

Jazz embodies the playfulness of small-scale designs with a contemporary spin. A selection of intricate prints lends the collection its charming nature, and are joined by a duo of eye-catching upholstery weaves. Motifs include a leaf ogee, abstract tile design and vertical diamond stripe. Each one is just as impactful used individually, or in a cohesive scheme. A palette of contemporary colourways strengthens the collection's appeal. Combinations such as blue and red pay homage to the latest in colour trends.
