¹If you are enrolled in Overdraft Protection, we will automatically transfer any available funds at no charge to you from your linked savings, money market account or personal line of credit with us into your checking account at the end of any business day on which your Available Balance is less than zero. Limited to one linked savings or money market account or personal line of credit as a source of funding. Accounts are not automatically linked. Please notify your banker which account should be linked. To the extent the funds in your designated funding account are insufficient to cover all overdrafts in your checking account, an Overdraft Fee may be charged for each overdraft not covered by the transfer, under the terms of the Depository Agreement for Transaction Accounts. See Summary of Fees and Definitions for pricing.

²If you choose to receive a monthly statement via postal mail, a statement fee will be assessed each month. To avoid this fee, you can turn off paper statements by logging in to Online or Mobile Access, selecting "online only", and accepting the Online Statements Terms and Conditions. Opting out of paper statements will terminate the mailing of your monthly statement.
