

**MONSOON ~ rich hued printed velvets**

Offering a stylised take on the ever-popular tropical trend, the Monsoon Collection incorporates a vast range of designs, from richly hued printed velvets, playful leopards, and complementary jacquards for a textured finish. Dimension is created with statement leaf prints and metallic foil highlights, adding a captivating finish. The decadent tones of the collection anchor the theme and bring added luxe with rich greens, deep reds, and dark charcoals that allow for a confident and sophisticated maximalist look in any space.
