FINANCING

Loans and Lines of Credit

- Revolving Lines of Credit

Revolving Lines of credit can help keep your business moving forward during seasonal ebbs and flows, lag times in accounts receivables, and other working capital needs by providing immediate access to cash. A revolving line of credit may also be eligible for overdraft protection.

- Cash Secured Loans and Lines of Credit

Utilize the cash you have on deposit with the bank as collateral to fund a line of credit for working capital needs or for a term loan to purchase equipment with.

- Equipment or Vehicle Term Loans

Fund large purchases and expenses over the long term. Buy equipment, purchase business vehicles, and consolidate existing debt.

- Commercial Real Estate

With competitive interest rates and flexible terms, your monthly loan payments might be comparable to what you're paying in rent. If you already own your business space, you can still take advantage of our commercial real estate loans. You can use the money to refinance your building, and possibly lower your rate.

- SBA Loans

BOKF, NA is a SBA Certified and Preferred Lender, which means easier applications and quicker approvals. SBA Loans are made and administered by BOKF, NA and the SBA guarantees a portion of each loan.

- BOKF, NA has partnered with Elan to offer a simplified, full-service credit card options.
