

COCOON - soothing medley of textures

Switch off from the outside world and step into the sanctuary that is Cocoon. A soothing medley of textures, from basket weaves and raised stripe effects to florals presenting a raised stitch technique, work cohesively to create spaces you can sink into and relax. Feelings of serenity evoked by Cocoon are amplified by space dye-effect yarns and a matte woven velvet, showcasing a cloud effect for dreamy schemes. Enhancing the collection's aura of calm is a tranquil, spa-like palette, featuring muted neutrals, light pastels, and soft browns that pay homage to trending colourways.
