CAMDEN- striking retro upholstery geometrics

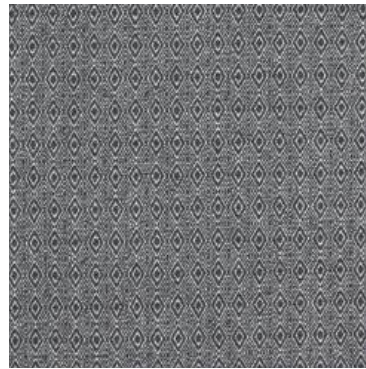

An ode to city-inspired interiors, Camden captures the effortless style of metropolitan living through its striking range of geometrics. Embodying the trend for small-scale designs are 4 upholstery-weight weaves, each exuding a retro feel. Eye-catching geometrics sit alongside a timeless zigzag design within Camden's portfolio, all of which also drape beautifully. The collection's retro influences become increasingly apparent within Camden's versatile palette, which spans pastel-toned hues through to richer, earthy colourways
