The image shows a login form titled "Exchange". At the top center is the word "Exchange" in a large, bold, black serif font. Below it, centered, is the text "Log in". There are two input fields: the first is labeled "Username" and the second is labeled "Password". Below the input fields is a large, rounded blue button with the text "Log in" in white. At the bottom left of the form is a small, rounded rectangular button with a red border and the text "Forgot password?" in blue.

If you forget your password, click "Forgot password?" to begin the reset process.

- To reset your password, input both your "Username" and "Phone number" used in your user profile.
- Click "Submit".
- You will then go through the authentication process and follow the remaining on screen steps to complete the reset.

The image shows a form for resetting a password. It has two input fields: the first is labeled "Username*" and the second is labeled "Phone number*" with the text "Enter your profile phone number" below it. At the bottom of the form are two buttons: a blue "Cancel" button and a grey "Submit" button with a red border.
