete directory of providers in your plan's network at azblue.com. If you do not have Internet access, would like to request a paper copy of the directory, or have questions about whether or not a certain provider is in the network, please call Blue Cross® Blue Shield® of Arizona (AZ Blue) Customer Service at the number on your ID card. It's important to make sure your provider is in your plan network before you receive services.

MEMBER COST SHARING AND OTHER PAYMENTS

Members pay part of the costs for benefits received under this plan. What you pay depends on your particular benefit plan, the service you receive, and the provider you choose. You may have an access fee, coinsurance, copay, or some combination of these payments as detailed in the tables that follow. You can refer to Appendix A in your Base Benefit Book for a definition of the terms. AZ Blue uses your claims to track whether you have met some cost-share obligations. We apply claims based on the order in which we process the claims and not based on date of service.
