MAURITIUS - timeless tropical theme, with a sophisticated twist

The timeless tropical theme is given a sophisticated twist in Mauritius. Conversational botanical scenes and eye-catching colourways echo vibrant landscapes. Luscious greenery has been interpreted through tactile textures, with tone-on-tone effects used throughout for added drama. A striking, ribbed-effect print sets the scene, complemented by designs such as a foliage embroidery, embossed chenille, and a two-tone tropical jacquard. A hand painted floral rounds off the collection with an artistic flourish, complemented by the collection's rich, nature-inspired palette.
